Photo-era Magazine Juan C. Abel, Thomas Harrison Cummings, Wilfred A. French, A. H. Beardsley, 1919     *A Field Guide to the Connecticut River* Patrick J. Lynch, 2024-04-02 The first comprehensive natural history guide to the Connecticut River and its environs with more than 750 illustrations The Connecticut River New England s longest and most historic river originates in northern New Hampshire and wends more than four hundred miles to Long Island Sound It forms the border between Vermont and New Hampshire and widens significantly as it makes its way through Massachusetts and Connecticut The Connecticut River Valley is one of the most popular tourist destinations in the eastern United States and more than two million people live in the watershed Renowned naturalist Patrick J Lynch offers readers an expansive guide to this majestic

region with more than 750 original maps photographs and illustrations Organized around environments rather than particular locations the book includes geological overviews and descriptions of common plants and animals Lynch also explains the landscape s environmental history as well as the effects of centuries of human interventions and the growing fallout from climate change This indispensable guide not only brings the Connecticut River s ecology and pivotal role in American history to life but instills a deeper appreciation for the river s diverse and abundant beauty *School Science and Mathematics* ,1909

**A Field Guide to the North American Family** Garth Risk Hallberg,2017-10-31 The very first work of fiction by the best selling acclaimed author of *City on Fire* his piercingly beautiful treasure box of a novella about two families in the suburbs now in a newly designed full color edition For years the Hungates and the Harrisons have coexisted peacefully in the same Long Island neighborhood enjoying the pleasures and weathering the pitfalls of their suburban habitat But when the patriarch of one family dies unexpectedly the survivors face a stark imperative adapt or face extinction In sixty three interlinked vignettes and striking accompanying photographs the novella cuts multiple paths which can be reconstructed in any order through the lives of its richly imagined characters Part art object part Choose Your Own Adventure *A Field Guide to the North American Family* is an innovative and deeply personal look at the ties that bind as well as a poignant meditation on connection in a fragmented world

**A Field on Fire** Mark D. Hersey,Ted Steinberg,2019-01-29 A frank and engaging exploration of the burgeoning academic field of environmental history Inspired by the pioneering work of preeminent environmental historian Donald Worster the contributors to *A Field on Fire The Future of Environmental History* reflect on the past and future of this discipline Featuring wide ranging essays by leading environmental historians from the United States Europe and China the collection challenges scholars to rethink some of their orthodoxies inviting them to approach familiar stories from new angles to integrate new methodologies and to think creatively about the questions this field is well positioned to answer Worster s groundbreaking research serves as the organizational framework for the collection Editors Mark D Hersey and Ted Steinberg have arranged the book into three sections corresponding to the primary concerns of Worster s influential scholarship the problem of

natural limits the transnational nature of environmental issues and the question of method Under the heading Facing Limits five essays explore the inherent tensions between democracy technology capitalism and the environment The Crossing Borders section underscores the ways in which environmental history moves easily across national and disciplinary boundaries Finally Doing Environmental History invokes Worster s work as an essayist by offering self conscious reflections about the practice and purpose of environmental history The essays aim to provoke a discussion on the future of the field pointing to untapped and underdeveloped avenues ripe for further exploration A forward thinker like Worster presents bold challenges to a new generation of environmental historians on everything from capitalism and the Anthropocene to war and wilderness This engaging volume includes a very special afterword by one of Worster s oldest friends the eminent intellectual historian Daniel Rodgers who has known Worster for close to fifty years      **A Field Guide to Digital Color** Maureen
