Edel, 2007 From the old capitol to the new capitol the Battle of Natural Bridge to the battles at Doak Campbell Stadium Historic Photos of Tallahassee is a photographic history collected from the areas top archives With around 200 photographs many of which have never been published this beautiful coffee table book shows the historical growth from the mid 1800 s to the late 1900 s in stunning black and white photography The book follows life government events and people important to Tallahassee and the building of this unique city Spanning over two centuries and two hundred photographs this is a must have for any long time resident or history lover of Tallahassee *The ^APromise of the New South* Edward L. Ayers, 2007-09-07 Ranging from the Georgia coast to the Tennessee mountains from the power brokers to tenant farmers Ayers depicts a land of startling contrasts Ayers takes us from remote Southern towns revolutionized by the spread of the railroads to the statehouses where Democratic Redeemers swept away the legacy of Reconstruction from the small farmers trapped into growing nothing but cotton to the new industries of Birmingham from abuse and intimacy in the family to tumultuous public meetings of the prohibitionists He explores every aspect of society politics and the economy detailing the importance of each in the emerging New South Central to the entire story is the role of race relations from alliances and friendships between blacks and whites to the spread of Jim Crows laws and disfranchisement The teeming nineteenth century South comes to life in these pages **African American Sites in**

Florida Kevin M McCarthy, 2019-07-24 African Americans have risen from the slave plantations of nineteenth century Florida to become the heads of corporations and members of Congress in the twenty first century They have played an important role in making Florida the successful state it is today This book takes you on a tour through the 67 counties of the sites that commemorate the role of African Americans in Florida s history If we can learn more about our past both the good and the not so good we can make better decisions in the future Behind the hundreds of sites in this book are the courageous African Americans like Brevard County s Malissa Moore who hosted many Saturday night dinners to raise money to build a church and Miami Dade s Gedar Walker who built the first rate Lyric Theater for black performers And of course also featured are the more famous black Floridians like Zora Neale Hurston Jackie Robinson Mary McCleod Bethune and Ray Charles

Perfection Margarette Lincoln, 2024-10-29 A colourful account of women s health beauty and cosmetic aids from stays and corsets to today s viral trends Victorian women ate arsenic to achieve an ideal pale complexion while in the 1790s balloon corsets were all the rage designed to make the wearer appear pregnant Women of the eighteenth century applied blood from a black cat s tail to problem skin while doctors in the 1880s promoted woollen underwear to keep colds at bay Beautification and the pursuit of health may seem all consuming today but their history is long and fantastically varied

Ranging across the last four hundred years Margarette Lincoln examines women's health and beauty in fascinating detail Through first hand accounts and reports of physicians quacks and advertising Lincoln captures women's lived experience of consuming beauty products and the excitement and trauma of adopting the latest fashion trends Considering everything from body sculpture diet and exercise to skin teeth and hair Perfection is a vibrant account of women's body fashioning and shows how intimately these practices are related to community and identity throughout history

The Florida State Archives ,1996 **Recalling Deeds Immortal** William B. Lees,Frederick P. Gaske,2014-10-07 One hundred and fifty years ago Florida was shaken by battle blockade economic deprivation and the death of native sons both within and far outside its borders Today tributes to the valor and sacrifice of Florida's soldiers sailors and civilians can be found from the Panhandle to the Keys Authors Lees and Gaske look at the diversity of Civil War monuments built in Florida between Reconstruction and the present day elucidating their emblematic and social dimensions Most monuments built in Florida honor the Confederacy

praising the valor of Southern soldiers and often extolling the righteousness of their Lost Cause At the same time a fascinating minority of Union monuments also exists in the state and these bear notably muted messages Recalling Deeds Immortal shows how the creation of these bronze and stone monuments created new social battlegrounds as over the years groups such as the Ladies Memorial Associations United Daughters of the Confederacy and the Grand Army of the Republic competed to control the messages behind the memorialization of fallen soldiers and veterans Examining the evolution of Civil War monuments the authors demonstrate that the construction of these memorials is itself an important part of Civil War and post Civil War history *Journal of the Society of Georgia Archivists* ,1984 **Southern Humanities Review** ,1985
