Claims to Fame Joshua Gamson,2023-11-15 Moving from People magazine to publicists offices to tours of stars homes Joshua Gamson investigates the larger than life terrain of American celebrity culture In the first major academic work since the early 1940s to seriously analyze the meaning of fame in American life Gamson begins with the often heard criticisms that today s heroes have been replaced by pseudoheroes that notoriety has become detached from merit He draws on literary and sociological theory as well as interviews with celebrity industry workers to untangle the paradoxical nature of an American popular culture that is both obsessively invested in glamour and fantasy yet also aware of celebrity s transparency and commercialism Gamson examines the contemporary dream machine that publicists tabloid newspapers journalists and TV interviewers use to create semi fictional icons He finds that celebrity watchers for whom spotting celebrities becomes a spectator sport akin to watching football or fireworks glean their own rewards in a game that turns as often on playing with inauthenticity as on identifying with stars Gamson also looks at the celebritization of politics and the complex questions it poses regarding image and reality He makes clear that to understand American public culture we must understand that strange ubiquitous phenomenon celebrity Moving from People magazine to publicists offices to tours of stars homes Joshua Gamson investigates the larger than life terrain of American celebrity culture In the first major academic work since the early 1940s to seriously analyze the mean **Stars** Richard Dyer,Paul McDonald,2019-07-25 Through the intensive examination of films magazines advertising and critical texts Dyer analyses the historical ideological and aesthetic significance of stars changing the way we understand screen icons Paying particular attention to icons including Marlon Brando Bette Davis Marlene Dietrich Marilyn Monroe and John Wayne
