## How do readers make connections?

Good readers make connections by using what they already know to connect a text to their life experiences, another text, or the world.

### Text to Self:

This reminds me of when I...

Connecting the story to your life & experiences

### Text to Text:

This reminds me of a book I read...

Connecting the story to another book

### Text to World:

I heard about this on the news when...

Connecting the story to the real world
