Readings In Social And Political Philosophy:

Social and Political Philosophy Baruch A. Brody, George Sher, 1999 TofC cont Social ideals Justice A utilitarian theory of justice J S Mill Egalitarianism with changed motivation G Cohen Equality Multidimensional equality M Walzer Equality of capacity A Sen Liberty rights property and self ownership A defense of the primacy of liberty rights L Lomasky Atomism and the primacy of rights C Taylor Social institutions Education Educating about familial values W Galston For vouchers and parental choice M Friedman Family In defense of filial obligations C H Sommers Punishment A utilitarian theory of punishment J Bentham In this book the editors provide students with a wide variety of readings covering the problems of political and social philosophy Such topics as political obligation democracy rights and justice are represented in addition to less widely discussed subjects as the family Both common approaches and those which are less familiar are presented as well as recent developments in the topic area Back cover *Readings in Social & Political Philosophy* F. A. Adeigbo,

Readings in Social and Political Philosophy Robert M. Stewart, Robert Stewart, 1996 Anthology of essays on social and political thought with a focus on modern Western political thought **Social and Political Philosophy** Andrea Veltman, 2008 Social and Political Philosophy Classic and Contemporary Readings is a comprehensive reader that offers a carefully balanced perspective of modern day social and political philosophy and the ways in which classic thought has shaped it Editor Andrea Veltman seamlessly integrates the work of contemporary philosophers Canadian scholarship and feminist perspectives with some of the most valued readings in political thought Suited to both one and two semester courses Social and Political Philosophy is a uniquely Canadian text that brings fresh insight into many of the issues facing today's society Pedagogical features including biographical sketches recommended readings and end of chapter review questions engage readers and helps students foster important connections between the past and present **Social Ideals and Policies** Steven Luper, 1999 This collection of essays traces the development of a range of social ideals then addresses questions about society and the international order With a balanced inclusion of historical and contemporary selections this is the most comprehensive anthology available in social and political philosophy **Social and Political Philosophy** John Somerville, Ronald Santoni, 2012-09-12 An anthology of basic statements by the most influential social and political philosophers of Western civilization Includes Plato Aristotle Machiavelli Hobbes Locke Rousseau Jefferson Thoreau Mill Marx and Engels Lenin Mussolini Hitler Dewey and Gandhi *Individual, Community and Justice* Jeffrey H. Barker, 1994-01-01

Readings in Political Philosophy Francis William Coker, 1929 **Morality and Moral Controversies** Steven Scalet, John Arthur, 2019-06-18 Morality and Moral Controversies 10th Edition challenges students to critically assess today's leading moral social and political issues As a comprehensive anthology it provides students with the tools they need to understand the philosophical ideas that are currently shaping our world The 10th edition includes classic and contemporary readings in moral theory the most current topics in applied ethics and updated debates in social and political philosophy As in the

previous nine editions the materials were selected for balance timeliness and accessibility after reviewing a vast range of possible articles from leading scholarly journals mainstream periodicals online posts and book chapters Hallmarks include carefully edited and philosophically relevant U S Supreme Court decisions compelling readings and contrasting points of view that reflect a broad ethical and political spectrum Upon completing this book readers will be able to Understand philosophical ideas that are shaping the world today Apply various philosophical ideas to politics religion ethics economics personal relationships medicine the environment and climate change warfare and other areas Appreciate how to construct apply and evaluate basic philosophical arguments Key updates to the 10th edition include All material published in the actual book in contrast to placing sections online behind a paywall as was the case in earlier editions with a different publisher New readings on autonomous warfare self driving cars the right to health care technology and privacy the value of democracy racial equality immigration

Social and Political Philosophy James P. Sterba,1998 This anthology with general and special introductions by the author puts the historical development of Western social and political philosophy into both feminist and multicultural perspectives Each of the book s sections provides a solid foundation of classic western readings followed by articles with feminist and multicultural perspectives

Morality and Moral Controversies John Arthur,2002 This comprehensive anthology includes classic and contemporary readings in moral theory along with a wide array of essays that address today s most philosophically interesting and controversial ethical and political issues Covering a broad range of topics across the entire philosophical and political spectrum it shows the relevance of traditional thinkers as well as the many ways that contemporary writers are challenging the limits of the classical works KEY TOPICS The readings address individual conscience and religious authority classical theories of morality contemporary perspectives the sources and grounds of morality violence terrorism and war capital punishment animals and the natural environment abortion euthanasia and eugenics justice and economic distribution civil disobedience and rule of law liberty and freedom free speech equality and difference racism and affirmative action sex love and friendship and marriage and family MARKET For those interested in ethics morality and political and social philosophy

For and Against the State John T. Sanders,Jan Narveson,1996 Is government justified This perennial question is central to political philosophy and has never been more alive than at the present time in the midst of continuing political and social upheaval worldwide This collection of new essays by thirteen philosophers addresses questions of political authority in light of recent work in political theory Whether supporters or critics of the state the authors make their arguments using up to date analytical tools such as game and decision theory and the hindsight provided by modern history For and Against the State will be an important collection for students of philosophy politics economics and history

ENCYCLOPAEDIA OF READINGS IN MORAL, SOCIAL AND POLITICAL PHILOSOPHY (5 VOLUMES). SeoYoung Lee,John Ezenwankwor,Ani Casimir,2016

Social and Political Philosophy John Christman,2017-10-02 This accessible book is invaluable to anyone coming to social and political philosophy for the first time

It provides a broad survey of key social and political questions in modern society as well as clear discussions of the philosophical issues central to those questions and to political thought more generally. Unique among books of this kind is a sustained treatment of specifically social philosophy including topics such as epistemic injustice, pornography, marriage, sexuality, and the family. The relation between such social questions and specifically political topics is discussed. These topics include political authority, economic justice, the limits of tolerance, considerations of community, race, gender, and culture in questions of justice, and radical critiques of current political theories. Updates to the Second Edition emphasize the non-statist areas of the subject and include two brand new chapters on social philosophy and transnational justice. This Second Edition also includes revisions throughout and coverage of recent theoretical discussions and world events. Social and Political Philosophy John Philip Christman, 2002. This accessible and user-friendly text offers a broad survey of some of the fundamental philosophical questions concerning social and political relations in modern society. **Social Political Philosophy** William L. McBride, 1994. This text examines social and political philosophy in historical and contemporary terms from a global perspective. It provides a grounding in classical British and continental traditions and offers a contemporary review of concepts such as freedom and rights, justice, and community. **Women's Political and Social Thought** Hilda L. Smith, Berenice A. Carroll, 2000. A wide array of time periods, cultures, and formats. Library Journal. The first collection of source readings of women's important writings in political and social theory from ancient times to the twentieth century. From Sappho of Lesbos to Mary Wollstonecraft and from Jane Addams to Simone Weil, these works fill a major gap in materials available for teaching the history of political thought and opens paths for exploring the rich and diverse contributions of women as creators of theory. *The Social and Political Thought of Noam Chomsky* Alison Edgley, 2004-08-02. The Social and Political Thought of Noam Chomsky questions Chomsky's claim not to have a theory about the relationship between human beings and their society other than that which can be written on the back of a postage stamp. Edgley compares Chomsky's vision of the good society with liberal communitarian perspectives and establishes that it is grounded in a hopeful belief about human nature. She argues that sympathy with this vision of the good society is essential for understanding the nature of Chomsky's critique of state capitalism, its inherent nationalism, and the media. The author concludes that Chomsky's analysis is coherent and systematic when one acknowledges that he is not just a critic but a theorist. Society and the Individual Richard T. Garner, Andrew Oldenquist, 2004. **The Broadview Anthology of Social and Political Thought: Essential Readings** Andrew Bailey, Samantha Brennan, Will Kymlicka, Jacob T. Levy, Alex Sager, Clark Wolf, 2012-02-17. This volume features a careful selection of major works in political and social philosophy from ancient times through to the present. Every reading has been painstakingly annotated and each figure is given a substantial introduction highlighting his or her major contribution to the tradition. The anthology offers both depth and breadth in its selection of material by central figures while also representing other currents of political thought. Thirty-two authors are

represented including fourteen from the 20th century The editors have made every effort to include translations that are both readable and reliable In order to ensure the highest standards of accuracy and accessibility the editors have consulted dozens of leading academics during the course of the volume s development many of whom have contributed introductory material as well as advice The result is an anthology with unparalleled pedagogical benefits The Broadview Anthology of Social and Political Thought sets the new standard for social and political philosophy instruction

Reviewing **Readings In Social And Political Philosophy**: Unlocking the Spellbinding Force of Linguistics
