Heil, 2013-11-11 It is said that there is no progress in philosophy The illusion of standing still however arises only when we lose sight of our history and so fail to notice the distance we have travelled Philosophers nowadays find obvious ideas and themes that as it happens emerged slowly and painfully and largely in reaction to prevailing sensibilities The essays here honour a man to whom present day philosophy owes much Charles Burton Martin In reflecting on my own on going and somewhat chaotic philosophical education I find considerable evidence of Charlie Martin's influence After departing graduate school one of the first papers I succeeded in publishing consisted of an attack on Martin and Deutscher's Remembering After that Charlie more or less vanished from my conscious awareness until the winter of 1985 when we appeared together in a colloquium at the Eastern Division meetings of the American Philosophical Association Although Charlie was nominally a commentator on a paper I was delivering his comments contained more philosophy and went considerably beyond the

tentative and highly circumscribed thesis I had elected to defend Whereas my focus had been on a tiny feature of Hilary Putnam s argument against realism Charlie went straight for the jugular addressing matters that immediately took us into deep water *Making Sense of it All* David H. Lund,1999 A core text or supplement for courses in Introduction to Philosophy or Problems of Philosophy and a supplementary text for introductory courses in Metaphysics and Philosophy of Mind This brief engaging problems based approach to philosophic inquiry shows students why and how philosophic thought about fundamental problems in epistemology ontology and moral theory can be of great help to us in our attempt to make sense of it all and to live the good life characterized in part by a deeper understanding of the world within and around us It invites students to think things through together but without relying on any initial interest in either the subject matter or the methods of philosophic study It encourages higher order thought the critical examination of views conceptual analysis integrative thought and the evaluation of arguments and shows students what an important and mind transforming activity philosophic inquiry can be
