Readings In The Sociology Of Migration:

Readings in the Sociology of Migration Clifford J. Jansen, 2016-04-20 Readings in the Sociology of Migration deals with migration as a sociological problem with greater emphasis on internal migrations than on international migrations Some of the problems covered by sociological inquiry in the study of migration are discussed along with theories of migration such as the push pull theory differential migration and motivation for migration This book is comprised of 16 chapters and opens by outlining types of migration according to the professional and social composition of migrants mass migration economic migration from an underdeveloped country economic emigration from an industrial country and immigration into an industrial nation A general typology of migration is then presented before the problem of migration in various countries such as Britain France Italy Spain Sweden and the United States is considered The final chapter presents preliminary findings from a demographic and socioeconomic sample survey of the population of the metropolitan area of San Salvador El Salvador This monograph will be a useful resource for sociologists and policymakers concerned with migration

Readings in the Sociology of Migration Clifford J. Jansen, 1970 Reading in the Sociology of Migration Clifford J. Jansen, 1970

American Exodus James Noble Gregory, 1991 Gregory reaches into the migrants lives to reveal both their economic trials and their impact on California s culture and society He traces the development of an Okie subculture which is now an essential element of California s cultural landscape **Migrants from the Promised Land** Zvi Sobel, In December 1983 Israeli radio and television blitzed the nation with programming on yerida emigration from Israel So much attention has been given to emigration that the casual observer might think it is the central threat to Israeli society Demographics show that it is not but emotions continue to run high on the subject In **Migrants from the Promised Land** Zvi Sobel explores the reasons for emigration from contemporary Israel within the context of a far ranging critical assessment of Israeli society and the Zionist enterprise He asks why in light of near devastating challenges to the survival of Israel does emigration assume such overwhelming importance among both elites and masses His analysis is based on intensive interviews with hundreds of people preparing to leave Israel and a thorough examination of all relevant demographics

National Library of Medicine Current Catalog National Library of Medicine (U.S.), 1965 **The New Immigrant and the American Family**

Marcelo M. Suárez-Orozco, Carola Suárez-Orozco, Desirée Qin-Hilliard, 2014-07-16 This six volume set focuses on Latin American Caribbean and Asian immigration which accounts for nearly 80 percent of all new immigration to the United States The volumes contain the essential scholarship of the last decade and present key contributions reflecting the major theoretical empirical and policy debates about the new immigration The material addresses vital issues of race gender and socioeconomic status as they intersect with the contemporary immigration experience Organized by theme each volume stands as an independent contribution to immigration studies with seminal journal articles and book chapters from hard to find sources comprising the most important literature on the subject The individual volumes include a brief preface

presenting the major themes that emerge in the materials and a bibliography of further recommended readings In its coverage of the most influential scholarship on the social economic educational and civil rights issues revolving around new immigration this collection provides an invaluable resource for students and researchers in a wide range of fields including contemporary American history public policy education sociology political science demographics immigration law ESL linguistics and more

People on the Move Leszek Kosiński, R.M. Prothero, 2023-08-18 Originally published in 1975 this volume examines conceptual and theoretical aspects of the study of internal migration both in chapters dealing specifically with theory and data and in case studies The book discusses the question of who migrates and why and what are the patterns of flow and direction of movement The consequences of migration are analysed Migration is one of the most difficult components of population change to conceptualize and measure and this book considers a wide range of aspects of migration and the problems connected with it

Middle-Class Couples Stephen Edgell, 2023-03-31 When this book was originally published in 1980 sociologists had long held the view that the middle class marriage in contemporary Britain was characterised by role desegregation and marital equality Middle Class Couples reported on research which provided a critical re analysis of this orthodoxy The book is a theoretically informed empirical study which largely debunks many of the myths associated with this alleged movement towards equal marriage among professional couples The author analysed the sexual division of labour among a group of professional workers and their wives at the child rearing stage of their family cycle The research paid special attention to the notion of marital equality and the power dimension of marriage the household division of labour and the patterning of leisure between husbands and wives A radical critique of the existing social theories of the family and society incorporated in the classic studies of Parsons Watson Young and Willmott Ann Oakley and Elizabeth Bott
