Shakespeare,1999-09-01 The acclaimed Pelican Shakespeare series edited by A R Braunmuller and Stephen Orgel The legendary Pelican Shakespeare series features authoritative and meticulously researched texts paired with scholarship by renowned Shakespeareans Each book includes an essay on the theatrical world of Shakespeare s time an introduction to the individual play and a detailed note on the text used Updated by general editors Stephen Orgel and A R Braunmuller these easy to read editions incorporate over thirty years of Shakespeare scholarship undertaken since the original series edited by Alfred Harbage appeared between 1956 and 1967 With definitive texts and illuminating essays the Pelican Shakespeare will remain a valued resource for students teachers and theater professionals for many years to come For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

Shakespeare's First Folio

1623-2023 Matthias Bauer,Angelika Zirker,2024-09-05 This wide ranging collection reflects on the various motivations that caused the Folio to come into being in 1623 7 years after Shakespeare s death and on how the now iconic book has been continually reimaged after its initial publication to the present day In honour of its original publication Shakespeare s First Folio 1623 2023 Text and Afterlives brings together a remarkable set of ground breaking essays by an international group of scholars From the beginning the publication that came to be called the First Folio was defined by the tension between the book as text and the book as a material object In this volume the individual contributions move between these two meanings in that they consider precursors to the First Folio in the form of reader assembled volumes the poetic identity of Shakespeare and how misfortunes and successes in the early modern printing house shaped Shakespeare s text Chapters examine the unpredictable and often surprising subsequent histories of the book that has even been given a sacred status and become the basis of Shakespeare s unique position in the history of literature They consider the afterlife of the text in relation to the reception of Shakespeare s First Folio in Spain its presence in and influence on James Joyce s Ulysses the role that Meisei University of Japan s Shakespeare Collection has played in the education and research of the institution and what the collection of 82 copies at the Folger Shakespeare Library in Washington DC tells us about the ongoing role of these books within the study of Shakespeare and the early modern period

The Antiquarian ,1923

The Cambridge Companion to Shakespeare's First Folio Emma Josephine Smith,2016-08-18 An international team of scholars covers every aspect of one of the most famous books in the English language

A Literary History of the American West Western Literature Association (U.S.),1987 Literary histories of course do not have a reason for being unless there exists the literature itself This volume perhaps more than others of its kind is an expression of appreciation for the talented and dedicated literary artists who ignored the odds avoided temptations to write for popularity or prestige and chose to write honestly about the American

West believing that experiences long known to be of historical importance are also experiences that need and deserve a literature of importance **The Complete Sonnets and Poems: The Oxford Shakespeare** William

Shakespeare, 2002-02-14 Shakespeare's Sonnets are among the most complex and beautiful poems ever written. Their exploration of love, praise, homo and hetero sexual desire is enacted in the richest, densest writing in English. And the first printed work to which Shakespeare's name was attached was the erotic narrative poem *Venus and Adonis*, which developed a sumptuous vocabulary in which to explore love, praise of the beloved, sexual desire and the power of rhetoric. That poem was so popular that most of Shakespeare's contemporaries thought of him as primarily a poet rather than a playwright. Yet despite the power of Shakespeare's poems and their foundational place within his oeuvre, modern readers have seldom been encouraged to engage with his non-dramatic works as a whole. This new edition explains how this state of affairs has arisen and why it needs to be changed. The volume contains the complete Sonnets and poems with a full commentary. An extensive and lively introduction explores Shakespeare's poetic development and shows how the poems relate to each other and to his dramatic works. The Sonnets are freshly interpreted not as cryptic fragments of autobiography but as works which ask their readers to think about relationships between lyric poems and the historical circumstances which may have given rise to them. The narrative poems *Venus and Adonis* and *Lucrece* are placed where they belong at the origin of Shakespeare's thinking about what it means to desire and to be desired. The edition responds to the most recent scholarly work on the interpretation and dating of Shakespeare's poems and Sonnets. It also explores what the poems may have meant to their earliest readers. For this reason it also includes poems attributed to Shakespeare in the seventeenth century as well as those printed under his name in *The Passionate Pilgrim* in 1599.

Exhibition of Shakespeariana, April 1-May 31, 1916 New York Public Library, 1916 **Exhibition of Shakespeariana, April 2-July 15, 1916** New York Public Library, 1916 **The Complete Pelican Shakespeare** William Shakespeare, 2002-10-01 The perfect companion to enjoy the most profound stories of the human condition that Shakespeare has given us and that I have had the privilege to perform from *Othello* to *King Lear*. James Earl Jones. Here is an elegant and clear text for either study or the rehearsal room. Sir Patrick Stewart. This major new complete edition of Shakespeare's works combines accessibility with the latest scholarship and features a substantial introduction examining textual and literary historical issues before each play and poem collection. The texts themselves have been scrupulously edited and are accompanied by same-page notes and glossaries. With *The Complete Pelican Shakespeare* discover the works of William Shakespeare as never before in this beautiful approachable collection of the Bard of Avon's most famous works. Penguin Classics is the leading publisher of classic literature in the English-speaking world, representing a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up-to-date translations by award-winning translators.

[The Shakespeare Game, Or, The Mystery of the Great Phoenix II](#) i[a]

Gililov, 2003 Originally published in Moscow *The Shakespeare Game* quickly hit Russia's nonfiction best seller list. It was an intellectual sensation and went through three editions in the first year. Asking why do we have Shakespeare and who is Shakespeare, Gililov has studied watermarks and printer's type registration dates and documented biographical details of Shakespeares contemporaries considering the physical evidence as well as the personalities and motives of the suspects. Gililov suggests an answer to the Shakespeare riddle, one that will delight literature fans and confound the proponents of other candidate bards. He finds the key in the most mysterious Shakespeare poem, *The Phoenix and the Turtle*, and the collection in which it was published; he identifies its heroes and reveals the meaning in this shocking requiem and its connection with works by Ben Jonson, John Donne, and other great contemporaries of Shakespeare. Along the way, Gililov probes and refutes the mystification around the court jester Thomas Coryate and numerous other Elizabethan/Jacobean literary oddities. Book jacket

Unveiling the Magic of Words: A Report on "**Phoenix The Tortoise 1st Edition**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring.
