Readings On The Sociology Of Religion

Pieter Hendrik Vrijhof

Readings On The Sociology Of Religion:

Sociology of Religion Roland Robertson, 1969 It is one of the more curious ironies of modern industrial societies that whilst religious belief is declining interest in religion as a phenomenon flourishes this paradox is of particular interest to sociologists for in spite of its declining status religious belief remains one of the most important sources in society of meaning and morality In this collection of Readings Roland Robertson examines the status and function of religion in a wide range of different societies and explores such questions as the growth of substitutes for religions in advanced societies and the symbolic significance of primitive beliefs This selection of twenty five Readings successfully provides a core beginning to the study of the sociology of religion Robertson has made the selection as up to date as possible and tried to establish a pattern of concerns which are central to the field as a sociological discipline The Reading both indicate analytic issues and provide a range of empirical material Publisher **Readings in the Sociology of Religion** Joan Brothers, A. Durkheim on Religion W. S. F. Pickering, 1975 Sociology and Religion A Collection of Readings Scholargy Publishing, Incorporated, 2002-11 Sociology of Religion Susanne C. Monahan, William Andrew Mirola, Michael O. Emerson, 2001 This collection of articles explores the relationship between the structure and culture of religion and various aspects of social life

in the United States Based on both classic and contemporary research in the sociology of religion it highlights a variety of research methods and theoretical approaches in exploring the ways in which religious values beliefs and practices shape the world outside of church synagogue or mosque walls while simultaneously being shaped by the non religious forces operating in that world Many readings from drawn popular sources e g newspapers and magazines and although many of the readings are about religion in the Christian tradition there are also readings about religion outside the American context e g Poland England El Salvador Nicaragua and beyond the Christian tradition e g Judaism alternative religions Hindu traditions Classic Sociological Definitions Of Religion Belief And Ritual Religious Experience Race Ethnicity And Religion Gender And Religion Social Class And Religion Sexual Identity And Religion The Secularization Debate Religious Organizations Institutions And Authority Alternative Religions Media And Religion Politics And Religion Science And Religion Social Movements And Religion For anyone interested in the sociology of religion or religious perspectives on social issues **Religion and**

Alienation Gregory Baum,1975 When Gregory Baum took a two year leave of absence from his university classroom to become a student of sociology he made discoveries that form the heart of this important provocative new work He became convinced that the great sociological literature of the 19th and 20th centuries records human insight and human wisdom as much as philosophical writings and that it should have a special place in the education of philosophers and theologians He found truths there absent from his own primary disciplines that actually modify the very meaning of philosophy and theology In Religion and Alienation Gregory Baum hopes to introduce the student of theology to the sociological tradition he has discovered with the hope that more theologians will enter into a conversation with social thinkers In this work Baum himself makes use of sociological concepts and insights to understand more clearly what Christian practice should be in the present and how we can more adequately formulate the presence of the Holy Spirit in society And perhaps most important is a conviction running through the whole of Baum s theology that contemporary religion plays a critical role in society and summons people to social change Publisher
