The Once and Future King T.

H. White, 2022-08-16 In *The Once and Future King* T H White masterfully reinterprets the Arthurian legend through a blend of rich narrative and philosophical inquiry The novel unfolds in four parts culminating in a profound exploration of power justice and the human condition against the backdrop of a fantastical realm White s eloquent prose interweaves humor and tragedy rendering complex characters such as King Arthur Merlyn and Guinevere with depth and relatability The book serves not only as an enthralling retelling of the myths but also as a reflection on the failures and potential of human governance echoing the sociopolitical anxieties of the mid 20th century when it was penned T H White an English writer and a classicist

drew upon his own experiences and extensive research into medieval history and folklore to craft this seminal work His personal struggles particularly with themes of power and morality no doubt influenced his depiction of Arthur s journey from naive boy to an enlightened ruler As a result White imbues the narrative with both a sense of nostalgia and a critique of contemporary political issues positioning it within the broader Romantic and modernist literary movements This book is a must read for anyone fascinated by the intricacies of leadership and the moral dilemmas that accompany it White s blend of comedy tragedy and philosophical reflection creates a tapestry that transcends time encouraging readers to ponder the legacies of leadership and the timeless question of what it means to be king Dive into this rich literary feast that effortlessly marries myth history and poignant social commentary **Once and Future Canadian Democracy** Janet Ajzenstat,2003

Annotation An inspiring case for parliamentary democracy and a sympathetic exploration of current discontents The Once and Future Camelot Felicity Pulman,2016-05-26 They would do anything to be reunited with those they love even if it means traveling beyond the boundaries of the world as we know it Two women living almost a thousand years apart are experiencing the same catastrophic visions of the future But these are not two ordinary women They are descended from Morgana le Fay and they have access to a magic that can stop this future from coming to pass if they can trust it and trust themselves Marie troubadour at the court of Eleanor of Aquitaine and Morgan a twenty first century botanist are two very different women When their lives collide in a garden in Glastonbury they must overcome the secrets that surround them and work together to save not only the world but each other Both of these women have known true love but lost it and both must overcome their prejudice as well as their fear of the harmful power of magic in order to be healed An astounding historical fantasy turning the King Arthur legend on its head in the tradition of Mary Stewart and T H White *Shakespeare's Once and Future Child* Joseph Campana,2024-05-06 A study of Shakespeare s child figures in relation to their own political moment as well as our own Politicians are fond of saying that children are the future How did the child become a figure for our political hopes Joseph Campana s book locates the source of this idea in transformations of childhood and political sovereignty during the age of Shakespeare changes spectacularly dramatized by the playwright himself Shakespeare s works feature far more child figures and more politically entangled children than other literary or theatrical works of the era Campana delves into this rich corpus to show how children and childhood expose assumptions about the shape of an ideal polity the nature of citizenship the growing importance of population and demographics and the question of what is or is not human As our ability to imagine viable futures on our planet feels ever more limited and as children take up legal proceedings to sue on behalf of the future it behooves us to understand the way past child figures haunt our conversations about intergenerational justice Shakespeare offers critical precedents for questions we still struggle to answer *The Once and Future Bible* Gregory C. Jenks,2011-01-10 This book offers a way to engage with the Bible as a set of sacred texts that can serve as a song sheet for believers in exile those people Bishop John Shelby Spong calls the church alumni association

This includes those internally displaced persons of faith who have not yet become spiritual refugees but who feel the pressure to conform to traditional expressions of faith that no longer serve as springs of living water for the journey of life. These ancient texts come from another world and another time but they can serve as maps for the journey of life. They can best do this when the sacred wisdom of the Bible is accepted as permission to voice the new questions we face today in the confidence that authentic faith has always required such boldness. Religious progressives are people who live the questions, not dodge them. Our task is not to guard a set of traditional answers but to live life boldly taking risks for God's sake and our own. One of the hallmarks of this book is that the problems posed by the Bible are acknowledged. In particular, the contributions of recent critical scholarship are embraced rather than being ignored or neutralized by pious ambivalence. The intended reader of this book is not a traditional believer secure in her assumptions about God and salvation but someone struggling to live with integrity in a time when traditional religion seems increasingly irrelevant. The goal is not to persuade the reader that the Bible is credible but more modestly to offer an account of the Bible that may encourage religious progressives to reclaim the Bible as a valued part of our spiritual baggage.

Once and Future Hearts Box Three: Arthurian Fantasy Romance Tracy Cooper-Posey, 2023-07-08 Tracy Cooper Posey once again found a way to drop you into history through her extraordinary storytelling. Reader Review: The third set of three books of the series that will keep you hooked until the end, featuring the myths, legends, and magic of the beloved King Arthur stories surrounding heart-rending romances of the men and women who lived and loved in these perilous times. 7.0 Abduction of Guenivere: A politically expedient marriage rife with bitter history. Gawain, one of Arthur's greatest warriors and companions, seethes restlessly now war has ended. He brings himself to marry the politically suitable Tegan of Dunod, who is far removed from the soft, gentle women he prefers and irritates him more often than not. Tegan's bitterness toward Gawain is driven by a history he doesn't remember and that she cannot forget, which dooms the marriage. When Tegan's closest friend, Queen Guenivere, goes missing, sending Camelot into chaos, Arthur tasks Gawain and Lancelot with finding the Queen. Gawain shocks Tegan by seeking her unique talents to help with the quest. The two must find a way to work together for the good of Camelot and Britain. 8.0 Downfall of Cornwall: Can Anwen help Sagamore find a way out of the darkness? Sagamore and Tristan are closer than brothers, sharing wine, women, and an affinity for feral, furious fighting. As heir to both the King of the Magyars and the Eastern Roman throne, Sagamore is an outsider who has never been fully accepted by King Arthur's court or King Mark's either. Calm composed Anwen, Idria's oldest daughter of the King of Strathclyde, is adored by all of Camelot the moment she arrives. She refuses the attention of the passionate, fiery Sagamore for his wildness, and blistering emotions remind her too much of her father, a former slave called Idris the Slayer, who terrifies her. 9.0 Vengeance of Arthur: The omens gather while Camelot fractures. Saraid is an orphan thanks to the Saxons but has found a place as lady companion to Adrivete, the daughter of King Drust of Deira. She wants nothing more than to stay where she is and live a quiet, uneventful life. Her peace

is shattered when Owain the son of the dead King of Rheged rides into Deira and demands they hand over Lamorak the murderer of his aunt Morgause of Lothian before sliding from his horse in exhaustion Then a message is received from Arthur the High King of Britain ordering Agravaine to travel to Camelot with Owain Agravaine insists Saraiad travel with her When Owain unexpectedly helps her cope with the rigors of travel Saraiad learns he is not at all the gruff infamous son of Rheged that rumour paints him to be Neither of them wants to go to Camelot Together they might survive the politics conspiracies and the storm that gathers over the city of miracles The series 1 0 Born of No Man 2 0 Dragon King 3 0 Pendragon Rises 4 0 War Duke of Britain 5 0 High King of Britain 6 0 Battle of Mount Badon Included in this boxed set 7 0 Abduction of Guinevere 8 0 Downfall of Cornwall 9 0 Vengeance of Arthur The remainder of the series 10 0 Grace of Lancelot 11 0 The Grail and Glory 12 0 Camlann Readers have described Tracy Cooper Posey as a superb story teller and her historical fantasy romances as written art Get the third boxed set today __ Praise for the series You will be drawn into a world so different so compelling You won't want to put it down Love the descriptions and settings that transport me to that world Well told and well written This book really kept me on my toes I cried so much not knowing what would happen I'm so in love with this series This series is in the right century told in the right way and based on sound research plus it's just plain old great storytelling Tracy Cooper Posey has brought the Arthurian Legend alive I am so enjoying this series it seems each book gets better and draws me in deeper A simply fantastic series that is getting better and better with each new book The more I read of this series the more I want I can't say enough good things about the series I love the way the tapestry of the historical setting is pieced together bringing the sights and sounds of the dark ages alive So good I binged on these the first time as each individual book and now in this box set I binged on them again The spellbinding story telling provided tales so complex and yet so enthralling that I was completely addicted and transported There was often a delightful theme of strong women learning about and achieving their best selves And the sword I love Tracy's explanation for how the sword ends up in the stone Such a great idea It is so much more than the book blurb promises These fast paced plots with the action intrigue and romance thickens with each book and will keep you fully engaged and up all night Tracy has an amazing ability to make you feel anxious thrilled hurt relieved You become so involved with the characters that you feel their apprehension strength relief joy fighting for what they believe in
