Velasquez, 2007-02-01 **Reading Philosophy, Writing Poetry** Wendy Swartz, 2020-10-26 In a formative period of Chinese culture early medieval writers made extensive use of a diverse set of resources in which such major philosophical classics as Laozi Zhuangzi and Classic of Changes featured prominently Reading Philosophy Writing Poetry examines how these writers understood and manipulated a shared intellectual lexicon to produce meaning Focusing on works by some of the most important and innovative poets of the period this book explores intertextuality the transference adaptation or rewriting of signs as a mode of reading and a condition of writing It illuminates how a text can be seen in its full range of signifying potential within the early medieval constellation of textual connections and cultural signs If culture is that which connects its members past present and future then the past becomes an inherited and continually replenished repository of cultural patterns and signs with which the literati maintains an organic and constantly negotiated relationship of give and take Wendy Swartz explores how early medieval writers in China developed a distinctive mosaic of ways to participate in their cultural heritage by weaving textual strands from a shared and expanding store of literary resources into new patterns and configurations *The Study of Philosophy* Andrew Pessin, S. Morris Engel, 2015 This seventh edition of The Study of Philosophy presents a comprehensive treatment of the major fields and figures of philosophy alongside primary readings by

seminal thinkers to fuel debate and further study New features of this edition include a substantive account of philosophical theology a reorganized treatment of early modern rationalism and empiricism discussion of the major highlights of twentieth and twenty first century philosophy a survey of major contemporary moral problems From Plato to Plantinga from Aristotle to Ayer and from Socrates to Singer this text brings the power of both ancient and modern philosophy to students of the twenty first century Core Questions in Philosophy Elliott Sober,2008 For introductory philosophy courses Presented in an engaging lecture style format this text reader focuses on the basic issues and ideas in philosophy with lectures discussions supported by readings from historically important sources Discussions emphasize the logic of philosophical arguments and how they relate to the content of modern physical and social sciences Core Questions in Philosophy emphasizes the idea that philosophy is a subject devoted to evaluating arguments and constructing theories *The Routledge Companion to the Practice of Christian Theology* Mike Higton,Jim Fodor,2015-03-24 This Companion introduces readers to the practice of Christian theology covering what theologians do why they do it and what steps readers can take in order to become theological practitioners themselves The volume aims to capture the variety of practices involved in doing theology highlighting the virtues that guide them and the responsibilities that shape them It also shows that the description of these practices virtues and responsibilities is itself theological what Christian theologians do is shaped by the wider practices and beliefs of Christianity Written by a team of leading theologians the Companion provides a unique resource for students and scholars of theology alike **Moral Philosophy** Andrew G. Oldenquist,1984 **Reading Philosophy** Samuel Guttenplan,Jennifer Hornsby,Christopher Janaway,John Schwenkler,2021-01-05 A key introductory philosophy textbook making use of an innovative interactive technique for reading philosophical texts Reading Philosophy Selected Texts with a Method for Beginners Second Edition provides a unique approach to reading philosophy requiring students to engage with material as they read It contains carefully selected texts commentaries on those texts and questions for the reader to think about as they read It serves as starting points for both classroom discussion and independent study The texts cover a wide range of topics drawn from diverse areas of philosophical investigation ranging over ethics metaphysics epistemology philosophy of mind aesthetics and political philosophy This edition has been updated and expanded New chapters discuss the moral significance of friendship and love the subjective nature of consciousness and the ways that science might explore conscious experience And there are new texts and commentary in chapters on doubt self and moral dilemmas Guides readers through the experience of active engaged philosophical reading Presents significant texts contextualized for newcomers to philosophy Includes writings by philosophers from antiquity to the late 20th century Contains commentary that provides the context and background necessary for discussion and argument Prompts readers to think through specific questions and to reach their own conclusions This book is an ideal resource for beginning students in philosophy as well as for anyone wishing to engage with the subject on their own Undergraduate Courses of Study University of Pennsylvania,1913 **Reading,**

Literature, and Psychology in Action Philip Davis, Rhiannon Corcoran, Josie Billington, Arthur Frank, 2023-06-23 Psychology in Action is a term coined by the Guest Editors from the Centre for Research into Reading Literature and Society CRILS University of Liverpool in their work in filming recording and analyzing shared reading groups led by The Reader organization It refers both to the work of psychology within literary texts and to the responses of multifarious reader participants to literature read live and aloud in small community groups within a variety of settings In particular psychology in action has meant seeing readers suddenly activated into deep personal thinking responding to situations imaginatively simulated by reading literature in ways that trigger surprised and involuntary emotion autobiographical memory and spontaneous empathy

The Socratic Classroom Sarah Davey Chesters, 2012-09-13 This book provides a framework for a collaborative inquiry based approach to teaching and learning suitable not only for formal educational settings such as the school classroom but for all educational settings For teachers educationalists philosophers and philosophers of education The Socratic Classroom presents a theoretical as well as practical exploration of how philosophy may be adopted in education The Socratic Classroom captures a variety of philosophical approaches to classroom practice that could be broadly described as Socratic in form There is an exploration of three distinct approaches that make significant contributions to classroom practice Matthew Lipman's Community of Inquiry Leonard Nelson's Socratic Dialogue and David Bohm's Dialogue All three models influence what is termed in this book as Socratic pedagogy Socratic pedagogy is multi dimensional and is underpinned by generative evaluative and connective thinking These terms describe the dispositions inherent in thinking through philosophical inquiry This book highlights how philosophy as inquiry can contribute to educational theory and practice while also demonstrating how it can be an effective way to approach teaching and learning Audience This publication is suited to educators teacher educators philosophers of education and philosophers in general It has a theoretical and practical focus making it truly interdisciplinary

In Dialogue with Michèle Le Doeuff Pamela Sue Anderson, Michele Le Doeuff, 2023-11-16 The work of Michèle Le Doeuff creatively disrupts established notions of what philosophy might be Far from being a discipline about the leader and the disciple a hierarchy of knowledge and paternalism Le Doeuff proposes a philosophy of dialogue and friendship The conversations in this book explore how this philosophy can be enacted and explored and show how openness and generosity

can be the starting point of truly rigorous thinking Introduced and curated by the late philosopher Pamela Sue Anderson In Dialogue with Michel Le Duff explores themes like contemporary feminism joy in philosophy memory the significance of friendship to thinking and a key Le Duffian concept the imaginary Le Duff's interlocutors including Penelope Deutscher Elizabeth Fallaize and Meenda Dhanda are some of the most significant thinkers in the fields of feminism and continental thought and provide insights and ways into considering philosophy as a profoundly dialogical exercise **Forthcoming**
