Reading The New Testament Today A Modern Introduction:

Reading the Gospels Today Stanley E. Porter,2004 As ancient documents the New Testament Gospels can seem distant from contemporary life or irrelevant to modern society Further complicating the task of reading the Gospels is the way they seem to introduce differing if not competing pictures of Jesus Reading the Gospels Today is meant to help Bible readers understand and move beyond the difficulties involved in interpreting Scripture in our current context In these insightful studies several biblical scholars explore the content of the Gospels while also discussing how to read these writings in relation to each other and in terms of today s world Some chapters consider issues that vex Gospel criticism others look at particular texts or Synoptic themes still others demonstrate how one s immediate interpretive context helps to raise the issues and shape the answers that are found when we read the Gospels Well organized thoughtfully written and widely accessible this volume will serve to draw readers into the exciting field of contemporary Gospels study Contributors Craig A Evans Michael Knowles Andrew T Lincoln Allan Martens Lee Martin McDonald Stanley E Porter Al Wolters Yong Eui Yang
