*First Century of National Existence* ,1872     **First Century of National Existence** Anonymous, 2023-11-21 Reprint of the original first published in 1875 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost     **While I Was Yet Sinning** Steven J. Hawley, 2014 While I Was Yet Sinning is a compilation of short stories and lessons on how to be an effective Christian while yet a sinner So many of us find ourselves reflecting on our failures and deeming ourselves unqualified to speak Christ to those whom we live and work with every day While I Was Yet Sinning is reality based with stories of people who have gone through much failed and been challenged to continue delivering Christ to others Their stories are Scripture based and easy to read and apply Just as Jesus empowered sinners to reach a fallen world while he walked on Earth he now empowers us to continue the mission of bringing others to Him For this mission he forgives us as we come to him and ask None of us will be perfect until we are in His presence nor will those around us While I Was Yet Sinning is a work in and about His grace     **The Bible, Re-Write It or Re-Read It** Benjamin Lee Vince, 2008-11-26 Generic versions of the Bible begat generic versions of Christians If we frustrate the

language of the King James Version of the Bible we will frustrate the grace of God and the genetic codes that lead to eternal life We ought to preach the gospel not as our views but as the mind of God If we have been entrusted with the making of the gospel we might have altered it to suit the taste of the modest century but never having been employed to originate the good news but merely to repeat it we dare not stir beyond the record Charles H Spurgeon Used by permission *Eighty Years Progress of the United States: Showing the Various Channels of Industry and Education ... with a Large Amount of Statistical Information ...* ,1861 **Signs of the Times, and Doctrinal Advocate and Monitor** ,1903 *Eighty Years Progress of the United States: Agriculture*, by C.L.
