Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

Now Is the Day of Salvation Timothy Milinovich, 2012-06-28 Is Second Corinthians one of Paul's most personal and passionate letters better understood as a text or a performance Using an audience oriented method Timothy Milinovich examines the letter as orally performed correspondence from the view of the authorial i e intended or ideal audience What results is an original structural analysis of 2 Corinthians 1:1-6:2 denoting twenty chiasmic units and three larger

macrochiastic arguments This arrangement is intended to show what the authorial audience heard offering a new way of understanding how Paul's letter would have been received not based on modern thematically determined paragraphs but on oral patterns consonant with the cultural context of the author and audience Milinovich offers insight on the audience response to the climactic exhortation to reconciliation with the apostle in 5:16-6:2 He determines that the structure of the unit is the key to its theological and rhetorical message which is just as much concerned with the community's relationship with Paul as with God That is if they are to fully receive the salvation that God intends for them the community must be reconciled with their apostle now at the hearing of this letter 1 Corinthians James D. Worship, Music, and Interpretation Wendy J. Porter, 2024-09-30 This unique volume brings together wide ranging research that could only be written by someone singularly expert in the full range of Christian worship and music from ancient to modern These essays by Wendy Porter span eras and areas of study from the New Testament to the present and encompass an expansive view of worship music and liturgy Some focus on what is known or not about early Christian worship including the early creeds and hymns in the New Testament and whether music originated in Jewish or Greco-Roman contexts Some introduce firsthand work on ancient liturgical manuscripts such as a sixth century manuscript by hymnwriter and preacher Romanos Melodus or a tenth century ekphrastic liturgical manuscript Extending her research on sixteenth century English composers as musical interpreters Porter includes several papers on how musicians have functioned as theological interpreters in worship and music One chapter engages theological comparisons between well known compositions by Bach Beethoven and Stravinsky another creatively explores what contemporary worship leaders can learn from sixteenth century songwriter and worship leader William Byrd while others invite thoughtful reflection on what we can all learn if we stop to consider how Christians have functioned and fared in their worship through the centuries *Paul and Apostasy* B. J. Oropeza, 2007-04-01 This groundbreaking work presents the concepts of apostasy and perseverance in light of recent interpretative and intertextual methods Oropeza argues that the Pauline letters include warnings to congregation members who are in danger of falling away and Paul often considers these members to be authentic converts to the early Christian message A prime example of this is presented in the apostle's use of the Exodus wilderness traditions in 1

Corinthians 10 1 13 In an effort to persuade congregation members against apostasy Paul echoes examples from the Hebrew Scriptures and Jewish traditions regarding Israel's divine election and punishments The Corinthians are exhorted against conducting themselves in a manner that parallels the ancient Israelites who after crossing the Red Sea were rejected by God in the wilderness because they murmured and committed vices such as idolatry and sexual immorality Paul cautions the Corinthians that if they commit such vices in their own spiritual journey they will suffer divine judgment before the culmination of the eschaton These warnings are located within larger rhetorical arguments related to the problems of meat sacrificed to idols congregational factions and misperceptions about the end times Oropeza also interprets passages on apostasy and perseverance in Paul's other letters and he interacts with theological perspectives associated with the perseverance of the saints including Calvinist and Arminian traditions His work provides a fresh alternative to this theological controversy Second Corinthians William R. Baker, 1999 Paul in Ecstasy Colleen Shantz, 2009-04-27 While many readers of Paul's letters recognize how important his experience was to his life and thought Biblical scholars have not generally addressed this topic head on Colleen Shantz argues that they have been held back both by a bias against religious ecstasy and by the limits of the Biblical texts how do you responsibly access someone else's experience particularly experience as unusual and debated as religious ecstasy And how do you account responsibly for the role of experience in that person's thought Paul in Ecstasy pursues these questions through a variety of disciplines most notably neuroscience This study provides cogent explanations for bewildering passages in Paul's letters outlines a much greater influence of such experience in Paul's life and letters and points to its importance in Christian origins Acts: An Exegetical Commentary : Volume 3 Craig S. 1 Corinthians Scot McKnight, 2024-05-07 Scholarly insights with a pastoral heart for all the books of the New Testament Scot McKnight is one of my absolute favorite New Testament scholars and his Everyday Bible Study series is akin to Einstein creating a user friendly version of the Theory of Relativity Lisa Harper award winning author and Bible teacher Paul writes a letter to a church routinely in disagreement with Paul s vision for how to live as a Christian in Corinth a Roman city The Corinthians were daily challenged to pursue Romanitas or the social cultural and religious life of the elites in the Roman world and thus the Corinthians were pursuing too much prestige and status and honor Various factions or divisions had formed among the house churches Paul addresses a series of church problems presenting themselves in Corinth that need to be understood and corrected so the believers of Corinth can walk in the way of Christ more consistently In the New Testament Everyday Bible Study Series widely respected biblical scholar Scot McKnight reveals the newness and activeness of God s Word as it works in our everyday lives His unique approach to Bible study combines sound theology with relevant pastoral wisdom Each volume of this series provides Original Meaning Brief precise expositions of the biblical text and offers a clear focus for the central message of each passage Fresh Interpretation Brings the passage alive with fresh images and what it means to follow King Jesus Practical Application Biblical connections and questions for reflection and application for each passage The NIV is used as the primary Bible text but McKnight also includes insights from his own translation of the entire New Testament Each Bible study features a short compact clear exposition that both summarizes the whole and gives the reader a clear focus for what is central to the passage

Without Spot or Wrinkle Karl Koop, Mary H. Schertz, 2015-06-18 On February 5 2000 the Institute of Mennonite Studies held a conference at Associated Mennonite Biblical Seminary entitled Without Spot or Wrinkle Reflecting Theologically on the Nature of the Church This conference gave attention to ecclesiology in direct response to challenges that Mennonite church bodies in Canada and the United States have been facing in recent times The phrase without spot or wrinkle comes from Ephesians 5 27 a text addressing relationships between husbands and wives within the Christian household Historically it has also come to symbolize what Mennonites have sometimes believed about the nature of the church Anabaptists and Mennonites who came after them have often maintained that the true church is a gathering of reborn and spiritually regenerated Christians called to be a community free from moral failure At present however some Mennonites are questioning elements of this conceptual legacy and in light of personal failings and hurtful church schisms are expressing doubts about its practical adequacy and theological tenability The essays in this book do not provide a unified argument What the authors have in common is concern for the church and commitment to faithfulness Readers are invited to reflect on the

issues and make their own assessments

2 Corinthians Scot McKnight, 2024-08-20 Scholarly insights with a pastoral heart for all the books of the New Testament Scot McKnight is one of my absolute favorite New Testament scholars and his Everyday Bible Study series is akin to Einstein creating a user friendly version of the Theory of Relativity Lisa Harper award winning author and Bible teacher The apostle Paul's second letter to the Corinthians is Paul's most pastoral letter Paul's most emotional letter and a view into the factions and the fracturing relations with one of Paul's most memorable churches In the letter Paul appeals to unity and expresses joy over the good news he hears about Corinth's believers reception of his care for them In the New Testament Everyday Bible Study Series widely respected biblical scholar Scot McKnight reveals the newness and activeness of God's Word as it works in our everyday lives His unique approach to Bible study combines sound theology with relevant pastoral wisdom Each volume of this series provides Original Meaning Brief precise expositions of the biblical text and offers a clear focus for the central message of each passage Fresh Interpretation Brings the passage alive with fresh images and what it means to follow King Jesus Practical Application Biblical connections and questions for reflection and application for each passage The NIV is used as the primary Bible text but McKnight also includes insights from his own translation of the entire New Testament Each Bible study features a short compact clear exposition that both summarizes the whole and gives the reader a clear focus for what is central to the passage

Paul and the Rhetoric of Resurrection Timothy J. Christian, 2022-12-12 Have you ever wondered why Paul leaves the resurrection discussion in 1 Corinthians 15 for the end of the letter Have you pondered how 1 Corinthians 15 functions as the climax to 1 Corinthians This book answers those questions by exploring insinuation the Greco Roman rhetorical convention used to address prejudiced or controversial topics like resurrection at the end of a discourse This is the most thorough treatment of insinuation in Biblical and Classical studies to date It examines the Greco Roman rhetorical handbooks and speeches on insinuation compares them to what Paul does in 1 Corinthians 15 and finds that this was precisely Paul's rhetorical strategy in 1 Corinthians

The Paul-Apollos Relationship and Paul's Stance toward Greco-Roman Rhetoric Corin Mihaila, 2009-06-25 Research into the social and rhetorical background of the Corinthian church shows that the Corinthians were evaluating their leaders based on their rhetorical prowess seeking to associate with those who would enhance their status and honour The coherence of Paul's argument in 1 Corinthians 1-4 is evaluated particularly by showing how Paul's discourse of the cross and Sophia relate to the issue of the dissensions in the Corinthian ekklesia Once demonstrated that there is a misunderstanding of wisdom amongst church leaders at the basis of the dissensions a redefinition of the wisdom offered in Corinthians is required In what could be considered the locus of Paul's theology of proclamation i.e. 1 Corinthians 2:1-5 he rejects any employment of worldly wisdom in his proclamation of the cross for theological reasons and will not allow himself or other leaders to be drawn into this game of personality cult and honour enhancement Such conclusions then raise the question of the role played by Apollos name in Paul's argument against dissensions After a review of several possible views it is concluded based primarily on

exegetical grounds and refusing to engage in hermeneutical speculations that Paul had a congenial relationship with Apollos. If any distinction is drawn between the two it was solely the Corinthians fault who viewed their preachers in competitive rather than complementary terms

Religious Experience of the Pneuma Clint Tibbs, 2012-04-26 This book explores the Christian religious experience of the pneuma given in 1 Corinthians 12 and 14. The experience Paul mentions in these texts as well as the mention of spirits in three different places suggest that Paul was actually writing about communicating with the spirit world

All Citizens of Christ: A Cosmopolitan Reading of Unity and Diversity in Paul's Letters Jeehei Park, 2022-10-10 In this work Jeehei Park proposes Greek and Roman cosmopolitanism as a constructive category through which to navigate a reading of human diversity and communal unity in Paul's letters. Park takes a thorough look at the cosmopolitan ideas of Diogenes of Sinope, Philo, Plutarch, Epictetus and Marcus Aurelius to establish Paul as an interlocutor who critically participated in the discourse of cosmopolitanism. Park characterizes Paul's understanding of unity with the distinctive phrase heterogeneous unity in which human differences are respected and embraced rather than being universalized or homogenized. This book offers a novel analysis of Paul's rhetoric about citizenship in Philippians and its adoption of Greek and Roman cosmopolitanism as an interpretive contour

An Asian Introduction to the New Testament Johnson Thomaskutty, 2022-02-15 Understanding and assessing the New Testament writings from Asian viewpoints provides a unique and original outlook for interpretation of the Christian Scriptures. To that end, *An Asian Introduction to the New Testament* is the first book of its kind to take full account of the multi-religious, multi-ethnic, multi-lingual, multicultural and pluralistic contexts in which Asian Christians find themselves. Into this already complex world, issues of poverty, casteism, class structure, honor and shame, aspects of colonial realities, discrimination against women, natural calamities and ecological crises and others add more layers of complexity. Perceiving the New Testament in light of these realities enables the reader to see them in a fresh way while understanding that the Jesus Movement emerged

from similar social situations Readers will find able guides in an impressive array of more than twenty scholars from across Asia Working with volume editor Johnson Thomaskutty the authors make a clear case the kernels of Christianity sprouted from Asian roots and we must read the New Testament considering those roots in order to understand it afresh today

Being Subordinate Men Brian J. Robinson, 2018-11-15 *Being Subordinate Men* offers a gender critical examination of Paul's use of gender and power in the argument of 1 Corinthians By elevating femininity and misperforming masculinity Paul consistently undermines first century Roman norms of masculinity Such norms of masculinity would have allowed some of the higher status men among the Corinthian believers to occupy positions of power that would give them control over lower status members of the community Instead of supporting such a patriarchal model Paul articulates a form of masculinity that would require these higher status men to abandon their positions of power and occupy positions that would put them on equal status with women and men whose bodies and identities forced them to the margins of society Such a move subverts forms of toxic or hegemonic masculinity that give a select few men power over the bodies of others Instead of a toxic masculinity Paul commands the men in his audience to embody a failed or subordinate masculinity This failed masculinity not only imitates Paul's own subordinate masculinity seen in his embrace of feminine imagery and his failure to live up to first century Roman norms of masculinity but also supports Paul's main reason for writing 1 Corinthians by confronting the factionalism that threatens to destroy the believing community Paul's vision for the believing community is one of equality that centers itself in imitation of the crucified body of Jesus a body that demonstrates that equality not domination is the path to the kingdom of God
