Racers The Legends Of Formula One 1969-2000:

British Sport: Biographical studies of British sportsmen, sportswomen, and animals Richard William Cox, 2003
Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain. It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian. *International Sport: A Bibliography, 1995-1999* Richard William Cox, 2004-04-22. There has been an explosion in the quantity of sports history literature published in recent years making it increasingly difficult to keep abreast of developments. The annual number of publications has increased from around 250 to 1 000 a year over the last decade. This is due in part to the fact that during the late 1980s and 90s many clubs, leagues and governing bodies of sport have celebrated their centenaries and produced histories to mark this occasion and commemorate their achievements. It is also the result of the growing popularity and realisation of the importance of sport history research within academe. This international bibliography of books, articles, conference proceedings and essays in the English language is a one stop for the sports historian to know what is new. **British Sport - a Bibliography to 2000** Richard Cox, 2013-12-16. Michael also holds the records for the most Grand Prix wins (91), the most fastest laps (77) and the most races won in a single season (13), being statistically the greatest driver the sport has ever seen at the time of his retirement from the sport as stated on the official Formula One website. **Racers** Doug Nye, 1999-11-26. **Formula One: The Legends** Tony Dodgins, 2024-03-12.
