## **Phyllis Schlafly And Grassroots Conservatism A Womens Crusade:**

**Phyllis Schlafly and Grassroots Conservatism** Donald T. Critchlow, 2008-01-15 Based on access to Schlafly's papers and sixty other archival collections offers a look at the private life and public convictions of the arch conservative and determined opponent of the Equal Rights Amendment gay rights and reproductive freedom [Mothers of Conservatism](#) Michelle M. Nickerson, 2014-09-07 Mothers of Conservatism tells the story of 1950s Southern Californian housewives who shaped the grassroots right in the two decades following World War II Michelle Nickerson describes how red hunting homemakers mobilized activist networks institutions and political consciousness in local education battles and she introduces a generation of women who developed political styles and practices around their domestic routines From the conservative movement's origins in the early fifties through the presidential election of 1964 Nickerson documents how women shaped conservatism from the bottom up out of the fabric of their daily lives and into the agenda of the Republican Party A unique history of the American conservative movement Mothers of Conservatism shows how housewives got out of the house and discovered their political capital **The Christian Right & US Foreign Policy in the 21 st Century** Mohd Afandi

Salleh, 2020-01-07 This book is about the role of the Christian Right in the US foreign policy decision making process It reveals that the Christian Right has long been fascinated with some international issues in general and US foreign policy in particular The interest of the movement in international issues increased markedly during the George W Bush administration 2000 2009 During this period the movement successfully widened its activism from domestic social conservative issues to foreign policy issues by participating in articulating and lobbying for its religious version of American foreign policy In assessing the role of the Christian Right in US foreign policy making this dissertation examines aspects of US foreign policy namely Israel international religious freedom and global humanitarianism Based on these three aspects the Christian Right is seen as skilled in framing and defining issues The Christian Right seems effective in selecting and prioritizing international issues that have a reasonable chance of being picked up on by foreign policy decision makers especially in Congress Moreover the Christian Right has shown its maturity in seeking engagement and cooperation with other organizations regardless of whether they are secular or religious to advance its international goals Finally in pursuing and conveying its international agenda the Christian Right has adopted a more moderate and mundane approach Instead of using its traditional religious rhetoric the Christian Right has successfully projected its foreign policy preferences into the conventional realist discourse of American foreign policy that was largely based on the objective of national interest and national security

*Democracy* David A. Moss, 2017-02-21 Historian David Moss adapts the case study method made famous by Harvard Business School to revitalize our conversations about governance and democracy and show how the United States has often thrived on political conflict These 19 cases ask us to weigh choices and consequences wrestle with momentous decisions and come to our own conclusions [Divided We Stand](#) Marjorie J. Spruill, 2018-08-28 The fascinating true story of the characters

in Hulu's Mrs America and a broader portrait of the two women's movements that spurred an enduring rift between liberals and conservatives The many admirers of Mrs America will find great satisfaction in Divided We Stand a clear compelling and deeply insightful volume The Washington Post One of Smithsonian Magazine's Ten Best History Books of the Year In the early 1970s an ascendant women's rights movement enjoyed strong support from both political parties and considerable success but was soon challenged by a conservative women's movement formed in opposition Tensions between the two would explode in 1977 at the congressionally funded National Women's Conference in Houston Texas As Bella Abzug Gloria Steinem and other feminists endorsed hot button issues such as abortion rights the ERA and gay rights Phyllis Schlafly and Lottie Beth Hobbs rallied with conservative women to protest federally funded feminism and launch a pro family movement Divided We Stand reveals how crucial women and women's issues have been in the shaping of today's political culture After the National Women's Conference Democrats continued to back women's rights in cooperation with a more diverse feminist movement while the GOP abandoned its previous support for women's rights and defined itself as the party of family values irrevocably affecting the course of American politics

**Reasoning from Race** Serena Mayeri, 2011-05-05 Informed in 1944 that she was not of the sex entitled to be admitted to Harvard Law School African American activist Pauli Murray confronted the injustice she called Jane Crow In the 1960s and 1970s the analogies between sex and race discrimination pioneered by Murray became potent weapons in the battle for women's rights as feminists borrowed rhetoric and legal arguments from the civil rights movement Serena Mayeri's Reasoning from Race is the first book to explore the development and consequences of this key feminist strategy Mayeri uncovers the history of an often misunderstood connection at the heart of American antidiscrimination law Her study details how a tumultuous political and legal climate transformed the links between race and sex equality civil rights and feminism Battles over employment discrimination school segregation reproductive freedom affirmative action and constitutional change reveal the promise and peril of reasoning from race and offer a vivid picture of Pauli Murray Ruth Bader Ginsburg and others who defined feminists agenda Looking beneath the surface of Supreme Court opinions to the deliberations of feminist advocates their opponents and the legal decision makers who heard or chose not to hear their claims Reasoning from Race showcases previously hidden struggles that continue to shape the scope and meaning of equality under the law

**Family Values** Isabel Heinemann, 2023-10-04 Clashes over the American family and its values have always implicitly or explicitly addressed issues of gender and highlighted the significance of present and future families to American society This is the insight underpinning Isabel Heinemann's groundbreaking study which traces over the course of the twentieth century debates on the family and its role the relationship between the individual and society and individual decision making rights as well as their denial or curtailment Unpacking these issues in a vivid and innovative analysis the book recounts the prehistory of current conflicts over the family and gender while illuminating the relationship between social change normative shifts and the counter movements spawned

in response to them      **Race, Gender and Violence on the Transatlantic Extreme Right, 1969-2009** Simon A. Purdue, 2022-10-20 This book explores the central role that gender has historically played in violent far right movements and groups in a time of increasing political polarisation and rising extremism The author examines the way neo Nazis and white supremacists have constructed gender and how this has impacted on the practical role of men and women on the global extreme right between 1969 and 2009 giving valuable insight into the inner workings of the extremist fringe today In the context of rising violent ultra nationalism in the UK Eastern Europe the USA India and Russia this transnational history of racist extremist movements offers a very necessary glimpse into the intimate personal politics of organised hate and into the ideological and organisational roots of our current moment In order to fully understand the extreme right it is essential to develop an awareness of the deep social foundations that underlie it By exposing the gendered basis of racist extremism in the USA and UK this book makes a necessary intervention in the field of far right studies shedding new light on the shadowy corners of the political spectrum and ultimately opening new avenues for countering hate on the personal political and academic level The book seeks to explain the intricate relationship between organised racist extremism and ideological misogyny and explores the fundamental contradictions and inconsistencies that underlie women s far right activism Offering historical context to the current social and political moment in which white supremacist and far right terror presents an immediate threat to security and stability in both the USA and the UK this book provides useful insights for those researching the history of fascism and the far right violent social movements and political activism as well as women s history and gender studies      **The Texas Right** David O'Donald Cullen, Kyle G. Wilkison, 2014-01-22 In The Texas Right The Radical Roots of Lone Star Conservatism some of our most accomplished and readable historians push the origins of present day Texas conservatism back to the decade preceding the twentieth century They illuminate the initial factors that began moving Texas to the far right even before the arrival of the New Deal By demonstrating that Texas politics foreshadowed the partisan realignment of the erstwhile Solid South the studies in this book challenge the traditional narrative that emphasizes the right wing critique of modern America voiced by among others radical conservatives of the state s Democratic Party beginning in the 1930s As the contributors show it is impossible to understand the Jeffersonian Democrats of 1936 the Texas Regular movement of 1944 the Dixiecrat Party of 1948 the Shivercrats of the 1950s state members of the John Birch Society Texas members of Young Americans for Freedom Reagan Democrats and most recently even the Tea Party movement without first understanding the underlying impulses that produced their formation      *Delirium* Nancy L. Cohen, 2012-02-01 Perhaps if the Pill had never been invented American politics would be very different today Nancy L Cohen writes in her prescient new book *Delirium* The Politics of Sex in America The 2012 election was supposed to be about the economy but over the last few months it turned into a debate about sex and women s rights In *Delirium* Cohen takes us on a gripping journey through the confounding and mysterious episodes of our recent politics to explain how we and why we got to this place Along the way she

explores such topics as why Bill Clinton was impeached over a private sexual affair how George W Bush won the presidency by stealth why Hillary lost to Obama why John McCain chose Sarah Palin to be his running mate and what the 2012 presidential contest tells us about America today She exposes the surprising role of right wing women in undermining women's rights as well as explains how liberal men were complicit in letting it happen Cohen uncovers the hidden history of an orchestrated well financed ideologically powered shadow movement to turn back the clock on matters of gender equality and sexual freedom and how it has played a leading role in fueling America's political wars Delirium tells the story of this shadow movement and how we can restore common sense and sanity in our nation's politics The Oxford Handbook of U.S.

Women's Social Movement Activism Holly J. McCammon, Verta Taylor, Jo Reger, Rachel L. Einwohner, 2017-05-05 Over the course of thirty seven chapters including an editorial introduction this handbook provides a comprehensive examination of scholarly research and knowledge on a variety of aspects of women's collective activism in the United States tracing both continuities and critical changes over time Women have played pivotal and far reaching roles in bringing about significant societal change and women activists come from an array of different demographics backgrounds and perspectives including those that are radical liberal and conservative The chapters in the handbook consider women's activism in the interest of women themselves as well as actions done on behalf of other social groups The volume is organized into five sections The first looks at U S Women's Social Activism over time from the women's suffrage movement to the ERA radical feminism third wave feminism intersectional feminism and global feminism Part two looks at issues that mobilize women including workplace discrimination reproductive rights health gender identity and sexuality violence against women welfare and employment globalization immigration and anti feminist and pro life causes Part three looks at strategies including movement emergence and resource mobilization consciousness raising and traditional and social media Part four explores targets and tactics including legislative forums electoral politics legal activism the marketplace the military and religious and educational institutions Finally part five looks at women's participation within other movements including the civil rights movement the environmental movement labor unions LGBTQ movement Latino activism conservative groups and the white supremacist movement

**A Feminist in the White House** Doreen J. Mattingly, 2016-04-29 A feminist an outspoken activist a woman without a college education Midge Costanza was one of the unlikeliest of White House insiders Yet in 1977 she became the first female Assistant to the President for Public Liaison under Jimmy Carter emerging as a prominent focal point of the American culture wars Tasked with bringing the views of special interest groups to the president Costanza championed progressive causes even as Americans grew increasingly divided on the very issues for which she fought In **A Feminist in the White House** Doreen J Mattingly draws on Costanza's personal papers to shed light on the life of this fascinating and controversial woman Mattingly chronicles Costanza's dramatic rise and fall as a public figure from her initial popularity to her ultimate clashes with Carter and his aides While Costanza challenged Carter to support abortion rights gay

and lesbian rights and feminist policies Carter faced increased pressure to appease the interests of emerging Religious Right which directly opposed Costanza's ideals. Ultimately marginalized both within the White House and by her fellow feminists, Costanza was pressured to resign in 1978. Through the lens of Costanza's story, readers catch a unique perspective of the rise of debates which have defined the feminist movement and sexual politics to this very day. Mattingly also reveals a wider but heretofore neglected narrative of the complex era of gender politics in the late 1970s Washington, a history which continues to resonate in politics today. *A Feminist in the White House* is a must read for anyone with an interest in sexual politics, female politicians and presidential history.

**God's Own Party** Daniel K. Williams, 2012-07-12 In *God's Own Party*, Daniel K. Williams presents the first comprehensive history of the Christian Right, uncovering how evangelicals came to see the Republican Party as the vehicle through which they could reclaim America as a Christian nation.

**Women in the American Political System** Dianne G. Bystrom, Barbara Burrell, 2018-12-01 This book examines how women candidates, voters and office holders shape U.S. political processes and institutions, lending their perspectives to gradually evolve American life and values. This book provides an encyclopedic sourcebook on the evolution of women's involvement in American politics from the colonial era to the present, covering all of the individuals, organizations, cultural forces, political issues and legal decisions that have collectively served to elevate the role of women at the ballot box, on the campaign trail in Washington and in state and city level political offices across the country. The in-depth essays document and examine the rising prominence of women as voters, candidates, public officials and lawmakers, enabling readers to understand how U.S. political processes and institutions have been and will continue to be shaped by women and their perspectives on American life and values. The entries cover a range of women politicians and officials, female activists and media figures, relevant organizations and interest groups such as Emily's List, League of Women Voters and National Right to Life, key laws, court cases and events such as the Nineteenth Amendment, the Equal Rights Amendment, the Seneca Falls Convention, the passage of Title IX and *Roe v. Wade*, and other topics like media coverage of appearance, women's roles as campaign strategists, fundraisers, gender differences in policy priorities and the gender gap in political ambitions. The text is supplemented by sidebars that highlight selected landmarks in women's political history in the United States such as the 2012 election of Tammy Baldwin, the first openly gay U.S. senator.

*Creating a Progressive Commonwealth* Megan Taylor Shockley, 2018-12-05 Building upon the work of late twentieth century scholars in the field of feminist studies, Megan Taylor Shockley provides an in-depth look at feminism in the modern U.S. South. Shockley challenges the monolithic view of the region as a conservative bastion and argues that feminist advocates have provided crucial social progressive force, particularly in Virginia between 1970 and 2010. An innovative study, *Creating a Progressive Commonwealth* illustrates how feminists in the state challenged the traditional patriarchal system and engaged directly with the legislature through grassroots educational efforts on three major initiatives: passage of the Equal Rights Amendment, protection of abortion rights,

and pursuit of legal and social rights for survivors of domestic and sexual violence Shockley suggests that advocates for gender equality fundamentally changed Virginia improving the state's support for women both personally and professionally as well as fostering an environment more conducive to additional progressive reform In sharing the stories of these activists the author discusses their initial choices to participate in the movement the challenges they faced in promoting a progressive agenda as well as their successes and failures Throughout Shockley emphasizes the need for scholars to look beyond the history of state legislatures in order to fully understand the nature of southern progressivism and feminism Using both archival sources and oral histories *Creating a Progressive Commonwealth* examines the individual women and their motivations as they battled recalcitrant legislators and conservative citizens to achieve social reforms

**Judicial Review and American Conservatism** Robert Daniel Rubin, 2017-03-20 Majoritarian Justices The Great Debate The Imperial Judiciary Notes Index **Rightward Bound** Bruce J. Schulman, Julian E. Zelizer, 2008-03-15 Often considered a lost decade a pause between the liberal Sixties and Reagan's Eighties the 1970s were indeed a watershed era when the forces of a conservative counter revolution cohered A critical decade in American history *Rightward Bound* illuminates the seeds of both the successes and the failures of the conservative revolution

*Women's America* Linda K. Kerber, 2016 Featuring a mix of primary source documents articles and illustrations *Women's America* Refocusing the Past has long been an invaluable resource Now in its eighth edition the book has been extensively revised and updated to cover recent developments in U.S. women's history **American Dissidents** Kathlyn Gay, 2011-12-12 Anarchists civil rights advocates dissidents and political pundits have all played key roles in shaping our nation Examining modern day individuals like WikiLeaks Bradley Manning and conservative video prankster James O. Keefe as well as those of prior decades like Cesar Chavez this book profiles controversial figures across history The two volume *American Dissidents: An Encyclopedia of Activists Subversives and Prisoners of Conscience* is a work that is as interesting as it is important spotlighting men and women who are heroes to some outlaws and villains to others The 150 individuals profiled in this encyclopedia represent diverse ethnic racial and religious backgrounds as well as various movements and ideologies They are authors anarchists civil rights advocates communists entertainers environmentalists government officials labor organizers libertarians military personnel pacifists political activists from the left and right religious leaders and suffragettes all of whom have labored to change the social economic and political landscapes of the United States Each of the profiles of 2,000 words or more offers not only biographical data but also information to help readers place the individuals within the context of events that surrounded and influenced their activities Because objectivity is a key consideration of the work entries include both praise and criticism

**Ideology in U.S. Foreign Relations** Christopher McKnight Nichols, David Milne, 2022-08-09 Winner 2023 Joseph Fletcher Prize for Best Edited Book in Historical International Relations History Section International Studies Association Ideology drives American foreign policy in ways seen and unseen Racialized notions of subjecthood and civilization underlay

the political revolution of eighteenth century white colonizers neoconservatism neoliberalism and unilateralism propelled the post Cold War United States to unleash catastrophe in the Middle East Ideologies order and explain the world project the illusion of controllable outcomes and often explain success and failure How does the history of U S foreign relations appear differently when viewed through the lens of ideology This book explores the ideological landscape of international relations from the colonial era to the present Contributors examine ideologies developed to justify or resist white settler colonialism and free trade imperialism and they discuss the role of nationalism in immigration policy The book reveals new insights on the role of ideas at the intersection of U S foreign and domestic policy and politics It shows how the ideals coded as civilization freedom and democracy legitimized U S military interventions and enabled foreign leaders to turn American power to their benefit The book traces the ideological struggle over competing visions of democracy and of American democracy s place in the world and in history It highlights sources beyond the realm of traditional diplomatic history including nonstate actors and historically marginalized voices Featuring the foremost specialists as well as rising stars this book offers a foundational statement on the intellectual history of U S foreign policy

## **Phyllis Schlafly And Grassroots Conservatism A Womens Crusade Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Phyllis Schlafly And Grassroots Conservatism A Womens Crusade free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Phyllis Schlafly And Grassroots Conservatism A Womens Crusade free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While

downloading Phyllis Schlafly And Grassroots Conservatism A Womens Crusade free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Phyllis Schlafly And Grassroots Conservatism A Womens Crusade. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Phyllis Schlafly And Grassroots Conservatism A Womens Crusade any PDF files. With these platforms, the world of PDF downloads is just a click away.

### FAQs About Phyllis Schlafly And Grassroots Conservatism A Womens Crusade Books

1. Where can I buy Phyllis Schlafly And Grassroots Conservatism A Womens Crusade books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
