Nurturing Pentecostal Families:

Nurturing Pentecostal Families: A COvenant to Nurture our Family John Kie Vining,1996 In the same fashion as Growing Pentecostal Kids and Developing Pentecostal Teens this powerful resource is essential for local church workers and Pentecostal families who want to make a difference in their homes The Hermeneutical Spirit Amos Yong,2017-11-06 In the contemporary biblical studies climate proposals regarding the theological interpretation of Scripture are contested particularly but not only because they privilege encourage and foster ecclesial or other forms of normative commitments as part and parcel of the hermeneutical horizon through which scriptural texts are read and understood Within this context confessional approaches have been emerging including some from within the nascent pentecostal theological tradition This volume builds on the author s previous work in theological method to suggest a pentecostal perspective on theological interpretation that is rooted in the conviction that all Christian reading of sacred Scripture is post Pentecost meaning after the Day of Pentecost outpouring of the Spirit on all flesh in anticipation of the coming reign of God In that respect such a pentecostal interpretative perspective is not parochially for those within the modern day movement bearing that name but is arguably apostolic in following after the scriptural imagination of the earliest disciples of Jesus the messiah and therefore has ecumenical and missional purchase across space and time The Hermeneutical Spirit thus provides close readings of various texts across the scriptural canon as a model for Christian theological interpretation of Scripture suitable for the twenty first century global context **Gospel, Culture, and Transformation** Chris Sugden,2011-05-13 Gospel Culture and Transformation explores the practice of mission especially in relation to transforming cultures and communities Mission as Transformation has become a mainstream definition of mission in orthodox Christian circles especially in the Two Thirds World and among those involved in ministry with the poor Vinay Samuel has played a leading role in developing this understanding of mission which he defines as follows Transformation is to enable God s vision of society to be actualized in all relationships social economic and spiritual so that God s will may be reflected in human society and his love be experienced by all communities especially the poor Christian faith is faith in the incarnation of God in a particular place in history so all theology should have to do with the particular This work studies mission in the work of the leading Indian Mission Theologian Canon Dr Vinay Samuel between 1984 1996 It is taken from the author s larger work Seeking the Asian Face of Jesus Wipf and Stock 2011 Lamin Sanneh D Willis Professor of Mission and World Christianity Yale University wrote of that book Dr Sugden brings a sharp theological focus to bear on issues of context identity and cultural particularity The literature on contextual theology and situational ethics now has a standard to rise to A companion volume Mission as Transformation is edited by Viney Samuel and Chris Sugden Wipf and Stock 2009 Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954 ,2004 *Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986* ,1994 **Pentecostal Ecclesiology** Chris Green,2016-06-27 This

Aultman,2014-04-11 Dr Donald Aultman brings together in one volume leaders from the Church of God to reveal the Faith of Our Mothers stories of faithful women who valued nourished and trained their children sometimes against all odds These are women of virtue and godly character whose faith patience sacrifice and humor forever shaped the sons and daughters now walking in their footsteps In a culture where Christianity is increasingly marginalized and children are pulled away from faith in a world that s cold raw and harsh in a society built on high achievement self serving goals and shortsighted pursuits may God continue to raise up women of faith who will minister the Word of God love their families and show us the way home Mark L Williams Church of God Overseer **Genders, Sexualities, and Spiritualities in African Pentecostalism** Chammah J. Kaunda,2020-06-22 This book examines the complex and multifaceted nature of African Pentecostal engagements with genders and sexualities In the last three decades African Pentecostalism has emerged as one the most visible and profound aspects of religious change on the continent and is a social force that straddles cultural economic and political spheres Its conventional and selective literal interpretations of the Bible with respect to gender and sexualities are increasingly perceived as exhibiting a strong influence on many aspects of social and public institutions and their moral orientations This collection features articles which examine sexualities and genders in African Pentecostalism using interdisciplinary methodological and theoretical approaches grounded within traditional African thought systems with the goal of enabling a broader understanding of Pentecostalism and sexualities in Africa
