## **Phineas Redux Worlds Classics S:**

**Phineas Redux (1874) Novel by Anthony Trollope (World's Classics).** Anthony Trollope, 2016-01-28 Phineas Redux is a novel by Anthony Trollope first published in 1873 as a serial in The Graphic It is the fourth of the Palliser series of novels and the sequel to the second book of the series Phineas Finn His beloved wife having died in childbirth Phineas Finn finds Irish society and his job as a Poorhouse Inspector dull and unsatisfying after the excitement of his former career as a Member of Parliament Back in England the Whigs are determined to overturn the Tory majority in Parliament As Finn had been considered the most promising of the younger set he is encouraged to stand for parliament again Returning to London he renews his acquaintance with the wealthy widow Madame Max Goesler In the past she had offered to marry him and had been gently turned down after an awkward first encounter they renew their friendship **Phineas Redux** Anthony Trollope, 2011-11-10 It is no good any longer having any opinion upon anything After the death of his wife the handsome politician Phineas Finn returns from Ireland to the parliamentary fray In his absence the political and social world has subtly changed parties and policies no longer fixed and advancement dependent upon scheming and alliances His private life lays him open to the scandal mongering press and the wild accusations of an unhinged rival but much more than his reputation is at stake when he is accused of murdering a political opponent Trollope shows a remarkably prescient sense of the importance of intrigue bribery and sexual scandal and the power of the press to make or break a political career He is equally skilled in portraying the complex nature of Phineas s romantic entanglements with three powerful women the mysterious Madame Max the devoted Laura Kennedy and the irrepressible Lady Glencora now Duchess of Omnium The fourth of Trollope s Palliser novels Phineas Redux is one of his most spellbinding achievements and the first modern media novel ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more **Phineas Redux** Beyond Words Press, Anthony Trollope, 2020-08-31 His beloved wife having died in childbirth Phineas Finn finds Irish society and his job as a Poorhouse Inspector dull and unsatisfying after the excitement of his former career as a Member of Parliament Back in England the Whigs are determined to overturn the Tory majority in Parliament As Finn had been considered the most promising of the younger set he is encouraged to stand for parliament again This is the fourth of the Palliser series of novels and the sequel to the second book of the series Phineas Finn In the fourth of the Palliser stories Trollope follows Phineas Finn s return to the dangerous world of Westminster politics When his political rival is murdered Phineas is thrown under suspicion and eventually finds himself standing trial at the Old Bailey The situation is complicated by the presence of two women in his life his old flame Lady Laura whose estranged husband is determined to destroy Phineas s reputation and the wealthy and enigmatic widow Madame Max

Phineas Redux Anthony Trollope, 2023-01-14T07:13:57Z At the end of Phineas Finn the second of Anthony Trollope's Palliser series Phineas has abandoned his parliamentary career accepted a sinecure in the civil service in Dublin and married his Irish sweetheart As Phineas Redux begins he is a widower and tired of Dublin life Fortunately for him his friends in London believe he might be enticed back to take a role as a member of Parliament in the face of the latest political crisis Phineas answers the call but all does not turn out as planned His friends welcome him back but even this involves serious social complications And it transpires even the likable Phineas Finn has political enemies who wish to spoil his return to public life Along the way Phineas continues to deepen his understanding of both personal and public politics As in *The Eustace Diamonds* Trollope weaves high drama into his plot but refuses to keep secrets from his readers Far from having a dampening effect on the tension the focus of Trollope's art directs his readers attention to the psychological conflicts that arise At this point in the series something of Trollope's own political disappointments begin to cast a shadow over the maneuvers and machinations of both local and parliamentary politics There is still a nobility about public service though of which Trollope never loses sight and which will play a larger role as the series moves towards its conclusion This book is part of the Standard Ebooks project which produces free public domain ebooks *The Red and the Black (World's Classics Series)* Stendhal, 2023-12-01 Stendhal's *The Red and the Black* a quintessential work of 19th century French literature intricately weaves the ambitions and anxieties of its protagonist Julien Sorel against the backdrop of post Napoleonic France The novel employs a realist style marked by psychological depth and societal critique exploring themes of class struggle ambition and the dichotomy between passion and social pretense Stendhal masterfully employs irony and rich character development inviting readers to dissect the complexities of human desire and the moral dilemmas stemming from societal expectations Stendhal born Henri Beyle was greatly influenced by his tumultuous experiences during the Napoleonic era as well as his profound interest in psychology and art His keen observation of human behavior and the tensions of contemporary society informed his literary endeavors making him a pioneer of modern psychological fiction *The Red and the Black* reflects Stendhal's fascination with the intricacies of ambition and the sometimes ruthless pursuit of one's dreams within the stratified fabric of society This engrossing novel is essential reading for anyone interested in understanding the psychological underpinnings of ambition and the interplay of social classes Stendhal's incisive prose and compelling narrative make *The Red and the Black* not just a historical account but a timeless exploration of the human condition earning its rightful place in the canon of classic literature **Barchester Towers** Anthony Trollope, 2014 *Barchester Towers* 1857 was the book that made Trollope's reputation and it remains his most popular and enjoyable novel The arrival of a new bishop in Barchester sets the town in turmoil who will come out on top in the battle between the archdeacon the bishop Mr Slope and Mrs Proudie *Catalog of Reprints in Series* Robert Merritt Orton, 1958 **Constructions of 'the Jew' in English Literature and Society** Bryan Cheyette, 1995-10-26 Combining cultural theory discourse analysis and new historicism with readings of the

works of major contemporary authors this study concludes that the Jew is characterized unstereotypically as the embodiment of uncertainty within English literature and society

**Trollope Centenary Essays** John Halperin, 2016-01-06 *Trollope and Women* Margaret Markwick, 1997-01-01 Trollope is usually seen as a faithful mirror of Victorian England both in providing intimate details of contemporary life and in endorsing the moral attitudes and certainties of the period His powers of empathy make his characters convincing and knowable in an astonishing way Yet the Victorians restricted women to the house and severely limited their rights and opportunities Trollope and Women examines the conundrum of how a great novelist could both accept the conventional values of the time and yet be able to see and sympathise with the impossible situations in which Victorian women often found themselves Margaret Markwick shows the individuality of Trollope's women even conventional Angel in the House heroines like Mary Lowther in *The Vicar of Bullhampton* can surprise us at times More tellingly he cannot help giving some of his less angelic characters such as the vivacious Lizzie Eustace in *The Eustace Diamonds* his unwilling admiration His range extends beyond simple romance to the realistic handling of marriages both happy and unhappy and to the treatment of bigamy and scandal He shows men and women getting on together as well as fighting bitterly Nor are Trollope's novels as devoid of sex as has often been thought

**The Art of Eloquence** Matthew Bevis, 2007-08-09 Matthew Bevis examines the relations between public speaking and literary expression in the lives and work of Byron Dickens Tennyson and Joyce Paying close attention to the procedures languages and styles of oratory reported in the newspapers and Hansard Bevis offers a new understanding of novels and poetry in relation to the public sphere in the 19th and early 20th centuries

**Ivanhoe** Walter Scott, 1998-06-18 More than a century after the Norman Conquest England remains a colony of foreign warlords The dissolute Prince John plots to seize his brother's crown his barons terrorize the country and the mysterious outlaw Robin Hood haunts the ancient greenwood The secret return of King Richard and the disinherited Saxon knight Ivanhoe heralds the start of a splendid and tumultuous romance featuring the tournament at Ashby de la Zouche the siege of Torquilstone and the clash of wills between the wicked Templar Bois Guilbert and the sublime Jewess Rebecca In *Ivanhoe* Scott fashioned an imperial myth of national cultural identity that has shaped the popular imagination ever since its first appearance at the end of 1819 The most famous of Scottish novelists drew on the conventions of Gothic fiction including its risky sexual and racial themes to explore the violent origins and limits of English nationality This edition uses the 1830 Magnum Opus text corrected against the Interleaved Set and incorporates readings from Scott's manuscript The introduction examines the originality and cultural importance of *Ivanhoe* and draws on current work by historians and cultural critics

**ABOUT THE SERIES** For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

**New Men in Trollope's Novels** Dr

Margaret Markwick,2013-04-28 *New Men in Trollope's Novels* challenges the popular construction of Victorian men as patriarchal despots and suggests that hands on fatherhood may have been a nineteenth century norm Beginning with an evaluation of the evidence for cultural determinations of masculinity during Trollope's times Markwick sets the stage with a discussion of the religious philosophical and educational influences that informed the evolution of Trollope's personal views of masculinity as he grew from boyhood into later manhood Her treatment of his novels drawing on a wide selection from across the oeuvre shows that sensitive examination of Trollope's texts discovers him advancing a startlingly modern model of manhood under a veneer of conformity Trollope's independent views on child rearing education courtship marriage parenthood and gay men are also discussed within the context of Victorian culture in this witty original and immensely knowledgeable study of Victorian masculinity **The Routledge Research Companion to Anthony Trollope** Deborah

Denenholz Morse,Margaret Markwick,Mark W. Turner,2016-09-01 Bringing together leading and newly emerging scholars *The Routledge Research Companion to Anthony Trollope* offers a comprehensive overview of Trollope scholarship and suggests new directions in Trollope studies The first volume designed especially for advanced graduate students and scholars the collection features essays on virtually every topic relevant to Trollope research including the law gender politics evolution race anti-Semitism biography philosophy illustration aging sport emigration and the global and regional worlds

*Catalog of Reprints in Series* ,1956 *The Duke's Children Complete* Anthony Trollope,2020-10-22 He was alone in the world and there was no one of whom he could ask a question After the sudden death of his wife two years after he has left office as Prime Minister the Duke of Omnium must become deeply involved with his children for the first time They vex him enormously with school expulsions vast gambling debts and what he considers to be calamitous romantic attachments He tries to compel them to do what he wants but they are not so easy to manage Even when his eldest child and heir Lord Silverbridge makes him proud by embarking upon a political career the Duke grapples with heartache For Silverbridge becomes a Conservative rather than a Liberal flouting the family tradition The relationship between father and son is drawn with remarkable subtlety and the book as a whole becomes a piercing yet often humorous exploration of change how both the young and the old resist tolerate or embrace it Trollope cut roughly 65 000 words at a vulnerable moment in his career to get the novel published but concluded rapidly that he had made a grievous error After a painstaking reconstruction by a team of researchers *The Duke's Children* the final book in Trollope's famed Palliser series can now be read the way he first intended It is a masterpiece of Victorian fiction **Trollopiana** ,2001 **The Oxford Handbook of Charles Dickens** Robert L.

Patten,John O. Jordan,Catherine Waters,2018-09-13 *The Oxford Handbook of Charles Dickens* is a comprehensive and up to date collection on Dickens's life and works It includes original chapters on all of Dickens's writing and new considerations of his contexts from the social political and economic to the scientific commercial and religious The contributions speak in new ways about his depictions of families environmental degradation and improvements of the industrial age as well as the law

charity and communications His treatment of gender his mastery of prose in all its varieties and genres and his range of affects and dramatization all come under stimulating reconsideration His understanding of British history of empire and colonization of his own nation and foreign ones and of selfhood and otherness like all the other topics is explained in terms easy to comprehend and profoundly relevant to global modernity      **Anthony Trollope** Reginald Charles Terry, 1977

**Books in Print** ,1977

## **Phineas Redux Worlds Classics S** Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has been apparent than ever. Its capability to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**Phineas Redux Worlds Classics S**," compiled by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we will delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
