Reading Workshop 2.0 Frank Serafini, 2015 As reading teachers how do we deal with the massive shifts that digital literacy is creating We can t abandon what we know works to keep up with the latest online literacy fads Yet we need to prepare readers for a world of digital content Reading Workshop 2 0 gives us teaching that puts reading for meaning first while also balancing the need for kids to become sophisticated users of books as well as online reading resources This book writes Frank Serafini is designed to help teachers organize their reading workshops in order to take advantage of the latest technologies With his guidance you ll bring more digital reading into your teaching without sacrificing sound instructional principles or practices Reading print shares four essential processes with digital reading accessing and navigating archiving and sharing commenting and discussing and interpreting and analyzing Frank introduces important well established digitally based resources that further these processes while his lesson ideas transfer learning from classroom to real world digital reading If it doesn t help children develop as readers writes Frank Serafini it doesn t matter how shiny the new object is With Reading Workshop 2 0 you ll help students with print while also helping them use online resources and technologies as they are intended to make sense of texts more deeply effectively and efficiently

Launch an Intermediate Reading Workshop Lucy Calkins, 2010-10-12 Workshops are deliberately kept simple and predictable like an art studio or a researcher s laboratory because it is the work itself that is ever changing and complex Each day s teaching in a workshop does not set up a new hoop for the students to all jump through in sync Instead for the bulk of time during each day students carry on with their work As they do so they draw upon a growing repertoire of skills tools strategies and habit Lucy Calkins Learn how to teach students to read with increasing sophistication and personal engagement and how Lucy Calkins and her colleagues launch a rigorous and responsive intermediate reading workshop Through 2 foundational books *A Guide to the Reading Workshop* and *Building a Reading Life* and eight online video clips Lucy and her colleagues provide the strategies lesson plans and tools you ll need to lead strong efficient reading workshops in upper elementary classrooms *A Guide to the Reading Workshop* crystallizes the reading workshop After detailing the essential principles of reading workshop instruction Lucy describes how to develop engaging minilessons that develop the skills of proficient readers In the chapters that follow Lucy presents different ways to lead small group work and one to one conferences In addition to describing the predictable methods and structures of a reading workshop select chapters consider

various ways to assess readers and track their development how to use data to inform your instruction and how to differentiate instruction and prepare for standardized reading tests Building a Reading Life launches the reading workshop In this unit of study Lucy and Kathleen Tolan pull out all stops in an effort to help all their students become avid readers They wear a love of reading on their own sleeves help students fashion their identities as people who care about reading and create a social life that revolves around shared books above all they help students develop a sense of agency about their reading lives taking responsibility for becoming the kinds of readers who not only make sense of books but also let books change their lives Lucy and Kathleen meanwhile induct children into the structures routines and habits of a reading workshop Students learn how to choose books that are just right in level and interest to carry books between home and school to collect and study data about their reading rates and volume and to push themselves to read with increasing stamina fluency and volume In reading partnerships children learn to retell and summarize texts and to share ideas that are grounded in the specifics of their books Through the eight accompanying video clips Lucy and other master teachers invite you to eavesdrop on their minilessons small group instruction and conferences Dramatic video clips let you sit alongside young readers as they engage in book clubs reading partnerships and inquiry groups Video clips are free for 6 months upon registration You must register within 6 months of purchase Learn more about these resources and the Units of Study series at www.unitsofstudy.com This pack is part of firsthand's Getting Started series Bridging the gap between educational theory and practice firsthand classroom materials model the carefully crafted techniques and language of master teachers in ways that help teachers refine their practice and reinvent their own teaching The most comprehensive of these resources span more than a year of instruction Firsthand's Getting Started Packs were created for teachers in training and professional book study groups who want a compact affordable way to study and tryout these transformative classroom materials Each Getting Started Pack includes an overview book a complete unit of study online video clips provided free of charge for 6 months and an accompanying study guide Getting Started packs include Launch a Primary Writing Workshop Grades K 2 Launch an Intermediate Writing Workshop Grades 3 5 Launch an Intermediate Reading Workshop Grades 3 5 Introduce the Qualities of Writing Grades 3 6 Monitor Comprehension with Primary Students Grades K 2 Monitor Comprehension with Intermediate Students Grades 3 6 Investigate the Number System Grades K 3 Investigate Multiplication Grades 3 5 Investigate Fractions Grades 4 6

Growing Readers Kathy Collins, 2023-10-10 Primary grade teachers face an important challenge teaching children how to read while enabling them to build good habits so they fall in love with reading Many teachers find the independent reading workshop to be the component of reading instruction

that meets this challenge because it makes it possible to teach the reading skills and strategies children need and guides them toward independence intention and joy as readers In *Growing Readers* Kathy Collins helps teachers plan for independent reading workshops in their own classrooms She describes the structure of the independent reading workshop and other components of a balanced literacy program that work together to ensure young students grow into strong well rounded readers Kathy outlines a sequence of possible units of study for a yearlong curriculum Chapters are devoted to the individual units of study and include a sample curriculum as well as examples of mini lessons and reading conferences There are also four Getting Ready sections that suggest some behind the scenes work teachers can do to prepare for the units Topics explored in these units include print and comprehension strategies reading in genres such as poetry and nonfiction connecting in school reading and out of school reading developing the strategies and habits of lifelong readers A series of planning sheets and management tips are presented throughout to help ensure smooth implementation We want our students to learn to read and we want them to love to read To do this we need to lay a foundation on which children build rich and purposeful reading lives that extend beyond the school day The ideas found in *Growing Readers* create the kind of primary classrooms where that happens

Comprehension Through Conversation Maria Nichols, 2006 Maria Nichols offers not possible lessons but full descriptions of actual lessons Here you ll find no ivory tower examples of what might be but examples of what is already available in many classrooms These are classrooms of the sort that we hope our children and grandchildren are lucky enough to encounter not once in a while but routinely Richard L Allington To say this is an exceptional book about teaching comprehension would be to trivialize it With superb examples and flawless logic Nichols demonstrates how to orchestrate conversations that build literate habits of mind Peter H Johnston author of *Choice Words* *Comprehension Through Conversation* captures the power and essence of purposeful engaging instruction and reminds us of the real purpose for comprehension instruction to understand the deeper issues in texts and discuss these ideas to construct meaning Nancy L Akhavan author of *How to Align Literacy Instruction and Standards* When it comes to reading comprehension talk isn t cheap it s a valuable way to help children think articulate their opinions about a text and get the most from their reading experiences *Comprehension Through Conversation* is a practical guide to comprehension conversation and collaboration Maria Nichols invites you to listen in on reading workshops where purposeful book talk leads students to deeper understandings of fiction nonfiction and the world beyond Moving forward from the widely understood concept that exchanging ideas builds students comprehension Nichols shows you specific ways to use conversation as a scaffolding that bridges prior knowledge to more advanced reading skills and techniques as well as to big ideas such as themes Her useful ideas for conversations begin with lesson designs that use read alouds to spark discussions lead to suggestions for units of study that support children as they read progressively more complex texts and ultimately build toward fully independent reading and thinking Start a new dialogue with your students about reading thinking and sharing

Open your curriculum to the types of smart book discussions in *Comprehension Through Conversation* You ll discover that when it comes to increasing reading comprehension encouraging critical thinking and creating literate habits of mind purposeful talk is priceless **Lessons in Comprehension** Frank Serafini,2004 Serafini has created a teaching treasure trove that contains nearly a year s worth of comprehension instruction plus an extensive list of children s literature that he has successfully woven into his own reading workshop *Lessons in Comprehension* introduces and reinforces meaning making concepts through eight broad thematic strands that scaffold understanding and responsibility for novice readers

Teaching Early Writing and Reading Together Connie Campbell Dierking,2007 The writing reading connection means more than having your students write under the influence of literature that they have read Noted author and educator Connie Campbell Dierking shows you how to develop a literacy connected classroom including using oral storytelling to scaffold primary reading and writing She supplies more than 50 mini lessons organized by their classroom function to help you explicitly teach foundational literacy skills during writer s workshop or whole class and small group reading instruction Dierking encourages you to make the most of the writing reading connection by thinking about some basic questions when you re crafting your literacy instruction How can I connect the conversations in reading and writing workshop What can I learn about the readers in my classroom through their writing What can my students learn about reading through writing How can I teach young writers to support their readers How can I teach readers how to use a writer s supports intentionally

Literacy Workshop Maria Walther,Karen Biggs-Tucker,2023-10-10 The Literacy Workshop Where Reading and Writing Converge is a first of its kind resource that offers a practical process for creating an integrated literacy workshop using demonstration lessons that align with current curriculum standards In this forward thinking book authors Maria Walther and Karen Biggs Tucker share what they ve learned over countless reading and writing workshops and combine into one literacy workshop The authors demonstrate how you can save valuable classroom time while still empowering students to uncover exciting connections in their learning leading to stronger more motivational readers and writers By weaving the common threads of literacy learning together you can increase the time your students spend engaged in authentic reading and writing Inside you ll find the following A clear succinct explanation of the literacy workshop structure how to get started and how to determine the best time to begin the merge 50 demonstration lesson plans appropriate for both primary and intermediate grade levels that use strategies incorporating elements from recommended fiction and nonfiction anchor texts Substantial printable resources and online tools to help make this instructional shift as smooth as possible From the big picture to small helpful details The Literacy Workshop will be your guide as you blur the lines between your reading and writing workshops creating space for students to apply their learning and practice the habits behaviors and actions of literate and engaged citizens **Supporting English Learners in the Reading Workshop** Lindsey Moses,2015 Practical instructional ideas lessons and differentiation strategies to support English learners in diverse classroom settings With classrooms that are more
