Body Language: Read What People Have in Their Minds M.K. Mazumdar,2024-03-30 Body language the unspoken mode of communication through B gestures postures and facial expressions conveys a lot of information often overlooked in our conversations It is the language of the body interpreting the subtleties of our physical movements and revealing insights into our emotions attitudes and intentions that words alone cannot express We communicate far more than we realise without uttering a single word Body language experts estimate that a staggering 70% of our communication is nonverbal highlighting the profound impact our gestures and mannerisms have in bridging the gap where words fall short When our body language harmonises with our spoken words it reinforces our message with authenticity and clarity So when our gestures contradict our words it sows doubt and undermines our credibility In our daily interactions whether professional or personal body language plays an important role in shaping perceptions and maintaining connections Yet despite its immense significance many of us fail to recognise and interpret the subtle cues we continuously emit and receive As the ancient saying goes The eyes are the windows to the soul revealing the depths of our true emotions be it love hatred or any sentiment in between
