Photographing Farm Workers:

Photographing Farmworkers in California Richard Steven Street, 2004 The work of nearly every photographer of consequence since the nineteenth century is captured in this collection of photographs of California farmworkers raising moral questions about the exploitation and colonization of an entire class of people

Everyone Had Cameras Richard Steven Street, 2008 Deftly weaving the remarkable diversity of field photography into this story of labour activism Everyone Had Cameras establishes a new history of California photography while chronicling the impact that this visual medium has has on a vast dispossessed class of American workers

Farm Worker Futurism Curtis Marez, 2016-06-17 When we think of literature and film about farm workers The Grapes of Wrath may come to mind but Farm Worker Futurism reveals that the historical role of technology especially new media has in fact had much more to do with depicting the lives of farm laborers Mexican migrants in particular in the United States From the late 1940s when Ernesto Galarza led a strike in the San Joaquin Valley to the early 1990s when the United Farm Workers UFW helped organize a fast in solidarity with janitors at Apple Computers in the Santa Clara Valley this book explores the friction between agribusiness and farm workers through the lens of visual culture Marez looks at how the appropriation of photography film video and other media technologies expressed a farm worker futurism a set of farm worker social formations that faced off against corporate capitalism and government policies In addition to drawing fascinating links between the worlds envisioned in UFW videos on the one hand and visions of Cold War geopolitics on the other he demonstrates how union cameras and computer screens put the farm worker movement in dialogue with futurist thinking and speculative fictions of all sorts including the films of George Lucas and the art of Ester Hernandez Finally Marez examines the legacy of farm worker futurism in recent cinema and literature contemporary struggles for immigrant rights management labor conflicts in computer hardware production and the antiprison movement In contrast with cultural histories of technology that take a top down perspective Farm Worker Futurism tells the story from below showing how working class people of color have often been early adopters and imaginative users of new media In doing so it presents a completely novel analysis of speculative fiction s engagements with the farm worker movement in ways that illuminate both

Jon Lewis Richard Steven Street, 2013-10-01 Before the film Cesar Chavez Chavez s life was depicted in photographs by his confidant Jon Lewis In the winter of 1966 twenty eight year old ex marine Jon Lewis visited Delano California the center of the California grape strike He thought he might stay awhile then resume studying photography at San Francisco State University He stayed for two years becoming the United Farm Workers Union s semiofficial photographer and a close confidant of farmworker leader Cesar Chavez Surviving on a picket s wage of five dollars a week Lewis photographed twenty four hours a day and created an insider s view of the historic and sometimes violent confrontations mass marches fasts picket lines and boycotts that forced the table grape industry to sign the first contracts with a farm workers union Though some of his images were published contemporaneously most remained unseen Historian

and photographer Richard Steven Street rescues Lewis from obscurity allowing us for the first time to see a pivotal moment in civil rights history through the lens of a passionate photographer A masterpiece of social documentary this work is at once the biography of a photographer an expos of poverty and injustice and a celebration of the human spirit **"Women, Workers, and Race in LIFE Magazine "** Dolores Flamiano,2017-07-05 The tension between social reform photography and photojournalism is examined through this study of the life and work of German gr ansel Mieth 1909 1998 who made an unlikely journey from migrant farm worker to Life photographer She was the second woman in that role after Margaret Bourke White Unlike her colleagues Mieth was a working class reformer with a deep disdain for Life s conservatism and commercialism In fact her work often subverted Life s typical representations of women workers and minorities Some of her most compelling photo essays used skillful visual storytelling to offer fresh views on controversial topics birth control vivisection labor unions and Japanese American internment during the Second World War Her dual role as reformer and photojournalist made her a desirable commodity at Life in the late 1930s and early 40s but this role became untenable in Cold War America when her career was cut short Today Mieth s life and photographs stand as compelling reminders of the vital yet overlooked role of immigrant women in twentieth century photojournalism **Women Workers and Race in LIFE Magazine** draws upon a rich array of primary sources including Mieth s unpublished memoir oral histories and labor archives The book seeks to unravel and understand the multi layered often contested stories of the photographer s life and work It will be of interest to scholars of photography history women s studies visual culture and media history **Urban and Rural Decay Photography** J. Dennis Thomas,2013-06-19 If you are a photographer who sees the beauty in abandoned buildings crumbling facades and preserving a fading history and who also has a love of urban exploration you have stumbled on a must have for your photographic library **Urban and Rural Decay Photography** offers expert tips and techniques for capturing breathtaking photographs of your favorite decay scenes whether in urban or rural settings Author J Dennis Thomas guides you through the history of decay photography shows you what equipment you will need and discusses digital film and HDR capture and composition The book addresses which artistic considerations work best for the kinds of shots that capture a moment and convey a story He also provides you with important safety advice and matters of the law when entering and working with decaying structures Chock full of inspiring images that will ignite your creativity and your passion for decay photography **Urban and Rural Decay Photography** is just the book you need to get you out and discovering your newest urban or rural exploration adventure **Politics Unseen** Ellen Macfarlane,2025-01-07 In **Politics Unseen** Ellen Macfarlane radically reframes the pure photographs of California art photography society Group f 64 known for depicting Western landscapes fruits and vegetables flowers and faces By foregrounding f 64 members and their prints alliances across commercial political and artistic domains the book shatters entrenched understandings of the group as disinterested in contemporary events and unseats conceptions of its prints as icons of modernist purity Instead **Politics Unseen** argues the politics of f 64 s photographs

become visible when interwar ideas about purity in the areas of eugenics racial essence nutrition colonialism and horticulture are interrogated Ultimately Politics Unseen alters perceptions not only of f 64 but also of what constituted a political image in 1930s America **Down Country Lanes, Behind Abandoned Houses** Keith V. Bletzer,2015-07-15

Based on six years of extended ethnography in multiple agricultural areas of the Eastern United States Down Country Lanes Behind Abandoned Houses is a monograph which explores the lives of migrant and seasonal farm workers The six year study secured multi setting field data in primary secondary and casual sites and audio taped narrative life stories from men and women who harvest and perform the related tasks that help to make the many foods which we enjoy in abundance The study presented in this book elaborates vignettes from field observations with a focus on workers who use drugs and alcohol and is complemented by formal narrative life stories and informal interviews The author explores diverse field data that reveal the hardships exclusion and social adversities that migrant farm workers experience many times more often than any other social group with considerable susceptibility to drug alcohol use Down Country Lanes Behind Abandoned Houses gives readers a perspective about farm workers social vulnerability across multiple agricultural areas while comparing willful neglect and social non existence experienced by farm workers to a gray zone of contemporary horrors in the way that these men and women have been viewed and treated over many decades The monograph is an invaluable reference for the study of social problems substance abuse trans national migratory experiences and field methods in sociology The book also serves as a contemporary handbook on the anthropology of American agricultural labor *From the Jaws of Victory* Matthew

Garcia,2012-09-28 From the Jaws of Victory The Triumph and Tragedy of Cesar Chavez and the Farm Worker Movement is the most comprehensive history ever written on the meteoric rise and precipitous decline of the United Farm Workers the most successful farm labor union in United States history Based on little known sources and one of a kind oral histories with many veterans of the farm worker movement this book revises much of what we know about the UFW Matt Garcia s gripping account of the expansion of the union s grape boycott reveals how the boycott which UFW leader Cesar Chavez initially resisted became the defining feature of the movement and drove the growers to sign labor contracts in 1970 Garcia vividly relates how as the union expanded and the boycott spread across the United States Canada and Europe Chavez found it more difficult to organize workers and fend off rival unions Ultimately the union was a victim of its own success and Chavez s growing instability From the Jaws of Victory delves deeply into Chavez s attitudes and beliefs and how they changed over time Garcia also presents in depth studies of other leaders in the UFW including Gilbert Padilla Marshall Ganz Dolores Huerta and Jerry Cohen He introduces figures such as the co coordinator of the boycott Jerry Brown the undisputed leader of the international boycott Elaine Elinson and Harry Kubo the Japanese American farmer who led a successful campaign against the UFW in the mid 1970s [The Landscape Unveiled: A Photographer's Guide to Capturing Rural Charm](#) Pasquale
