Philosophy of Theism Alexander Campbell Fraser, 2015-06-12 Excerpt from *Philosophy of Theism* Being the Gifford Lectures Delivered Before the University of Edinburgh in 1894 95 My first words must give expression to the emotion which I feel on finding myself once more admitted to speak officially within the walls of this ancient university with which as student graduate and professor I have been connected for sixty years For it is sixty years in this November since I first cast eyes of wonder on the academic walls which now carry so many memories in my mind and which to day are associated with an extraordinary responsibility About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books
