*Phony Culture* James E. Combs, 1994 Questioning why Americans remain uneasy at the End of History contends that we are blighted by the construction of a phony culture dominated by the value of the confidence man and demonstrates America's transformation into this culture of artifice where the practices of confidence tend to make everything and everybody into a phony The author explores the various dimensions of American cultural phoniness ranging over phony language phony people phony places and things phony events phony deals and phony politics Paper edition unseen 18 95 Annotation copyright by Book News Inc Portland OR

*As American as Mom, Baseball, and Apple Pie* Linda J. Holland-Toll, 2001 This book does nothing less than redefine the very genre of horror fiction calling into question the usual conventions motifs and elements Unlike many critics of this genre Linda Holland Toll sees dis affirmative horror fiction acting neither to soothe fears nor reduce them to the vicarious thrills n chills mode but as intensifying the fears inherent in everyday life

*Cicero, Classicism, and Popular Culture* Marshall Fishwick, 2013-04-15 Learn why Cicero is considered one of the most important individuals in all of Western culture Marcus Tullius Cicero 106 43 BC was a poet philosopher writer scholar barrister statesman patriot and the linguist who helped make Latin into a universal language His many influences in rhetoric politics literature and ideas are seen throughout Western civilization Cicero Classicism and Popular Culture explores the fascinating man behind the eloquence and his monumental effect on language morality and popularity of Western culture One of the leading authorities on popular culture Dr Marshall Fishwick discusses the multifaceted man who may be besides Jesus the central figure in all of Western civilization The author recounts his own personal quest of traveling the land and ancient cities of Italy gleaning insights from people he met along the way who have knowledge about Cicero's life and times However Cicero Classicism and Popular Culture is more than a simple search for the man and his accomplishments a man whose mere words changed the way people think This book shows in each of us the roots of our own ideas beliefs and culture Cicero Classicism and Popular Culture discusses Cicero's rise to acclaim his affect on the language of popular culture common traits Cicero shared with Thomas Jefferson rhetoric the art of oratory community two pivotal essays on friendship and old age vision of his reputation the search for peace Marshall McLuhan Ciceronian Cicero's Rome Cicero's ancestral home of Arpinum Julius Caesar politics and the influences of Cicero the Roman republic and its downfall America as the new Rome much more Cicero Classicism and Popular Culture is a startling entertaining examination of the man who made Western culture what it is today The book is insightful reading for educators students or anyone interested in one of the major forces in popular culture

*Wit's End* James Combs, 2010-08-11 This book is a study of the Great Movies that fluid category of feature films deemed by various authorities film societies critics academics and movie enthusiasts to be the enduring and memorable works of cinematic history But what are they about In Wit's End the author attempts to make sense of these films in order to understand their greatness in the context of their relation to other films and to the worlds they come from and

recreate on screen To that end we employ the conceptual power of pragmatic social theory and the rich idea of aesthesis to explore and arrange these films as a means of understanding what they express about the universality of human life in our keen use of wit organization of social wont and direction of cultural way It is hoped that such an inquiry will illuminate the glory of the great films and contribute to the advance of film studies

**Movie Time** James Combs, 2009-03-26 *Movie Time* is a study of temporal mythmaking in American popular movies The work is rooted in American pragmatic philosophy and contemporary traditions of inquiry in the social sciences and humanities It proceeds on the premise that social beings and social orders are interested in the mediation of time and attempt to make sense of their present world through the reconstruction of important pasts of interest in the present develop new presents with the help of popular expressions which define new situations and responses for a new time and foresee possible futures which impinge upon life in the here and now In particular the work focuses on the subsequent treatment of the American 1950 s in films set in that era beginning in the 1970 s and continuing with an effort to create a rough taxonomy of mythemes in such retrospective films and why it is that future times would find the Fifties to be so important that people wish to revisit it Too the mediation of time includes the development of a new present in this case the emergence of conservatism as a social force in the 1970 s and beyond The movies were an important form of expression in the dramatization of the conservative myth leading to the pervasion of conservative leaders and ideologies into the new century Finally the unrealized but imminent future of the country and world was increasingly on people s minds as both millennial hopes and fears and unanticipated threats began to emerge at century s end so movies which anticipated alternative futures appeared in response to that prospective interest It is hoped that this present inquiry will stimulate further work on the social relevance of popular expression and in particular the social mediation of time

*Stage Blood* Roxana Stuart, 1994 Stuart s study approaches the subject primarily from the viewpoint of literary criticism but also includes production history providing the reader with a useful look at theatre practices Additionally insight is provided into the popular taste and imagination of different periods and cultures as reflected in changing representations of the vampire from the relative innocence of the Romantics to the evolving patterns of sadism misogyny and xenophobia of the end of the century Annotation copyright by Book News Inc Portland OR

**The Sports Immortals** Peter Williams, 1994 Explores the psychology of hero worship in sports covering the period from the late 19th century to the present Offers an overview of the classic theorists and demonstrates how the public creates heroes and villains in the same way the Greeks created archetypal deities Topics include the archetypes of human myth localized sports archetypes origins of the baseball myth the archetypes of baseball and the sports press Paper edition unseen 17 95 Annotation copyright by Book News Inc Portland OR

*Images of the Child* Harry Edwin Eiss, 1994 Contributors offer different perspectives on advertising girls book series rap music realistic fiction dolls and movies and demonstrate how images of the child reflect the entire culture Subjects include female and male sex roles in teen romances images of children in horror novels and board
