One Universal God

R. William Davies

One Universal God:

One Universal God Wally Floyd Dean, 1987-01-01 **God's One Universal Rule of Life and Happiness, and the True Spiritual Church** Horatio Goodday, 1874 The Universal God James E. Will, 1994-01-01 How can Christians bring about peace and justice in the world when Christianity seems either to claim the absolute truth about God or to dissolve into disempowering relativism James Will seeks an answer for this crucial question in the spiritual and intellectual life of the church He challenges the traditional western idea of God as omnipotent and unchanging instead offering the theory of the universal relationality of God Writing from the perspective of process theology Will says that just as God had an impact on the world so the world has an impact on God God is related and responsive to the world In the modern world where many cultures and belief systems are in contact and often conflict with one another Will's broadening of the conception of God offers an integration of many cultures and beliefs recognizing their relatedness without reducing any of them In this way Will believes the universal God may bring love and peace to a pluralistic and often divided world AMEN Nicholas P. Ginex, 2012-07-25 Few people have been exposed to the history of our religious past Only by having a true understanding of how our beliefs in God originated can we proceed on a path of knowledge about God and our purpose in life Such knowledge will challenge many of us who have been brought up with a prescribed set of religious dogma People around the world are witnessing the murder of innocent human beings advocated by religious extremist factions This book brings to light why the scriptures of our monotheistic religions are in dire need of being revised Nicholas P Ginex author of Future of God Amen has researched the past of a very spiritual people and found that Amen is the first universal god that has profoundly influenced the development of the Judaic Christian and Islamic religions **The Universal God** R. William Davies, 2011-07-12 There is no available information at this time **The Transonic Consciousness** Glen C. Cutlip, 2001-10-15 **Hinduism & Its Military Ethos** Air Marshal RK Nehra, What is real Hinduism The simple answer is that there is no simple answer We know Hinduism as the most ancient complex and fascinating religion of humankind It may also be the least understood due to bewildering variety of its thought processes which are both original and sublime An attempt has been made in the book to present a short and simplified yet comprehensive view of Hinduism its culture and civilization The vast range of Hindu gods and goddesses is fully explored It is considered that after going through the book a common layman would be greatly informed about Hinduism and Hindus will feel empowered about their religion The book will be of special interest to NRIs especially of the second generation in search of their roots For everyone else including the foreigners there is a fascinating story waiting to be discovered The second half of the book relates to study of the Hindu military value system from the earliest times of mythology to the present times Issues of Hindu military mindset and 750 years of unending slavery are covered in detail The causes for the Hindu military defeats are analyzed with an extraordinary degree of candor the conclusions reached shatter many a prevalent myth The causes for Hindu military defeats lay in their mind rather than in

their muscle **One Earth, Many Religions** Paul F. Knitter, 1995 One of the world's foremost exponents of the pluralist position as the most adequate Christian theological account of religious diversity turns to a new and urgent issue facing the community of world religions For Paul Knitter the spectre of environmental and social injustice looms over any serious discussion of humankind's future As urgent as it is to have peace among the world's believers to achieve peace among nations it is urgent that these communities unite in understanding and defending of the earth In *One Earth Many Religions* Knitter looks back at his own dialogical odyssey and forward to the way that interfaith encounters and dialogue must focus attention on new challenges Nothing less than enlisting the commitment of the world's religions on the task of saving our common home will do In making that case Knitter makes clear the complex structures political economic and social as well as religious that face those who approach this task While articulating a this worldly soteriology necessary to overcome our eco human plight Knitter offers practical considerations on actions and projects that have and should have been undertaken to stem the tide of environmental and human suffering The global crisis is both at the center of *One Earth Many Religions* and a test case for Knitter and others engaged in the dialogue of religions Can religious differences concerning the nature of the transcendent themselves be transcended in order to promote eco human well being The issue seems basic and clear if interreligious dialogue cannot effect such a change then one must question whether religion is of any use whatsoever

God, Us and the Universe Nicholas P. Ginex, 2012-05-03 An Overview of God Us and the Universe This book provides articles posted by this author on the Internet forum www.gather.com Included are fifty articles that have been stimulated by the historical novel *Future of God Amen* They have been written to add further insights and supporting arguments of many assertions and conclusions presented in the novel The gather member comments and author replies will illuminate for the reader many points of view which may give greater scope to previous ideas about God the soul and what we have mentally

conceived Future of God Amen written for people who desire to learn how mankind conceived one universal God serves as the backbone for the articles presented herein It reveals facts and findings surfaced by highly respected scholars and Egyptologists A new and gifted writer of religious findings below are praises written for Future of God Amen They validate the author s writing skills to surface knowledge of a religious past that deserves to be known by the modern world Nicholas takes facts and figures from Christian Judaic and Islamic religions and takes them into a new level where scholars and professors alike will be mind blown and use this superb work of literature for centuries to come Michael G Stone Poet and Author An eye opening revelation for those unfamiliar with the origins of their religious beliefs A masterful easy to read correlation of well documented and presented historical information A superb addition to anyone s library Canadian Author Richard Regener Better written and more cohesive than many books on religion Future of God Amen is scholarly and fleshed out to the point of textbook meticulousness but it blindsides you with new discoveries and conclusions Andrea Borja Journalist and Author His position that Judaism Christianity and Islam all find their origins in Egypt is not a new one nor without controversy however he supports his argument with references maps and histories which are quite compelling His writing style is smooth and is easy reading for an inquiring mind This book would be a valuable addition to the library of any Church Synagogue or Masjid Any student of history civilization and religion would do well to make it required reading Artur Zorka C H T Astronomer and Author Judges J. Clinton McCann,J. Clinton McCann Jr.,2011-08-26 Interpretation A Bible Commentary for Teaching and Preaching is a distinctive resource for those who interpret the Bible in the church Planned and written specifically for teaching and preaching needs this critically acclaimed biblical commentary is a major contribution to scholarship and ministry **A History of Western Society, Volume 1** John P. McKay,Bennett D. Hill,John Buckler,Clare Haru Crowston,Merry E. Wiesner-Hanks,Joe Perry,2011-01-31 Now from Bedford St Martin s A History of Western Society is one of the most successful textbooks available because it captures students interest in the everyday life of the past and ties social history to the broad sweep of politics and culture The tenth edition has been thoroughly revised to strengthen the text s readability heighten its attention to daily life and incorporate the insights of new scholarship including an enhanced treatment of European exploration and a thoroughly revised post 1945 section With a dynamic new design new special features and a completely revised and robust companion reader this major revision makes the past memorable and accessible for a new generation of students and instructors **The Covenant and the Dar Es Salaam** Munawar Sabir,2021-11-04 Dar es Salaam is the Abode of Peace which Allah has promised to His righteous servants who follow the Straight Path of Allah Dar es Salaam is the home of the Ummah which extends in the East from the Muslim populations of the Philippines to the Atlantic coast of Africa and in the North its domains extend from the Muslim population of Russia to those of Indonesia to the South Every place with a majority of Muslims constitutes the domain of Islam the Abode of Peace Believers within and outside the domain of Islam have the right to the citizenship of the Dar es Salaam and shall enjoy all the benefits and the

obligations that go with such citizenship Every home and every place of worship of Believers everywhere on earth constitute a piece of the Dar es Salaam There is neither a border nor frontiers in the Dar es Salaam Through obedience of Covenant of Allah the Ummah is at this point of time ready to roll over artificial borders and barriers dividing the Dar es Salaam and to assume its executive sovereignty over the land of Islam The Ummah is prepared to establish the Covenant of Allah in the governance of its communities through peace justice consultation and consensus of the community The greatest miracle of Islam is the Revelation and the preservation of the Divine Word the Qur an The next greatest miracle is survival and continuing expansion of the Ummah through the centuries of tyrannical and turbulent Sultanic and colonial rule In spite of the alien systems of governments of sultans and dictators founded on self aggrandizement and personal power the common people and the community of Islam have continued to receive nurturing and spiritual enlightenment through love of Allah and His Blessed Nabi Holy men sages Sufi and other humble religious teachers have continued to nurture the love of Allah in the heart of the people They sought to teach and preach Taqwa of Allah and the knowledge of Allah in humility and sincerity Insignificant raindrops fall on a parched land singly and disappear forever the same rain drops in strength coalesce to form little streams then little rivulets then join together to become mighty rivers flowing further dropping into powerful and majestic waterfalls yet again joining together with other rivers lakes and yet more hill torrents to end up in mighty oceans ever increasing in size in length in depth in power yet at all times obedient to the will of Allah An insignificant human without faith is like a drop of water on parched land Yet the same human a Believer strengthened by his Covenant with Allah joins others with the Covenant to form a little community that in unity with other Believers in communion with Allah in unity become the Ummah of the Believers around the world a powerful united people witness over other nations with Allah and His Prophet witness over them At the turn of the twenty first century there are more Believers than ever in the history of mankind These Believers of Allah are in Islam and in other religions It is the obligation of every Muslim to commune with every Believer of Allah in the brotherhood of the people of Haqq

Historical-critical Introduction to the Philosophy of Mythology F. W. J. Schelling, 2012-02-01 Translated here

into English for the first time F W J Schelling's 1842 lectures on the Philosophy of Mythology are an early example of interdisciplinary thinking In seeking to show the development of the concept of the divine Godhead in and through various mythological systems particularly of ancient Greece Egypt and the Near East Schelling develops the idea that many philosophical concepts are born of religious mythological notions In so doing he brings together the essential relatedness of the development of philosophical systems human language history ancient art forms and religious thought Along the way he engages in analyses of modern philosophical views about the origins of philosophy's conceptual abstractions as well as literary and philological analyses of ancient literature and poetry

The Mage's Images: Heinrich Khunrath in His Oratory and Laboratory, Volume 1 Peter J. Forshaw, 2024-11-25 This is the 1st volume in a 4 volume work entitled The Mage's Images The work provides the first in depth examination of the life and works of Heinrich Khunrath 1560-1605 one of the great Hermetic philosophers whose Amphitheatre of Eternal Wisdom 1595-1609 has been described as one of the most important books in the whole literature of theosophical alchemy and the occult sciences Khunrath is best known for his novel combination of scripture and picture in the complex engravings in his Amphitheatre In this richly illustrated monograph Forshaw analyses occult symbolism with previously unpublished material offering insight into Khunrath's insistence on the necessary combination of alchemy magic and cabala in Oratory and Laboratory

America, Amerikkka Rosemary Radford Ruether, 2014-12-05 America views itself as a nation inhabiting a promised land and enjoying a favoured relation with God This view of unique election has been coupled with racial exclusivism and the marginalization of non-white citizens America Amerikkka traces the historical and ideological patterns behind America's sense of itself In its examination of America's chosenness the book ranges across the doctrine of the rights of man in the 18th and 19th centuries the role of America in the twentieth century as global policeman and the enforcement of neo-colonial relations over the third world The volume argues for a vision of global relations between peoples based on justice and mutuality rather than hegemonic dominance

The Bible in Cross Cultural Perspective (Revised Edition) Jacob A Loewen, 2020-06-01 Some Questions are Universal Where did I come from What happens when I die Am I important Across the world these questions are answered in a vast range of ways shaped by our worldview and our specific cultural context Cross cultural workers seeking to engage people at the point of these questions can offer a rich dialogue between cultural assumptions and biblical truth but only if they can reach into the cultural framework underlying a particular context The Bible in Cross Cultural Perspective explores this cultural framework tackling different aspects of the Biblical worldview's interaction with both Western secular and a traditional animist worldviews With topics ranging from the physical and metaphysical perception of the universe to the significance of names Loewen unpacks cultural construction in all of its layered complexity allowing us to visualize where the Gospel will interact with people's beliefs regardless of their context Jacob Loewen the author of Culture and Human Values draws on multiple years of experience across several continents as a field missionary anthropologist linguist Bible translator and missions

researcher The Bible in Cross Cultural Perspective originally published in 2000 is Loewen's culminating work in missionary anthropology and it remains a useful and relevant work today **THE GUIDE TO ANSWERING ISLAM** Daniel

Janosik, 2019-01-26 The average Christian knows somewhat how dangerous radical Islam is because of the regular media coverage of beheadings of Christians Jews and even young little children not to mention Muslims with which they disagree However the average Christian does not know their true beliefs just how many there are to the extent they will go to carry out these beliefs Daily we find Islamic commentators on the TV and radio offering up misleading information quoting certain portions of the Quran while leaving other parts out When considering Islamic beliefs other Islamic writings must be considered like the Hadith or Sunnah and the Shariah or canon law While Islam in general does not support radical Islam the vast majority do support radical beliefs For example beheadings stoning for adultery or homosexuality suicide bombings turning the world into an Islamic state and far too many other heinous things THE GUIDE TO ANSWERING ISLAM provides Christians with an overview of Islamic terminology The reader will learn about Muhammad's calling the history of the Quran how Islam expanded the death of Muhammad and the splinter groups that followed In addition the three sources of their teaching six pillars of belief five pillars of Islam the twelfth Imam and much more will be discussed While there are several books on Islam and radical Islam this will be the first that will prepare its readers to communicate effectively with Muslims in an effort toward sharing biblical truths THE GUIDE TO ISLAM will be an effective evangelism tool In addition each chapter will end with review questions helping the reader recall the main points of the chapter Therefore it can be studied alone or in a church Bible study setting THE GUIDE TO ANSWERING ISLAM has the contents constructed in a way that will greatly serve the Christian Church There are many recent books written by Christians about Islam and there are many books written recently about radical Islam However none of these recent books attempts to do what has been done which is to give an adequate portrayal of Islam critiqued by history and Christian doctrine and then culminating in an extensive evaluation of the rise of Radical Islam from a Christian's perspective THOSE ANGELS CALLED HUMANS Jaime V. Altamirano, MD.,

MPH., 2014-08-07 It is essential for everyone to discover its human and spiritual double identity to live or develop its own spiritual potential and to accomplish the true role or function for which each one was created Life makes sense and takes clear direction when we guide our steps toward re encountering our Creator and the eternal destiny for our spiritual being True love is a trinity of love God is love in essence and God himself is a trinity God is the only source of love which pours onto us so that we can correspond with love to God and spread it to all our brothers and sisters HE WHO HAS DISCOVERED THE SECRETS OF TRUE LOVE HAS FOUND GOD AND HAS FOUND THE PATH TO ETERNAL SALVATION A collection of paintings was created following specifically the main topics of this book by a renowned painting and sculpture artist Felix Berroa This is a profound Theological reflection written with an amazing simplicity inspired by the Spirit of God without any deviation from the dogmas and doctrines of the Christian FAITH Dr Antonio Castro Guerrero Professor of Philosophy and
