Reading The River A Voyage Down The Yukon:

Reading the River John Hildebrand, 2009-07-30 John Hildebrand sets out in a canoe to explore the great riverway of northwestern Canada and Alaska The geography is closely rendered and the characters especially sharply drawn The country is filled with mad dropouts at river fish camps good hearted girls in the towns sullen natives in tumbledown villages cranky old timers terrible drunks and worse moralizers who live off the wild landscape and its abundant resources This is a fine work and Hildebrand is a fine writer Charles E Little Wilderness Going Places Robert Burgin, 2013-01-08 Successfully navigate the rich world of travel narratives and identify fiction and nonfiction read alike with this detailed and expertly constructed guide Just as savvy travelers make use of guidebooks to help navigate the hundreds of countries around the globe smart librarians need a guidebook that makes sense of the world of travel narratives Going Places A Reader's Guide to Travel Narratives meets that demand helping librarians assist patrons in finding the nonfiction books that most interest them It will also serve to help users better understand the genre and their own reading interests The book examines the subgenres of the travel narrative genre in its seven chapters categorizing and describing approximately 600 titles according to genres and broad reading interests and identifying hundreds of other fiction and nonfiction titles as read alike and related reads by shared key topics The author has also identified award winning titles and spotlighted further resources on travel lit making this work an ideal guide for readers advisors as well a book general readers will enjoy browsing The Yukon River Tim McNeese, 2005 Features the history and geography of each river Documents how these waterways were corridors for exploration cultural exchange conflict migrations trade and economic development Meets high school social studies standards Abbey in America John A. Murray, 2015-05-15 More than twenty five years after his death iconic writer and nature activist Edward Abbey 1929 1989 remains an influential presence in the American environmental movement Abbey's best known works continue to be widely read and inspire discourse on the key issues facing contemporary American society particularly with respect to urbanization and technology Abbey in America published forty years after Abbey's popular novel The Monkey Wrench Gang features an all star list of contributors including journalists authors scholars and two of Abbey's best friends as they explore Abbey's ideas and legacy through their unique literary personal and scholarly perspectives

Updating the Literary West, 1997 Western writers says Thomas J Lyon in his epilogue to Updating the Literary West have grown up with the frontier myth but now find themselves in the early stages of creating a new western myth The editors of the Literary History of the American West TCU Press 1987 hoped that the first volume would begin not conclude their exploration of the West's literary heritage Out of this hope comes Updating the Literary West a comprehensive reference anthology including essays by over one hundred scholars A selected bibliography is included with each piece In the ten years since publication of LHAW western writing has developed a significantly larger presence in the national literary stream A variety of cultural viewpoints have developed along with new tactics for literary study New authors have risen to prominence

and the range of subjects has changed and widened Updating the Literary West looks at topics ranging from western classics to cowboys and Cadillacs and considers children s literature ethnicity environmental writing gender issues and other topics in which change has been rapid since publication of LHAW This volume again affirms the West s literary legitimacy status hard earned by the Western Literary Association and the lasting place of popular western writing as part of the growing and changing literary and American experience An excellent reference for a wide range of readers and an invaluable resource for scholars and libraries Selected list of contributors James Maguire Fred Erisman Susan J Rosowski Gerald Haslam Tom Pilkington A Carl Bredahl Richard Slotkin John G Cawelti Robert F Gish Ann Ronald Mick McAllister Big Sky Rivers Robert Kelley Schneiders,2003 To frame his story Schneiders goes back to the nineteenth century journals of fur traders and settlers and in the record of flora fauna floods and human activity he finds evidence of rapid and disruptive change Bison once had the greatest influence on the land and Schneiders depicts an original bison and Indian trail networks on which were overlaid the first torts and towns and then the railroads highways and reservoirs that reconfigured the region forever *A Northern Front* John Hildebrand,2005 A Northern Front reflects the day by day disappearance of wild places and the ever changing face of the American landscape **Barnstorm** Raphael Kadushin,2005-02-28 Though the best American writers live everywhere now a popular fiction persists our strongest literary voices are strictly bi coastal ones Barnstorm sets out to disprove that clich and to undermine another one as well the sense of regional fiction as something quaint slightly regressive and full of local color The stories in this collection capture our global reality with a ruthless unaffected voice Lorrie Moore s The Jewish Hunter is a dark romance that s by turns cynical and guileless Mack Friedman catches the smoking feel of first love in his Setting the Lawn on Fire and Jesse Lee Kercheval s Brazil is a raucous ultimately mournful road trip For Jane Hamilton Wisconsin is a gorgeous but bittersweet homecoming and for Kelly Cherry in her achingly elegiac As It Is in Heaven it s the hopeful new world juxtaposed with a bleak tweedy England Dwight Allen s The Green Suit evokes the young man edging toward adulthood in a New York that s as flamboyant as an opera and Tenaya Darlington in her A Patch of Skin constructs a pure horror story because the horror of loneliness is something we all know Together Barnstorm s eclectic voices suggest that every coast now even the Great Lakes shores are at the very center of our best and truest national literature Not for sale in the United Kingdom **Alaska** Robert Hedin,Gary Holthaus,1994-02-01 This aptly named book contains 22 selections by John Muir John McPhee Barry Lopez and others on Alaska and to some extent on the neighboring Yukon accompanied by a small but evocative collection of photographs of Eskimos The pieces most of which are top notch vividly describe the harsh climate the Arctic and sub Arctic habitats and the animals of Alaska and tell the stories of the Native Americans and others who have made their home or worked in the North This excellent sampler of some of the best writing on Alaska is recommended for academic and especially public libraries *The Heart of Things* John Hildebrand,2014-08-18 I ve never believed that living in one place means being one thing all the time condemned like Minnie

Pearl to wear the same hat for every performance Life is more complicated than that In this remarkable book of days John Hildebrand charts the overlapping rings home town countryside of life in the Midwest Like E B White Hildebrand locates the humor and drama in ordinary life church suppers Friday night football outdoor weddings garden compost family reunions roadside memorials camouflage clothing In these wry sharply observed essays the Midwest isn't The Land Time Forgot but a more complicated and vastly more interesting place where the good life awaits once we figure exactly out what it means From his home range in northwestern Wisconsin Hildebrand attempts to do just that by boiling down a calendar year to its rich marrow of weather animals family home in other words all the things that matter **Inside the Ropes** Zachary

Alaska Claus M. Naske,Herman E. Slotnick,2014-10-22 The largest by far of the fifty states Alaska is also the state of greatest mystery and diversity And as Claus M Naske and Herman E Slotnick show in this comprehensive survey the history of Alaska's peoples and the development of its economy have matched the diversity of its land and seascapes Alaska A History begins by examining the region's geography and the Native peoples who inhabited it for thousands of years before the first Europeans arrived The Russians claimed northern North America by right of discovery in 1741 During their occupation of Russian America the region was little more than an outpost for fur hunters and traders When the czar sold the territory to the United States in 1867 nobody knew what to do with Seward's Folly Mainland America paid little attention to the new acquisition until a rush of gold seekers flooded into the Yukon Territory In 1906 Congress granted Alaska Territory a voteless delegate and in 1912 gave it a territorial legislature Not until 1959 however was Alaska's long sought goal of statehood realized During World War II Alaska's place along the great circle route from the United States to Asia firmly established its military importance which was underscored during the Cold War The developing military garrison brought federal money and many new residents Then the discovery of huge oil and natural gas deposits gave a measure of economic security to the state Alaska A History provides a full chronological survey of the region's and state's history including the precedent setting Alaska Native Claims Settlement Act of 1971 which compensated Native Americans for their losses the effect of the oil industry and the trans Alaska pipeline on the economy the Exxon Valdez oil spill and Alaska politics through the early 2000s *Black Earth and Ivory Tower* Zachary Michael Jack,2005 The collected reflections and wisdoms of 30 contemporary farmer writer teachers Heralding the seventy fifth anniversary of the quintessential agrarian anthology I'll Take My Stand Zachary Michael Jack himself a fourth generation farmer's son has assembled North America's foremost

contemporary writers on the present rural experience to provide their own twenty first century insights In the grand tradition of farmer writers Robert Frost Henry David Thoreau and Andrew Lytle Black Earth and Ivory Tower New American Essays from Farm and Classroom gathers the disparate wisdoms of modern day stewards of the land including Victor David Hanson Michael Martone Linda Hasselstrom John Hildebrand Country Things cartoonist Bob Artley and Duane Acker former U S Assistant Secretary of Science and Education and former president of Kansas State University These gifted teachers and growers offer hard won inspiration from the field and the classroom exemplifying the multifaceted farm grounded talents that call them to lives as writers visual artists conservation tillers environmentalists economists policymakers extension agents and grassroots activists Seeking a balanced life that reconciles the hands heart and head they follow roads less traveled to find agrarian lifestyles at once enlightening and challenging At a time when less than two percent of Americans count themselves as farmers these writers all of whom have cultivated the earth and climbed the ivory tower underscore the diversity of the American farm as a wellspring of learning Their plainspoken commentaries on modern farming teaching and living will remind older generations of time honored agrarian values and provide a new generation with a literate critical account of shifting national priorities

A Story of Six Rivers Peter Coates, 2013-06-01 Many of the world's major cities sprang up on the banks of rivers Used for water food irrigation transportation and power rivers sustain life and connect the world together but most of us think of them simply as waterways that must be crossed on the way to another place Using four European and two North American rivers as examples A Story of Six Rivers considers the place of rivers in our world and emphasizes the inextricable links between history culture and ecology Peter Coates explores six rivers chosen as examples of the types of rivers found on the planet the Danube the second longest river in Europe the Spree which flows through Berlin the Po which cuts eastward across northern Italy the Mersey in northwest England the Yukon which runs through Canada and Alaska and the Los Angeles in California Creating a series of river biographies Coates gives voice to each of these bodies of water exploring how rivers nurture us provide cultural and economic opportunities and pose threats to our everyday lives He challenges recent narratives that paint rivers as the victims of abuse pollution and damage at the hands of humans focusing on change rather than devastation Describing how humans and rivers form a symbiotic and sometimes mutually destructive relationship Coates argues that rivers illustrate the limits of human authority and that their capacity to inspire us is as strong as our ability to pollute them An intimate portrait of the way these bodies of water inform our lives A Story of Six Rivers will make us reconsider the streams and tributaries we traverse each day

Writing and America Gavin Cologne-Brookes, Neil Sammells, David Timms, 2016-07-01 Writing and America surveys the writing genres that have contributed to the American notions of America Essays from scholars from both side of the Atlantic chart the range of responses to American nationhood from colonial times to the present and include dissenting responses from communities such as native American black and feminist writers Case studies from writers such as James Fenimore Cooper and William

Carlos Williams provide a framework for discussions on topics such as colonial notions of America as the promised land the discourses of nationhood in the republic the sense of nationhood in American historiography and the formation of the American Canon Draws upon extracts from the American Bills of Rights and the Constitution as examples of different types of writing

Alaska River Guide Karen Jettmar, 2008-06-28 The rich tapestry of Alaska is threaded together by 365 000 miles of waterways from cascading mountain streams to meandering valley rivers from the meltwaters of glaciers to broad rivers that empty into the sea This guide profiles a wide variety of rivers from all over Alaska concentrating on trips for intermediate boaters and including a few major expeditions for the experienced river runner A section on gear outlines what to take into the backcountry

Rivers of the World James Penn, 2001-12-12 Rivers of the World vividly written and meticulously researched is a rich and thorough treatment of some 200 of the world's rivers In this comprehensive treatment of the major rivers of the world author James R Penn's purpose is not just to feature geographic data but to tell a story of historical drama poetic significance and cultural relationships The book shows glimpses of Chairman Mao boosting his image by swimming in the Yangtze Indian middlemen residing on both sides of the Columbia River exacting tolls from travelers like Lewis and Clark and near the Dordogne in southwest France Paleolithic cave art paintings and designs in rock shelters and subterranean caverns which are textbook examples of early human creativity and artistic impulse In nearly 200 entries ranging from a few paragraphs to several pages Rivers of the World covers all of the great rivers of the world including the Nile Niger Amazon and Mississippi as well as smaller waterways that illustrate important themes or represent trends The book includes bibliographies for each river
