Rhodes Scholars, Oxford, and the Creation of an American Elite Thomas J. Schaeper,Kathleen Schaeper,2010-02-01 Each year thirty two seniors at American universities are awarded Rhodes Scholarships which entitle them to spend two or three years studying at the University of Oxford The program founded by the British colonialist and entrepreneur Cecil Rhodes and established in 1903 has become the world s most famous academic scholarship and has brought thousands of young Americans to study in England Many of these later became national leaders in government law education literature and other fields Among them were the politicians J William Fulbright Bill Bradley and Bill Clinton the public policy analysts Robert Reich and George Stephanopoulos the writer Robert Penn Warren the entertainer Kris Kristofferson and the Supreme Court Justices Byron White and David Souter Based on extensive research in published and unpublished documents and on hundreds of interviews this book traces the history of the program and the stories of many individuals In addition it addresses a host of questions such as how important was the Oxford experience for the individual scholars To what extent has the program created an old boy girl since 1976 network that propels its members to success How many Rhodes Scholars have cracked under the strain and failed to live up to expectations How have the Americans coped with life in Oxford and what have they thought of Britain in general Beyond the history of the program and the individuals involved this book also offers a valuable examination of the American British cultural encounter

The Book of Jobs Arlene Bastion,2009 Top Girls Caryl Churchill,2018-02-22 Marlene thinks the eighties are going to be stupendous Her sister Joyce has her doubts Her daughter Angie is just frightened

Since its premiere in 1982 *Top Girls* has become a seminal play of the modern theatre. Set during a period of British politics dominated by the presence of the newly elected Prime Minister Margaret Thatcher, Churchill's play prompts us to question our notions of women's success and solidarity. Its sharp look at the society and politics of the 1980s is combined with a timeless examination of women's choices and restrictions regarding career and family. This new Student Edition features an introduction by Sophie Bush, Senior Lecturer at Sheffield Hallam University, UK, prepared with the contemporary student in mind. METHUEN DRAMA STUDENT EDITIONS are expertly annotated texts of a wide range of plays from the modern and classic repertoires. As well as the complete text of the play itself, this volume contains a chronology of the play and the playwright's life and work, an introductory discussion of the social, political, cultural, and economic context in which the play was originally conceived and created, a succinct overview of the creation processes followed and subsequent performance history of the piece, an analysis of and commentary on some of the major themes and specific issues addressed by the text, a bibliography of suggested primary and secondary materials for further study. **"Where to Start"** Madeline T.

Rockcastle, 1985 *Service Sociology and Academic Engagement in Social Problems* A. Javier Treviño, Karen M.

McCormack, 2016-04-01 This book challenges sociologists and sociology students to think beyond the construction of social problems to tackle a central question: What do sociologists do with the analytic tools and academic skills afforded by their discipline to respond to social problems? Service Sociology posits that a central role of sociology is not simply to analyse and interpret social problems but to act in the world in an informed manner to ameliorate suffering and address the structural causes of these problems. This volume provides a unique contribution to this approach to sociology, exploring the intersection between its role as an academic discipline and its practice in the service of communities and people. With both contemporary and historical analyses, the book traces the legacy, characteristics, contours, and goals of the sociology of service, shedding light on its roots in early American sociology and its deep connections to activism. Before examining the social context that underlies the call for volunteerism, community involvement, and non-profit organisations, as well as the strategies that have promise in remedying contemporary social problems, the book presents examples of concrete social problems from around the world, including issues of democratic participation, poverty, and unemployment. Student involvement in micro-lending, disaster mitigation, the organization and leadership of social movements, homelessness, activism around HIV/AIDS, and service spring breaks are explored. *Service Sociology and Academic Engagement in Social Problems* explores the utility of public teaching, participatory action research, and service learning in the classroom as a contribution to the community. **The Broadview Anthology of**

British Literature Volume 6: The Twentieth Century and Beyond Joseph Black, Leonard Conolly, Kate Flint, Isobel Grundy, Don LePan, Roy Liuzza, Jerome J. McGann, Anne Lake Prescott, Barry V. Qualls, Claire Waters, 2006-07-31 In all six of its volumes, *The Broadview Anthology of British Literature* presents British literature in a truly distinctive light. Fully grounded in sound literary and historical scholarship, the anthology takes a fresh approach to many canonical authors and

includes a wide selection of work by lesser known writers The anthology also provides wide ranging coverage of the worldwide connections of British literature and it pays attention throughout to issues of race gender class and sexual orientation It includes comprehensive introductions to each period providing in each case an overview of the historical and cultural as well as the literary background It features accessible and engaging headnotes for all authors extensive explanatory annotations throughout and an unparalleled number of illustrations and contextual materials offering additional perspectives both on individual texts and on larger social and cultural developments Innovative authoritative and comprehensive The Broadview Anthology of British Literature embodies a consistently fresh approach to the study of literature and literary history The full Broadview Anthology of British Literature comprises six bound volumes together with an extensive website component the latter has been edited annotated and designed according to the same high standards as the bound book component of the anthology and is accessible through the broadviewpress.com website by using the passcode obtained with the purchase of one or more of the bound volumes Highlights of Volume 6 The Twentieth Century and Beyond include Joseph Conrad's *The Secret Sharer* An Outpost of Progress an essay on the Titanic and a substantial range of background materials including documents on the exploitation of central Africa that set An Outpost of Progress in vivid context and a large selection of late twentieth and early twenty first century writers such as Ian McEwan Kazuo Ishiguro and Zadie Smith For the convenience of those whose focus does not extend to the full period covered in the Volume 6 The Twentieth Century and Beyond that volume is now available either in its original one volume format or in this alternative two volume format with Volume 6a The Early Twentieth Century extending to the end of WWII and Volume 6b The Late Twentieth Century and Beyond covering from WWII into the present century Please see the Volume 6 Table of Contents for the exact location of the split
