Nuggets From The Heart:

Nuggets from the Heart Mary Vietta Cadwallader, 2005-03-25 Nuggets of gold Nuggets of wisdom Nuggets of experiences given to enrich lives are not to keep but to share with others Out of His love for mankind God shares with His creations many different blessings Have you ever wondered why certain things happen to you Have you ever felt that you are the only one going through hard times We all have been created different although we are somehow alike We can relate to another's joys or the hurts of life because they are similar to our own Nuggets from the Heart was written from actual experiences that have passed through the life of the author Healing comes at times when we can relate our lives to others God is no respecter of any person By learning what others have experienced that are similar to our own sometimes opens the door to understanding What has been will be again what has been done will be done again There is nothing new under the sun Ecclesiastes 1:9 NIV
