The Will to Believe and Other Essays in Popular Philosophy William James, 1979 This is the sixth volume to be published in The Works of William James an authoritative edition sponsored by the American Council of Learned Societies

William James William James, 1971 Essays in Radical Empiricism William James, 2013-03-05 This vintage book comprises Henry James's seminal philosophical treatise *Essays in Radical Empiricism* The ideas outlined within this text underpin James's work and are key to understanding the mind of this most important of philosophical thinkers This volume will be of considerable utility to the student of philosophy and those with a keen interest in this influential work It makes for a veritable must have for collectors of seminal philosophical works The chapters of this book include Does consciousness Exist A World Of Pure Experience The Thing And Its Relations How Two Minds Can Know One Thing The Place Of Affectional Facts In A World Of Pure Experience The Experience Of Activity etcetera William James 1842-1910 was an American philosopher psychologist and trained physician He is hailed as one of the most influential philosophers the United States has ever produced We are republishing this book now complete with a specially commissioned new biography of the author

The Writings of William James William James, 1967 **The Philosophy of William James** Richard M. Gale, 2005 This is an accessible introduction to the full range of the philosophy of William James It portrays that philosophy as containing a deep division between a Promethean type of pragmatism and a passive mysticism The pragmatist James conceives of truth and meaning as a means to control nature and make it do our bidding The mystic James eschews the use of concepts in order to penetrate to the inner conscious core of all being including nature at large Richard Gale attempts to harmonize these pragmatic and mystical perspectives William James: Writings 1902-1910 (LOA #38) William James, 1988-02-01

Philosopher and psychologist William James was the best known and most influential American thinker of his time The five books and nineteen essays collected in this Library of America volume represent all his major work from 1902 until his death in 1910 Most were originally written as lectures addressed to general audiences as well as philosophers and were received with great enthusiasm His writing is clear energetic and unpretentious and is marked by the devotion to literary excellence he shared with his brother Henry James In these works William James champions the value of individual experience with an eloquence and enthusiasm that has placed him alongside Emerson and Whitman as a classic exponent of American democratic culture In *The Varieties of Religious Experience* 1902 James explores the very inner citadel of human life by focusing on intensely religious individuals of different cultures and eras With insight compassion and open mindedness he examines and assesses their beliefs seeking to measure religion's value by its contributions to individual human lives In *Pragmatism* 1907 James suggests that the conflicting metaphysical positions of tender minded rationalism and tough minded

empiricism be judged by examining their actual consequences Philosophy James argues should free itself from unexamined principles and closed systems and confront reality with complete openness In *A Pluralistic Universe* 1909 James rejects the concept of the absolute and calls on philosophers to respond to the real concrete sensible flux of life Through his discussion of Kant Hegel Henri Bergson and religion James explores a universe viewed not as an abstract block but as a rich manyness in oneness full of independent yet connected events *The Meaning of Truth* 1909 is a polemical collection of essays asserting that ideas are made true not by inherent qualities but by events James delights in intellectual combat stating his positions with vigor while remaining open to opposing ideas *Some Problems of Philosophy* 1910 was intended by James to serve both as a historical overview of metaphysics and as a systematic statement of his philosophical beliefs Though unfinished at his death it fully demonstrates the psychological insight and literary vividness James brought to philosophy Among the essays included are the anti imperialist *Address on the Philippine Question* *On Some Mental Effects of the Earthquake* a candid personal account of the 1906 California disaster and *The Moral Equivalent of War* a call for the redirection of martial energies to peaceful ends as well as essays on Emerson the role of university in intellectual life and psychic research

LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation s literary heritage by publishing and keeping permanently in print America s best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries

Some Problems of Philosophy William James, 1979 Step by step the reader is introduced through analysis of the fundamental problems of Being the relation of thoughts to things novelty causation and the Infinite to the original philosophical synthesis that James called radical empiricism This is the seventh volume to be published in *The Works of William James*

Some Problems of Philosophy William James, 1916 The Philosophy of William James Howard Vicenté Knox, 2010 *The Varieties of Religious Experience* William James, 1985 *The Varieties of Religious Experience* A Study in Human Nature is a book by Harvard University psychologist and philosopher William James It comprises his edited Gifford Lectures on natural theology which were delivered at the University of Edinburgh Scotland between 1901 and 1902

The Philosophy of William James William James, 1953 **The Principles of Psychology** William James, 1983-01-01 The publication of William James s acknowledged masterpiece marked a turning point in the development of psychology as a science in America This new paperback edition of *The Principles Psychology* prepared according to modern standards of textual scholarship presents the complete authoritative text all of the changes James made in the eight printings he supervised as well as the revisions he added to his own copy It includes footnotes more than eighty drawings and James s index

The Meaning of Truth William James, 1975 First published in 1909 one year before his death philosopher William James collected several essays into this volume meant as a sequel to his book *Pragmatism* He wanted to clarify his definition of the truth and respond

to criticism of his previous book **The Philosophy of William James** William James (filosoof),1930 **The philosophy of William James** Walter Robert Corti,1976-07-01 This book contains the papers of the Fourth Seminar in American Philosophy that was held in Winterthur Switzerland September 3 7 1973 The subject of the seminar was the Philosophy of William James which can be described as pragmatism James himself understood by it a new name for old ways of thinking and put life practice and action in the centre of his thinking not the thinking itself as he regarded it as a new achievement in the development of mankind **The Philosophy of William James** Howard Vicenté Knox,1914 Essays in Religion and Morality William James,1982 Essays in Religion and Morality brings together a dozen papers of varying length to these two themes so crucial to the life and thought of William James Reflections on the two subjects permeate first James s presentation of his father s Literary Remains second his writings on human immortality and the relation between reason and faith third his two memorial pieces one on Robert Gould Shaw and the other on Emerson fourth his consideration of the energies and powers of human life and last his writings on the possibilities of peace especially as found in his famous essay The Moral Equivalent of War These speeches and essays were written over a period of twenty four years The fact that James did not collect and publish them himself in a single volume does not reflect on their intrinsic worth or on their importance in James s philosophical work since they include some of the best known and most influential of his writings All the essays throughout their varied subject matter are consistently and characteristically Jamesian in the freshness of their attack on the problems and failings of humankind and in their steady faith in human powers **The Philosophy of William James, Selected From His Chief Works; With an Introd. by Horace M. Kallen** William James,1925 *The Philosophy of William James, Selected from His Chief Works* William James,1942

FAQs About Philosophy Of William James Books

What is a Philosophy Of William James PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Philosophy Of William James PDF?** There are several ways to create a PDF: Use software

like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Philosophy Of William James PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Philosophy Of William James PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Philosophy Of William James PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
