Race Cars

Zoom! Zoom! Zoom! The race cars were all practicing for the big race tomorrow. Around and around and around the track they went. They practiced weaving in and out of cones, going around the curves, and starting right when the green light went on. Blue Race car and Red Race car were best friends, so they practiced together all day.

That night, they were in the garage resting up for the big race tomorrow. Red Race car couldn't sleep, though.

"Blue Race car? Are you asleep?" Red Race car asked.

"No. I'm feeling nervous for the race tomorrow. How are you feeling?" Blue Race car answered.
