Readings For Social Work Practice Vol II:

Perspectives on Social Group Work Practice Albert S. Alissi, 2008-06-30 Not simply another how to book this provocative collection of readings does not advance a single viewpoint or approach to group work. Instead the 25 selections present the full spectrum of classic and current perspectives providing student and practitioner alike with a sound basis for evaluating contemporary practice and for formulating a personal approach to social group work. The historical and conceptual roots of modern social group work methods are examined in Part I Conceptual Foundations which contains some of the classic statements in the field. Part II Current Perspectives explores the most widely influential contemporary models of group work: social goals perspectives, remedial perspectives and mediative perspectives. The two part section that concludes the volume focuses on applications: group work is first discussed in relation to family and community casework and administration then self help groups and other techniques used in the fields of medicine, counseling and psychology are surveyed in light of their implications for social workers. To encourage the reader's active participation in the development of an individual philosophy and approach to social group work Dr Alissi concludes each chapter with probing study questions. These open ended questions stimulate comparisons among the methods presented and urge the reader to relate new ideas to his or her own experience in the field. Introductions to each part and chapter also stress comparative aspects. An annotated list of articles and books on the subject of each chapter allows the reader to explore it in greater depth. A stimulating and systematic exposure to the most important ideas in social group work today. **Perspectives on Social Group Work Practice** expands the repertoire of working concepts vital to contemporary practice. [Evidence-based Social Work Practice: Finding Evidence: Oxford Bibliographies Online Research Guide](#) Oxford University Press, 2010-05-01 This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books, chapters and journal articles to online archives, electronic data sets and blogs. Written by a leading international authority on the subject, the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated. A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic. In social work as in other disciplines, researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need. This ebook is a static version of an article from [Oxford Bibliographies Online Social Work](#), a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of social work. [Oxford Bibliographies Online](#) covers most subject disciplines within the social science and humanities; for more information, visit www.oxfordbo.com. Shokane, Annaline Keet, Varoshini Nadesan, 2024-12-30 This scholarly book *Social work in the 21st century Scholarship and praxis reimagined towards vulnerability* is the third volume in the Knowledge Pathing Multi Inter and Trans Disciplining in Social Sciences book series. Chapters were invited from contributing authors who are involved in social work practice and education and who are dealing with the issues of poverty inequality and vulnerability in these fields. The focus of the book emanates from the main conference theme and sub themes of the ASASWEI Association of South African Social Work Education Institutions conference held in 2021. The theme of the conference: Pandemics poverty inequality and disability. Social work in the 21st century provided an opportunity for deep deliberation knowledge exchange and skills development on how vulnerable communities already on the economic margins of society due to poverty and inequality are further marginalised during significant societal disruptions such as the coronavirus 2019 COVID 19 pandemic. It is these deliberations which culminated in this book. Drawing on the papers presented the chapters promote knowledge and skills around vulnerabilities in our social context and how the social work profession is challenged to interrogate its role in addressing the persistent challenges of poverty and inequality that keep people on the peripheries of human development. The target audience for this book is primarily academics engaged in the field of social work and related fields. **Basic List of Books and Journals for Veterans Administration Medical Libraries** United States. Veterans Administration. Medical and General Reference Library, 1962 **Transforming the Legacy** Kathryn Karusaitis Basham, Dennis Miehl, 2004 To serve the increasing numbers of individuals who have endured childhood trauma survived interpersonal and domestic violence or as refugees have sought asylum from political violence armed conflict or torture the authors present an innovative couple therapy model grounded in a synthesis of psychological and social theories. Replete with case histories the book emphasizes how couple therapy transforms the legacies of childhood traumatic events i.e. sexual physical and or emotional abuse. Valuing the Field Marilyn Callahan, Sven Hesse, Susan Strega, 2018-02-06 This title was first published in 2000. This text provides international perspectives on examples of best practice in child welfare and proposes organizational structures and policies to support this practice. Practice innovations span the range of child welfare services including prevention protection and out of family care. The contributors describe the child welfare context in each of their particular jurisdictions producing an addition to the literature comparing child welfare in different countries. Moreover existing books on the subject are primarily descriptive and examine overall child welfare legislation and policy. The work adopts an analytical approach proposing policies and focusing on the largely unexamined topic of excellence in child welfare practice. **Supporting Struggling Students on Placement** Finch, Jo, 2017-03-29 Are you a practitioner supervisor practice educator mentor or university tutor supporting students who are struggling on or failing their practice placement? Here is the practical guidance you need. Jo Finch draws on both her own experience training Practice Educators and international multi disciplinary research and literature. Chapters examine the signs and symptoms of a struggling student.
