Serving With Joy Stephen Grunlan,2006-02-01 You may have found yourself reflected from the pages of Paul s letter to the Phillipians the subject of Serving with Joy Why Because in many respects the Christians in first century Philippi were very similar to evangelical Christians today They were orthodox in belief They were faithful to the gospel They seemed to harbor no gross sins But they nevertheless had need of encouragement and instruction In Serving with Joy Stephen A Grunlan concentrates on the practical aspects of Paul s short letter being like minded the cost of commitment dealing with struggles overcoming attitudes I have attempted to avoid heavy theological issues and details that are of limited scholarly interest he says Rather I have attempted to look at Paul s practical counsel and draw application for us today Serving with Joy is also ideal for personal study Thought questions at the end of each chapter help summarize the book s content and stimulate reflection
