Race and the Cultural Industries Anamik Saha, 2018-01-08 Studies of race and media are dominated by textual approaches that explore the politics of representation But there is little understanding of how and why representations of race in the media take the shape that they do How one might ask is race created by cultural industries In this important new book Anamik Saha encourages readers to focus on the production of representations of racial and ethnic minorities in film television music and the arts His interdisciplinary approach combines critical media studies and media industries research with postcolonial studies and critical race perspectives to reveal how political economic forces and legacies of empire shape industrial cultural production and in turn media discourses around race *Race and the Cultural Industries* is required reading for students and scholars of media and cultural studies as well as anyone interested in why historical representations of the Other persist in the media and how they are to be challenged **Multicultural Reflections on "race and Change"** Kitty

Oliver, 2006 Few places in the United States provide the goldmine of diversity found in South Florida and what better place to look at race relations past and present from a variety of cultural perspectives The Race and Change Project has produced an impressive oral history archive housed at the African American Research Library and Cultural Center in Fort Lauderdale which features over 100 interviews with Blacks Whites and immigrants all talking about their race relations experiences before and after the Civil Rights Act of 1964 A multi ethnic group of students at Florida Atlantic University in Boca Raton Florida most not even born then were challenged to confront these historical accounts and explore their own generational experiences around race in thoughtful candid creative ways The result is this collection Multicultural Reflections on Race and Change It features 22 writers who blend their personal stories with the voices of archival oral histories weaving a rich tapestry of memories into a dialogue on differences that is sure to spark more discussion If you've ever wondered how to make history relevant how to make it a living thing for younger people or how to talk about race in new ways then

Multicultural Reflections on Race and Change gives you a road map definitely worth considering **Developing Cultural Humility** Miguel E. Gallardo, 2013-01-18 Developing Cultural Humility offers a unique look into the journeys of psychologists striving towards an integration of multiculturalism in their personal and professional lives Contributing authors representing a mix of cultural backgrounds but stereotypically identified as White engage in thoughtful dialogue with psychologists from underrepresented communities who are identified as established and respected individuals within the multicultural field The contributing authors discuss both the challenges and rewards they experienced in their own journeys and how they continue to engage in the process of staying connected to their cultural identity and to being culturally responsive In addition psychologists who represent historically disenfranchised communities have similarly reflected on their own journey while offering commentary to the personal stories of White psychologists This text is useful for stimulating discussions about privilege power and the impact race has on either bringing people together or creating more distance whether intentionally or unintentionally It demonstrates to readers how to engage in the process of examining one's own culture in more intentional ways and discusses the implications as we move towards engaging in more dialogue around multicultural issues

Gender, Race, and Class in Media Bill Yousman, Lori Bindig Yousman, Gail Dines, Jean McMahon Humez, 2020-07-24 Gender Race and Class in Media provides students a comprehensive and critical introduction to media studies by encouraging them to analyze their own media experiences and interests The book explores some of the most important forms of today's popular culture including the Internet social media television films music and advertising in three distinct but related areas of investigation the political economy of production textual analysis and audience response Multidisciplinary issues of power related to gender race and class are integrated into a wide range of articles examining the economic and cultural implications of mass media as institutions Reflecting the rapid evolution of the field the Sixth Edition includes 18 new readings that enhance the richness sophistication and diversity that characterizes contemporary media scholarship
