Mogens Lærke, Leo Catana

Philosophy And Its Past:

Philosophy and Its History Jorge J. E. Gracia, 1992-01-01 This book is a systematic and comprehensive treatment of issues involved in philosophical historiography It deals with such topics as the relation of philosophy to its history the role of value judgments in historical accounts the value of the history of philosophy for philosophy the nature and role of texts and their interpretation in the history of philosophy historiographical method and the stages of development of philosophical progress The book defends two main theses The first is that the history of philosophy must be done philosophically that is it must include philosophical judgments The second is that one way to bring a rapprochement between Anglo American and Continental philosophy is through the study of the history of philosophy and its historiography An extensive bibliography of pertinent materials and detailed indexes close the book *Philosophy and Its History* Mogens Lærke, Justin E. H. Smith, Eric Schliesser, 2013-06-14 This volume collects contributions from leading scholars of early modern philosophy from a wide variety of philosophical and geographic backgrounds The distinguished contributors offer very different competing approaches to the history of philosophy Many chapters articulate new detailed methods of doing history of philosophy These present conflicting visions of the history of philosophy as an autonomous sub discipline of professional philosophy Several other chapters offer new approaches to integrating history into one s philosophy by re telling the history of recent philosophy A number of chapters explore the relationship between history of philosophy and history of science Among the topics discussed and debated in the volume are the status of the principle of charity the nature of reading texts the role of historiography within the history of philosophy the nature of establishing proper context Philosophy and Its Past Jonathan Rée, Michael Ayers, Adam Westoby, 1978 Philosophy in History Richard Rorty, Jerome B. Schneewind, Quentin Skinner, 1984-11-08 Lectures delivered as a series at Johns Hopkins University during 1982 83 Philosophy and Its Past Jonathan Rée, Michael Richard Ayers, Adam Westoby, 1978 **Philosophy Through Its Past** Ted Honderich, 1984

Philosophy, its History and Historiography Alan J. Holland, 2013-06-29 The Royal Institute of Philosophy has been sponsoring conferences in alternate years since 1969 These have from the start been intended to be of interest to persons who are not philosophers by profession They have mainly focused on interdisciplinary areas such as the philosophies of psychology education and the social sciences The volumes arising from these conferences have included discussions between philosophers and distinguished practitioners of other disciplines relevant to the chosen topic Beginning with the 1979 conference on Law Morality and Rights and the 1981 conference on Space Time and Causality these volumes are now constituted as a series It is h **Philosophy and Its History** Mogens Laerke, Justin E. H. Smith, Eric Schliesser, 2013-08-01 This volume collects contributions from leading scholars of early modern philosophy from a wide variety of philosophical and geographic backgrounds The distinguished contributors offer very different competing approaches to the history of philosophy *The Relevance of Hegel's Concept of Philosophy* Luca Illetterati, Giovanna Miolli, 2021-12-16 In a systematic

treatment of Hegel's concept of philosophy and all of the different aspects related to it this collection explores how Hegel and his understanding of his discipline can be put into dialogue with current metaphilosophical inquiries and shed light on the philosophical examination of the nature of philosophy itself Taking into account specific aspects of Hegel's elaboration on philosophy such the scientificity of philosophy as a self-grounding rational process and his explanation of the relationship between philosophy and the history of philosophy an international line up of contributors consider Hegel's concept of philosophy in general from skepticism idealism history and difference to time politics and religion The relation of Hegel's concept of philosophy to other philosophical traditions and philosophers including Kant Fichte Schelling and Jacobi Hegel's concept of philosophy with reference to philosophy's relation to other forms of rationality and disciplines The relation of Hegel's concept of philosophy to specific issues in present metaphilosophical debates Reflecting the renewed and widespread interest in Hegel seen in Analytic philosophy and Continental thought this volume advances study of Hegel's conceptual tools and provides new readings of traditional philosophical problems

Historiographies of Philosophy 1800-1950 Mogens Lærke, Leo Catana, 2023-09-12 This volume discusses ways in which the history of philosophy has been written from 1800 to 1950 and how it has been informed and guided by institutional cultural political philosophical and non philosophical factors Since its inception as a discipline histories of philosophy have been written in different ways depending on author place and time they have varied according to institutional frameworks cultural settings and philosophical and non philosophical contexts At each stage of the discipline's development and evolution philosophy has constantly used the history of philosophy for its own purposes by adapting it transforming it rejecting it embracing it and rewriting it at every step of the way The chapters in this book examine the methods deployed by historians of philosophy epistemological foundations laid down for those methods and the philosophical or non philosophical aims pursued using those methods This book will be a great resource for academics researchers and advanced students of philosophy and related fields including political philosophy and history of philosophy It was originally published as a special issue of the British Journal for the History of Philosophy

Materialism: its history and influence on society ... Translated by Alexander Loos Friedrich Carl Christian Ludwig BUECHNER, 1873

Philosophy's Moods: The Affective Grounds of Thinking Hagi Kenaan, Ilit Ferber, 2011-08-13 Philosophy's Moods is a collection of original essays interrogating the inseparable bond between mood and philosophical thinking What is the relationship between mood and thinking in philosophy In what sense are we always already philosophizing from within a mood What kinds of mood are central for shaping the space of philosophy What is the philosophical imprint of Aristotle's wonder Kant's melancholy Kierkegaard's anxiety or Nietzsche's shamelessness Philosophy's Moods invites its readers to explore the above questions through diverse methodological perspectives The collection includes twenty one contributions by internationally renowned scholars as well as younger and emerging voices In pondering the place of the subjective and personal roots that thinking is typically called to overcome the book challenges and articulates

an alternative to a predominant tendency in philosophy to view the theoretical content and the affective side of thought as opposed to one another **The Idea of Development Between its Past and its Future** LIT Verlag,2020-01-01 Ideas play a more crucial role in history than they appear to do at first sight If not sufficiently scrutinized they sometimes lead to results far divergent from the initial intentions of those who put them forth as lines of orientation for practice This seems to be also the case with the idea of development which has marked social and political practice in the second half of the 20th Century In this volume philosophers from different parts of the world discuss and attempt to evaluate from epistemological and ethical points of view the idea of development as the principal objective of national and international policies during the past few decades **A Companion to Intellectual History** Richard Whatmore,Brian Young,2015-11-06 A Companion to Intellectual History provides an in depth survey of the practice of intellectual history as a discipline Forty newly commissioned chapters showcase leading global research with broad coverage of every aspect of intellectual history as it is currently practiced Presents an in depth survey of recent research and practice of intellectual history Written in a clear and accessible manner designed for an international audience Surveys the various methodologies that have arisen and the main historiographical debates that concern intellectual historians Pays special attention to contemporary controversies providing readers with the most current overview of the field Demonstrates the ways in which intellectual historians have contributed to the history of science and medicine literary studies art history and the history of political thought Named Outstanding Academic Title of 2016 by Choice Magazine a publication of the American Library Association **Christian Education: Its History and Philosophy** Kenneth O. Gangel,Warren S. Benson,2002-03-05 A history of Christian education must not be confused with a record of the achievements of the Sunday School The discipline has advanced well beyond that stage and today s sophisticated students fully understand that no proper concept of the history and philosophy of Christian education can be gained without seeing all the ramifications implications and influences that have affected it from pre Christian times to the present So Drs Gangel and Benson have written this book a historical flow of philosophical thought from a Christian point of view Its focus is cultural biographical discussing each philosophy in its particular socio historical setting and giving special attention to significant individuals The format is chronological beginning with education in biblical times working upward through history to arrive at the present and beyond raising questions and issues for the future **At the Nexus of Philosophy and History** Bernard P. Dauenhauer,2010-12-01 The relationship between philosophy and history has long been a matter of contention Philosophers have claimed that their pursuit of universal law and eternal verities elevated them beyond historians who merely dabbled with the vagaries of the particular and the contingent Historians responded with the argument that philosophy was important only in relation to its contribution to concrete historical truth A greater challenge for both philosophers and historians than the defense of either of these positions has been to understand the convoluted issues surrounding the intersection of their respective disciplines In *At the Nexus of Philosophy and History* Bernard P

Dauenhauer has collected eleven essays that explore the relationship between the two disciplines and provide a significant innovative response to the problems created by such exploration The original essays collected in this volume challenge the artificial distinctions and disciplinary parochialism that have too often characterized traditional academic debate Instead of advancing any one elaborate theory At the Nexus of Philosophy and History seeks to encourage a balanced approach toward the exploration of the two fields by demonstrating that a full understanding of the one is impossible without knowledge of the other

Michael Oakeshott and the Cambridge School on the History of Political Thought Martyn P.

Thompson,2019-05-20 This book is a critique of Cambridge School Historical Contextualism as the currently dominant mode of history of political thought drawing upon Michael Oakeshott's analysis of the logic of historical enquiry While acknowledging that the early Cambridge School work represented a considerable advance towards genuinely historical histories of political thought this work identifies two major historiographical problems that have become increasingly acute The first is general an insufficiently rigorous understanding of the key concept of pastness necessarily presupposed in historical enquiry of all kinds The second is specific to histories of political thought a failure to do justice to the varieties of past political thinking especially differences between ideology and philosophy In addressing these problems the author offers a comprehensive account of the history of political thought that establishes the parameters not just of histories of ideological thinking but also of the much disputed character of histories of political philosophy Since rethinking history of political thought in Oakeshottian terms requires resisting current pressures to turn history into the servant of currently felt needs the book offers a sustained defence of the cultural value of modernist historical enquiry against its opponents An important work for political theorists historians of political thought and those researching intellectual history the philosophy of history and proposed new directions in contemporary historical studies

Philosophy's Future Russell Blackford,Damien

Broderick,2017-04-25 Philosophy's Future The Problem of Philosophical Progress diagnoses the state of philosophy as an academic discipline and calls it to account inviting further reflection and dialogue on its cultural value and capacity for future evolution Offers the most up to date treatment of the intellectual and cultural value of contemporary philosophy from a wide range of perspectives Features contributions from distinguished philosophers such as Frank Jackson Karen Green Timothy Williamson Jessica Wilson and many others Explores the ways philosophical investigations of logic world mind and moral responsibility continue to shape the empirical and theoretical sciences Considers the role of contemporary philosophy in political issues such as women's rights the discrimination of minorities and public health

System and History in

Philosophy Adriaan Theodoor Peperzak,1986-07-15 The book begins with the problem of the relationship between systematic philosophy and the history of philosophy Why does philosophy attach so much importance to history Consideration of this question is an essential part of metaphysics and it has important consequences for the methodology of both history and philosophy An analysis of the problem that begins the book leads to many other fundamental questions concerning the

nature of philosophy In treating these issues the author discusses positions taken on them by Russell Rorty Heidegger
Gadamer Levinas Ricoeur Derrida and others of our century He also draws inspiration from Plato Plotinus Augustine Spinoza
Kant Hegel and Nietzsche Ordering of Time George Lucas, 2020-09-25 George Lucas sweeps aside the constraints of
traditional methodological and cultural boundaries to answer the profound issues concerning the history of philosophy

Philosophy And Its Past Introduction

In the digital age, access to information has become easier than ever before. The ability to download Philosophy And Its Past has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Philosophy And Its Past has opened up a world of possibilities. Downloading Philosophy And Its Past provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Philosophy And Its Past has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Philosophy And Its Past. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Philosophy And Its Past. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Philosophy And Its Past, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Philosophy And Its Past has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular

choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Philosophy And Its Past Books

1. Where can I buy Philosophy And Its Past books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
