Philosophy Of Sex And Love An Introduction

Alan Soble

Philosophy Of Sex And Love An Introduction:

Philosophy of Sex and Love Alan Soble, 2008-09 This introductory textbook is an overview of the nature and the ethics of the many aspects of sex and love Provided by publisher **Philosophy of Love, Sex, and Marriage** Raja Halwani, 2010-05-26 How is love different from lust or infatuation Do love and marriage really go together like a horse and carriage Does sex have any necessary connection to either And how important are love sex and marriage to a well lived life In this lively lucid and comprehensive textbook Raja Halwani pursues the philosophical questions inherent in these three important aspects of human relationships exploring the nature uses and ethics of romantic love sexuality and marriage The book is structured in three parts Love begins by examining how romantic love differs from other types of love such as friendship and parental love It asks which properties of love are essential whether people have a choice in whom they love and whether lovers have moral obligations to one another that differ from those they owe to others Sex demonstrates the difficulty in defining sex and the sexual and examines what constitutes good and bad sex in terms of pleasure naturalness and moral permissibility It offers theoretical and applied ethical approaches to a wide range of sexual phenomena Marriage traces the history of the institution and describes the various forms in which marriage exists and the reasons why people marry It also surveys accounts of why people should or should not marry and introduces the main arguments for and against gay marriage Features include suggestions for further reading online eResource site with downloadable discussion questions a clear jargon free writing style Philosophy of Sex and Love Patricia Marino, 2019-03-13 Writing for non specialists and students as well as for fellow philosophers this book explores some basic issues surrounding sex and love in today s world among them consent objectification non monogamy racial stereotyping and the need to reconcile contemporary expectations about gender equality with our beliefs about how love works Author Patricia Marino argues that we cannot fully understand these issues by focusing only on individual desires and choices Instead we need to examine the social contexts within which choices are made and acquire their meanings That perspective she argues is especially needed today when the values of individualism self expression and self interest permeate our lives Marino asks how we can fit these values which govern so many areas of contemporary life with the generosity caring and selflessness we expect in love and sex Key Features of *Philosophy of Sex and Love* An Opinionated Introduction Offers a contemporary problems based approach to the subject helping readers better understand and address current issues and controversial questions Includes coverage of sex and love as they intersect with topics like disability race medicine and economics Considers not only the ethical but also the broadly social and political dimensions of sex and love Includes a helpful introduction and conclusion in each chapter and is written throughout in a clear and straightforward style with examples and signposts to help guide the student and general reader A comprehensive and up to date bibliography provides a valuable tool for anyone s further research **The Philosophy of Sex** Raja Halwani, Alan Soble, Sarah Hoffman, Jacob M. Held, 2017-09-15 This best selling volume examines the nature

morality and social meanings of contemporary sexual phenomena Updated and new discussion questions offer students starting points for debate in both the classroom and the bedroom

Philosophy of Sex and Love Patricia Marino, Taylor & Francis Group, 2018-07-15 From the 1970s until recently philosophers' discussions about sex and love have tended to dwell on certain metaphysical questions e.g. whether we have reasons to love or in ethics on questions about perversion and normalcy In the last few years however philosophers have foregrounded political concerns and begun to focus on a wide range of emerging social issues In this student friendly introduction to the subject Patricia Marino offers a contemporary approach to sex and love highlighting the social political and economic problems at play in issues like same sex marriage sexual objectification ethical non monogamy and many more relevant topics that will interest readers today This is the first fully contemporary introduction to the philosophy of sex and love and provides ample coverage of theories across the spectrum of philosophical ideas It is written to be accessible and useful for undergraduates and includes helpful overviews for each chapter

Philosophy Sex Love Alan Soble, 1998-04-09 A survey of the analytic and normative approaches taken to the subject by conservatives religion liberals feminists and others Topics addressed include the nature of sexual pleasure sexual desire and sexual activity the relationship between judgments about the psychological biological and social nature of human beings and judgments that certain sexual behaviors or desires are sexually perverted the possibility of constructing principles of sexual ethics the moral and social issues of rape pornography prostitution adultery promiscuity masturbation abortions and contraception and how issues within the philosophy of sex and love look different once gender is taken into account

Sex, Love, and Gender Helga Varden, 2020-05-27 Sex Love and Gender is the first volume to present a comprehensive philosophical theory that brings together all of Kant's practical philosophy found across his works on ethics justice anthropology history and religion and provide a critique of emotionally healthy and morally permissible sexual loving gendered being By rethinking Kant's work on human nature and making space for sex love and gender within his moral accounts of freedom the book shows how despite his austere and even anti sex cisist sexist and heterosexist reputation Kant's writings on happiness and virtue Part I and right Part II in fact yield fertile philosophical ground on which we can explore specific contemporary issues such as abortion sexual orientation sexual or gendered identity marriage trade in sexual services and sex or gender based oppression Indeed Kant's philosophy provides us with resources to appreciate and value the diversity of human ways of loving and the existential importance of our embodied social selves Structured on a thematic basis with introductions to assist those new to Kant's philosophy this book will be a valuable resource for anyone who cares about these issues and wants to make sense of them

[The Meanings of Love](#) Robert E. Wagoner, 1997-05-21 This introductory text offers a clear concise look at the philosophy of love The author's presentation assumes no previous knowledge of philosophy providing the humanities student with an insightful introduction to some of the most prominent writers and philosophers both ancient and modern From the dialogues of Plato to the writings

of feminist philosopher Luce Irigaray Wagoner presents six major ideas of love erotic love Christian love romantic love moral love love as power and mutual love This study asserts that even though we have only one word for love six fundamentally different meanings can be distinguished erotic love Christian love romantic love moral love love as power and mutual love Wagoner identifies each of these ideas of love in terms of the special meaning it brings to experience No one meaning is comprehensive Each is shown to have a logic and legitimacy of its own Why each view seems real and compelling is the focus of separate discussions as well as the price that may be exacted by each idea The extent to which these ideas throw light on actual experience is striking but the book is not an empirical or psychological inquiry How one self finds itself in another is first defined and then explored further to see how this shapes the rational and sexual aspects of life [Sex in Theory](#) Brian Besong, 2025-08-23 This volume explores the major moral theories and their distinctive approaches and controversial implications regarding sex Despite being a commonplace human activity contemporary discussions of the norms regarding sex particularly those that connect with the major moral theories are relatively rare This volume shows that the relative silence is important for all the major moral theories appear to have controversial implications about the morality and value of sex Consequently either widespread Western assumptions about sex are mistaken or else the major moral theories have serious problems when it comes to the ethics of the bedroom Adopting a metaethical Mooreanism about our sexual intuitions offers a potential compromise such that some of the more novel and controversial Western intuitions are abandoned with resulting room for at least one moral theory to remain viable **Sexual Ethics in a Secular Age** Eric Silverman, 2021-03-30 This collection features essays from top experts in ethics and philosophy of love that offer varying perspectives on the value of a contemporary secular virtue of chastity The virtue of chastity has traditionally been portrayed as an excellent personal disposition concerning the ideal ordering of sexual desire such that the person desires that which is actually good for both the self and others affected by his or her sexual desires and actions Yet for roughly the past half century chastity has been increasingly portrayed as an unnecessary ideal with few secular benefits that could not be otherwise obtained Instead chastity is sometimes portrayed as an odd kind of religious asceticism with few secular benefits The essays in this volume ask whether there may be advantages to reconsidering a contemporary virtue of chastity A recovered and reconceptualized concept of chastity can offer partial solutions to problems associated with externalized sexual desire including sweeping patterns of sexual harassment the high divorce relationship failure rate and widespread pornography use *Sexual Ethics in a Secular Age* will appeal to researchers and advanced students interested in the philosophy of sex and love virtue ethics and philosophical accounts of secularity *Desire, Love, and Identity* Gary Foster, 2017 An engaging and accessible introduction to the subject this text explores love and sex as defining features of our identity Through thirty nine classic and contemporary articles as well as original contributions written by emerging voices in the field *Desire Love and Identity* covers a wide range of topics such as sexual objectification the ethics of sex work love and

sex online friendship polyamory and BDSM *Institutional Violence* Deane Curtin, Robert Litke, 2022-05-20 Violence can be physical and psychological It can characterize personal actions forms of group activity and abiding social and political policy This book includes all of these aspects within its focus on institutional forms of violence Institution is also a broad category ranging from formal arrangements such as the military the criminal code the death penalty and prison system to more amorphous but systemic situations indicated by parenting poverty sexism work and racism Violence is as complex as the human beings who resort to it its institutional forms pervade our relational lives We are all participants in it as victims and perpetrators The chapters in this book were written in the hope that violence can be explicated even if not fully understood and that such clarification can help us in devising less violent forms of living even if it does not lead to its total abolition The studies bring new aspects of violence to light and offer a number of suggestions for its remedy *French Existentialism*, 2021-11-15 This book is a critical appraisal of the distinctive modern school of thought known as French existentialism It philosophically engages the ideas of the major French existentialists namely Beauvoir Merleau Ponty Marcel Camus and because of his central role in the movement especially Sartre in a fresh attempt to elucidate their contributions to contemporary philosophy **The Problem of Evil**, 2022-04-19 This book is an intercultural exploration of the full scope of evil The problems of evil have beset humanity throughout the ages and continue to trouble us The studies here examine evil in Asian thought in Western theory in the cosmic order in human psychology and in social practice Insights are added to the philosophical discussions from religion culture history law technology and literature *Richard Rorty* Richard Rumana, 2021-12-13 Demonstrating Richard Rorty's breadth of scholarship and his influence on diverse issues across the social sciences and humanities this comprehensive bibliography contains 1 165 citations A unique reference work on neo pragmatism this bibliography is essential for anyone researching Rorty's work and its impact on philosophy literature the arts religion the social sciences politics and education **Cultural Beings** Yuval Lurie, 2021-12-28 Human beings are a cultural species This predicament enables them to take on many different cultural identities all of which transcend the bounds of natural behavior of other species To contemplate this predicament through philosophy is to reflect on such questions as What makes cultural forms of life possible What is encompassed in them What lies at their core What distinguishes them from natural forms of life What brings them about sustains and causes them to change Philosophical answers to these questions predate abstract ways of thinking as they are sometimes embedded in ancient mythical and religious narratives Such is the story told in the first three chapters of the book of Genesis in the Bible revealing how human beings became the cultural beings that they are This study suggests how that ancient and most celebrated story in the literature of the West may be read as harboring insightful philosophical observations on the cultural nature of human beings It first focuses on the very concept of cultural forms of life revealing its complicated conceptual links to natural forms of life It then offers an interpretive framework for reading mythical symbolic narratives Using these ideas it provides a

philosophical reading of the Biblical narrative disclosing it to harbor a metaphysically oriented conception of nature and two insightful philosophical overviews of the cultural nature of human beings Both overviews endow human beings with an ability to manipulate nature but in different ways the first by subjugating parcels of nature to human will the second by subjugating human beings themselves to a value laden conception of things and ethical forms of life Thus human beings are portrayed as natural creatures possessed of a cultural nature that enables them to transform nature and recreate themselves through their unique cultural predicament

Conversations with Pragmatism, 2021-11-08 This book represents the reflections of scholars coming from varied disciplinary backgrounds who have found a conversation partner in pragmatism The conversations recorded here demonstrate pragmatism s versatility and contemporary relevance Whether it be rhetoric literature philosophy religion or social psychology pragmatism provides the contributors fruitful insights into and methods of examining both practical and theoretical issues

Thomas Mann and Friedrich Nietzsche Caroline Joan (Kay) S. Picart, 2022-07-11 Traditional interpretations of Thomas Mann s relation to Nietzsche s writings plot out a simple relation of earlier adulation and later rejection The book argues that Mann s disavowal of Nietzsche s influence was in the words of T J Reed a necessary political act when the repudiation of Nietzsche s more hysterical doctrines required such a response Using a genealogical method the book traces how Mann labors ambivalently under the shadow of Nietzsche s writings on his own political artistry through a detailed analysis of Mann s *Death in Venice* *Dr Faustus* the *Joseph tetralogy* and *Confessions of Felix Krull* *Confidence Man* Using the recurring Nietzschean themes of eroticism death music and laughter as a guide it arrives at a rough picture of how Mann both takes up and discontinues Nietzsche s poetic heritage The book derives the vision of the interrelationships binding these four leitmotiv elements from D rer s magic square as depicted in *Melancholia I* The link with D rer is far from arbitrary because Mann directly aligned Nietzschean insight with D rer s world of passion sympathy with suffering the macabre stench of rotting flesh and Faustian melancholy

Quantum Learning Beyond Duality Conrad P. Pritscher, 2001 This book shows quantum learning is the resource that unites parts into wholes and then wholes into continually larger wholes Just as quantum computers can regard sub atomic particles as a wave and as particles quantum learning can understand learners as simultaneously nondual whole and dual part The study includes a reconsideration of clarity in expression and thought

The Ethics of Homelessness, 2021-11-22 This book extends the study of homelessness beyond the need of shelter Philosophical exploration exposes the fragility of human fulfillment in contemporary society The authors weave the moral fabric of what it means to be human They show how economic and political values compromise the dignity of homeless persons They argue for recognition of rights for the homeless who otherwise would be voiceless and without membership in the moral community This pioneering contribution instills our moral sensitivity to the homeless condition and justifies our moral responsibility to change that condition

Immerse yourself in the artistry of words with is expressive creation, Discover the Artistry of **Philosophy Of Sex And Love An Introduction** . This ebook, presented in a PDF format (*), is a masterpiece that goes beyond conventional storytelling. Indulge your senses in prose, poetry, and knowledge. Philosophy Of Sex And Love An Introduction Introduction

In today's digital age, the availability of Philosophy Of Sex And Love An Introduction books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Philosophy Of Sex And Love An Introduction books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Philosophy Of Sex And Love An Introduction books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Philosophy Of Sex And Love An Introduction versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Philosophy Of Sex And Love An Introduction books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Philosophy Of Sex And Love An Introduction books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Philosophy Of Sex And Love An Introduction books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer

academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Philosophy Of Sex And Love An Introduction books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Philosophy Of Sex And Love An Introduction books and manuals for download and embark on your journey of knowledge?

FAQs About Philosophy Of Sex And Love An Introduction Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Philosophy Of Sex And Love An Introduction is one of the best book in our library for free trial. We provide copy of Philosophy Of Sex And Love An Introduction in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Philosophy Of Sex And Love An Introduction. Where to download Philosophy Of Sex And Love An Introduction online for free? Are you looking for Philosophy Of Sex And Love An Introduction PDF? This is definitely going to save you time and cash in something you should think about.
