The Commercial Photographer ,1926 *On the Camera Arts and Consecutive Matters* Hollis Frampton,2015-01-30 The collected writings of artist and filmmaker Hollis Frampton including all the essays from the long unavailable *Circles of Confusion* along with rare additional material As Hollis Frampton s photographs and celebrated experimental films were testing the boundaries of the camera arts in the 1960s and 1970s his provocative and highly literate writings were attempting to establish an intellectually resonant form of discourse for these critically underexplored fields It was a time when artists working in diverse disciplines were beginning to pick up cameras and produce films and videotapes well before these practices were understood or embraced by institutions of contemporary art This collection of Frampton s writings presents his critical essays many written for *Artforum* and *October* along with additional material including lectures correspondence interviews and production notes and scripts It replaces and supersedes the long unavailable *Circles of Confusion* published in 1983 Frampton ranged widely over the visual arts in his writing and the texts in this collection display

his unique approaches to photography film and video as well as the plastic and literary arts They include critically acclaimed essays on Edward Weston and Eadweard Muybridge as well as appraisals of contemporary photographers the influential essay *For a Metahistory of Film* along with scripts textual material and scores for his films writings on video that constitute a prehistory of the digital arts a dialogue with Carl Andre his friend and former Phillips Andover classmate from the early 1960s and two inventive almost unclassifiable pieces that are reminiscent of Borges Joyce and Beckett

Alexander Swoboda,1869 Academy Notes Buffalo Fine Arts Academy,1906 *Eyes of Sophia* Donna May,Alan

Chien,2007-04-26 *Eyes of Sophia* is a true love story which confirms the multi dimensional nature of our existence This story shows us that we really do co create our lives in concert with a loving and organizing Divine Presence Sophia which speaks to us through our hearts Too often we are easily intimidated by the authority and advice of the outer world and cease to trust these tender feelings which offer us continual and perfect guidance The magical tapestry of events we experience when reading *Eyes of Sophia* is given credence by a series of extraordinary photographs and we are blessed with the revelation that indeed we can attain our hearts desires This book is an extraordinary account by two extraordinary people Given the

premise that Sophia's world lies hidden and invisible within this one the continual synchronicities abounding in this true story make sense if not serving as proof of its existence Though the account is extremely personal it touches the universal and thus becomes meaningful to anyone reading it It's Donna's loving and enthusiastic eye that reveals it and Alan's charming and rational acceptance that gives it form I marvel that I had the privilege of playing a small part in this unusual drama Alice O Howell Author of *The Web in the Sea* and *The Dove in the Stone* You and Donna have experienced certainly at a feeling state at least one other cognitive band of this total reality and you appear to have some space time cognitive data in the form of your pictures to confirm that something extra ordinary was happening William A Tiller PhD Author of *Science and Human Transformation* written after viewing the photographs September 1995 This is a truly spiritual book in which the presence of divine love allows the experience of human love to flourish It can be read as a romantic story like *Bridges of Madison County* but here the romance is allowed to flourish and lead to a sustained relationship and there is an experience of divine grace as well as human passion Harvey Honig Jungian Analyst Exceptionally written by two brilliant souls one who although already knowing she was on her perfect path still continued to question the symbols along the way while the other's eyes were slowly beginning to focus on truth and authenticity instead of the superfluous Each overlooked the external to follow the twisting winding path that was filled with intent and purpose It is a rarity to find individuals so willing to lovingly examine and absorb the many messages the rest of us ignore as we go about our lives on auto pilot A wonderful refreshing true love story that affirms the closer we get to our own authentic selves the more blissful our joy joy that flourishes in the knowledge that there are no accidents and that cause never was the reason Kimberly Largent Managing Editor *The Health Strategist* *Eyes of Sophia* is a love story a grand and wondrous love story about the authors and their relationship with Sophia the Spirit in their hearts Further Donna May and Alan Chien have given us a story about synchronicity and destiny and the ability to listen to and the courage to follow our hearts Abundant synchronicities events that on the level of cause and effect are amazing coincidences brought Donna May and Alan together and together and together each time deepening their relationship Included in the synchronicities are a series of intriguing photographs which give credence to the story *Eyes of Sophia* is a transformational story that teaches the creative use of metaphor in understanding the relevance and significance of coincidences Creatively woven together in the events in this story are spiritual metaphors of the Wizard of Oz the Tree of Life Kabbala and the dynamics of the life force and chakras including the splenic chakra One important lesson *Eyes of Sophia* teaches us is that we must listen to our own hearts and not yield to the rules that others inflict upon us we must be true to ourselves We must stay attuned to our heart and listen to what it is telling us and keep our thoughts and the images in our mind centered in that Further we all have tremendous creative imagination working for us at all times It's so important to understand that we use the same power of imagination every moment and it will create in accordance with our intent and beliefs We can't afford not to pay attention to the quality of our beliefs motives and what we look for and how we picture it

Eyes of Sophia tells a magical miraculous and marvelous story of finding love and Spirit Donna May and Alan Chien are blessed and teach us that we too can achieve what is in our hearts a dream come true Richard Fuller Senior Editor
