**Real Estate Investing Strategies** Jim Pellerin, The mechanics of Real Estate Investing is simple Buy a house and do something with it Fix it and rent it or just sell it Sounds simple doesn't it Yet only a small percentage of us have enough courage to go out and take advantage of the opportunities that are available to us Real Estate Investing can be more promising than stocks bonds and various other securities because of the higher rates of return In this book I show you how to get started by describing the different types of skills you need by showing you how to take control of your personal and financial situation and by helping you decide what type of real estate investing you want to get involved in I also show you how to find properties how to analyze them and how to make an offer that makes sense And finally I describe what you need to do to manage your investment and ultimately how to sell your investment for the most profit I have been involved in real estate investing for over 20 years I have yet to find a book that focuses on the investor and the overall process Sure there are lots of books on fix and flips buy rent and hold rent to own etc However I haven't found any good books on how to really get started in the real estate investing process from a practical viewpoint The technical aspects of real estate investing are really quite easy But if it's so easy then why isn't everyone doing it This book is for people who are serious about getting started in real estate investing and who want to join the 5% of those who actually take action and invest This book provides a strategic approach with the tried and tested methods and principles that have helped others make millions in real estate

**Real Estate: Investment and Financial Strategy** P. Chinloy, 2012-12-06 This book has evolved from an interest in formalizing theories of real estate financing and investment While real estate has characteristics of illiquidity and heterogeneity recent developments have created markets for financial claims on property assets These financial claims render real estate similar to other assets These financial claims render real estate similar to other assets Yet real estate markets retain degrees of inefficiency suggesting possibilities for arbitrage opportunities Such possibilities are examined in the book If sellers are prohibited by statute from transferring existing financing to buyers they tend to hold properties longer when contract interest rates on loans exceed those prevailing in the market Methods are required to account for and measure the quantity of mortgage equity arising from such favorable financing Holders of mortgage backed securities face risks on both sides of interest rate movements Should interest rates fall debtors refinance If interest rates rise debtors do not refinance and the holders of mortgage backed securities suffer capital losses Hedging strategies are required Mortgage warrants and option pricing mechanisms are discussed and various equity unlocking mechanisms such as

collateralized mortgage obligations      **Real Estate Investment** Andrew Baum, 2022-09-06 Real Estate Investment A Strategic Approach introduces professional and technical approaches to building and managing large real estate portfolios The new edition has been fully rewritten and reorganised and includes five new chapters 25 new international case studies and a renewed focus on topics such as PropTech property technology innovation and ESG Andrew Baum outlines the market and the players who dominate it the investment process the vehicles available for investment and an approach to global portfolio construction pricing and performance measurement The book contains many useful features for students including numerous boxed examples drawing on international cases a glossary and chapter summaries Ideal for undergraduate and postgraduate students on all real estate and property courses and related business studies and finance courses Real Estate Investment is designed to provide a foundation for the next generation of investment managers advisers and analysts Further resources for lecturers and students are available online at [www.andrewbaum.com](http://www.andrewbaum.com)      *Real Estate Investment Trusts* United States.
