## **Philosophical Journey An Interactive Approach:**

**The Philosophical Journey, an Interactive Approach** William F. Lawhead, 2022 Socrates once complained in the *Protagoras* that eloquent orators and books are alike in that they provide massive amounts of information but if one asks any of them an additional question they cannot either answer or ask a question on their own account As I wrote this book my challenge was to see to what degree I could provide a counterexample to Socrates claim Of course Socrates is correct There is no substitute for live philosophical conversations and debates However as you get acquainted with this book you will find that it does ask you questions and provokes you to ask questions in turn Instead of simply presenting information for you to passively absorb its many exercises require your active involvement and some will even provide the opportunity for you to dialogue with your friends about the philosophical issues discussed For this reason I chose the title *The Philosophical Journey An Interactive Approach*

death isolation identity freedom and meaning and find our solutions to these problems The present volume explores each of these existential themes in turn Each section opens with a theoretical chapter describing the relevant existential dilemma and its impact on human experience The second chapter in each section explores its relationship to mental health disorders and psychopathology The third chapter in each section explores the evidence for treating the existential issue from a CBT framework This book will be of value to those interested in CBT philosophy and mental health and will appeal to psychotherapists clinical psychologists and psychiatrists

**The Kpim of Feminism** Uzoma Ukagba George Uzoma Ukagba,George Uzoma Ukagba,2010-02 The idea behind The Kpim of Feminism was rooted in the mind of Fada Iroegbu in 2004 following a friendly but heated argument he had with Mrs Wioletta Ukagba the wife of one of the current co editors of this book who challenged

Fada Iroegbu to direct his sharp brain and pen to the defence of women especially the Nigeria women who were and still are passing through various kinds of trans valuation of values economic exploitation cultural and scientific manipulations political marginalization and irredentism and various shades of sexualisation harassment exploitation and commercialization Fada Iroegbu took up this challenge to kpimize womanhood but unfortunately was unable to completely realise his dream before death struck As it is with many great and indefatigable minds or thinkers who left behind unfinished works we his friends family interlocutors well wishers men and women of good will have come together to actualize one of his felt knowledge dreams The fight for equality between women and men can sometimes not only be exaggerated but also plunged in controversy we cannot fathom The search for the truth about the relationship that ought to exist between male and female should constitute The Kpim of Feminism Dr George Uzoma Ukagba Editor University of Benin In light of the word feminism conjuring up different images to different people The Kpim of Feminism reflects the sensitivity and objectivity to the concept of feminism by scholars drawing from their fields and life experiences The book insists that women and men be encouraged to emancipate and empower one another together Dr Obioma Des Obi Editor Imo State University The Kpim of Feminism a rare harvest of academic erudition from across the globe showcases the different modalities from which issues theories and debates on feminism and other gender related polemics past present and future could be considered Dr Iks J Nwankwor Editor University of Uyo Without mincing words this book is a welcome intellectual assembly and has come out at the right time with deep critical insights and values for students researchers and public and policy issues in both local and global prospects Patrick Iroegbu Ph D The Kpim Book Project Series Coordinator Father Pantaleon Iroegbu Foundation Grant MacEwan University *Eco-Fearism* Bhawani Shankar Adhikari, Osinakachi Akuma Kalu, Desh Subba, 2020-05-05 In a world full of doubt and despair we are yet to realize the invaluable importance of societal coherence and correspondence especially in relation to our planet s ecosystem Intelligent empathetic life such as ourselves has limitless potential to co create and edify a new paradigm of smart coexistence if we manage to get fear under control The society that we have constructed has undervalued life s potential because of individualistic separatism that seems to have been born out of fear of survival Our fears of going extinct should be counter intuitively enough not only a motivation for us to thrive in meaningful coexistence but also an inspiration for us to be able to build a future that is worthy of our true capacities As we dive deeper into Eco Fearism breaking the boundaries of our limitations and striving for excellence we are enlightened by knowledge and by the hope that we can surpass our own immaturity and take care of ourselves and our planet through careful reflection *The Bridge Between Bioethics and Medical Practice* Marko Ćurković, Ana Borovečki, 2022-10-14 This book provides insights into dynamic and complex interrelationships between professionalism and medical practice It does so by looking into the most relevant and recent theoretical and practical frameworks and by systematizing and integrating extensive and growing literature on medical professionalism Through honest and prudent contributions from very diverse backgrounds and contexts

this book provides an understanding of medical professionalism derived from a broader historical and cultural context in order to contribute to everyday professional life and practice the very place of its existence The book presents the conflicting and sometimes irreconcilable demands and challenges physicians face in everyday practice A better understanding of these fundamental issues is the only way for medicine to maintain and preserve its unique morality the same one that enabled its existence in the first place The book is relevant for everyone immersed and interested in the subject of medical professionalism as a resource which may ease or guide them through the complexities of issues at hand It will also contribute to the ongoing debate on medical professionalism medical ethics bioethics and professionalism and ethics in general
