**Mortal Remains** Peter Clement,2004-12-28 In a small upstate New York town an idyllic lake yields a ghastly discovery when the skeletal remains of a young woman missing for twenty seven years are pulled from the icy depths along with unmistakable evidence of her murder Suddenly the long dormant case of Kelly McShane

Braden's mysterious disappearance is reactivated. And for two devastated men, dark emotions and disturbing secrets will also rise to the surface. For local coroner Dr. Mark Roper, the murder is more than just a grim interruption of his general practice in sleepy Hampton Junction. Kelly Braden had been a surrogate sister. When the police insist the trail of Kelly's disappearance is too cold to pick up again, he vows to find the missing pieces of the past that will lead him to a killer. Because that's what cracks cold cases. One guy who can't get it out of his head. Yet Mark isn't the only one with Kelly's murder on his mind. Dr. Earl Garnet, chief of staff at Buffalo's St. Paul's Hospital, was once Kelly's secret lover and would be savior. Until his plans to rescue her from an abusive marriage were cut short by her vanishing. Now, as the last person to see Kelly alive, he's in danger of becoming the prime suspect unless he can unmask the murderer first. But neither man knows about the twisted chain of lies and corruption that led to Kelly's death or the shocking revelations that were meant to go with her to a watery grave. And the harder they push for answers, the easier they make it for their lethal quarry to zero in on them and push back with deadly force. With *Mortal Remains*, Peter Clement remains in total control of readers' nerves from the very first page, once more wielding heart-racing suspense and scalpel-sharp terror with a master surgeon's skill.

**The Lady in the Lake, The Little Sister, The Long Goodbye, Playback** Raymond Chandler, 2002-10-15. Creator of the famous Philip Marlowe, Raymond Chandler elevated the American hard-boiled detective genre to an art form. Chandler's last four novels, published here in one volume, offer ample opportunity to savor the unique and utterly compelling fictional world that made his works modern classics. *The Lady in the Lake* moves Marlowe out of his usual habitat of city streets and into the mountains outside of Los Angeles in his strange search for a missing woman. *The Little Sister* takes Marlowe to Hollywood where he tries to find a sweet young thing's missing brother, uncovering on the way a little blackmail, a lot of drugs, and more than enough murder. In *The Long Goodbye*, a case involving a war-scarred drunk and his nymphomaniac wife has Marlowe constantly on the move, a psychotic gangster's on his trail, he's in trouble with the cops, and more and more corpses keep turning up. *Playback* features a well-endowed redhead who leads Marlowe to the California coast to solve a tale of big money and, of course, murder. Throughout these masterpieces, Marlowe's wry humor and existential sense of his job prove yet again why he has become one of the most recognized and imitated characters in fiction. Featuring the iconic character that inspired the forthcoming film *Marlowe* starring Liam Neeson.

**The Big Sleep and Other Novels** Raymond Chandler, 2000-02-03. One of the BBC's 100 Novels That Shaped Our World, Raymond Chandler invented a new way of talking about America, and America has never looked the same to us since. Paul Auster, author of *The New York Trilogy*, says Raymond Chandler was America's preeminent writer of detective fiction, and this edition of *The Big Sleep and Other Novels* collects three of the best novels to feature his hard-drinking, philosophizing PI Philip Marlowe. Raymond Chandler created the fast-talking, trouble-seeking Californian private investigator Philip Marlowe for his first great novel, *The Big Sleep*, in 1939. Often imitated but never bettered, it is in Marlowe's long shadow that every fictional detective must stand, and under the influence of Raymond Chandler's addictive prose that every

crime author must write Marlowe's entanglement with the Sternwood family and an attendant cast of colourful underworld figures is the background to a story reflecting all the tarnished glitter of the great American Dream The hard boiled detective's iconic image burns just as brightly in Farewell My Lovely on the trail of a missing nightclub crooner And the inimitable Marlowe is able to prove that trouble really is his business in Raymond Chandler's brilliant epitaph The Long Goodbye One of the greatest crime writers who set standards that others still try to attain Sunday Times Chandler wrote like a slumming angel and invested the sun blinded streets of Los Angeles with a romantic presence Ross Macdonald author of The Drowning Pool *Daily Consular and Trade Reports* ,1928 *Kengema Kalabari* Sonny O.
