My Religion: Reel or Real? Rev. Benjamin A. Vima, 2013-09-27 As the cradle religion I belong to has been at every age probing into her managing and conserving of the Mysterious Treasures entrusted to her with the enlightenment offered by

Vatican Council II I too longed to scrutinize my own handling of Catholic Christian Faith I wanted to examine whether the religion I practice personally was real or reel tTrue or false gGenuine or false aAuthentic or artificial hHeartfelt or routine fFruitful or poisonous oOriginal or counterfeit sSingle hearted or double hearted Certainly as a priest I had lot of occasions like recollections and retreats regularly to regularly assess the genuineness of my religious holdings and practices Though I began 10ten years back gathering all my scribbles and journals of evaluation about my personal religion I started putting them seriously into a book form only after Pope Benedict XVI announced year 2012 as the Year of Faith I considered it a call from God who wanted to befriend me more intensely and to promote to my friends this habit of assessing ones own faith This is how this book was conceived and shaped This book can be considered as a self imposed act of examining my conscience about the identity nature and application and practice of religion in my life I hope and pray this effort of mine will surely assist my readers do the same not only during this Year of Faith as it would be ended 24 November 24 2013 but also later on in life when tumult of waves and trials is daunting against our faith and religion [Commentary on True and False Religion](#) Ulrich Zwingli, 2015-06-18 Next to Luther himself Ulrich Zwingli 1484 1531 was probably the most important and certainly the most influential of the early Protestant reformers His Commentary on True and False Religion addressed to King Francis I of France and published by the printer Froschauer in Zurich in 1525 contrasted what Zwingli regarded as the true religion of the Protestants grounded in Scripture with the false religion of tradition and reason advocated by the opponents of the Reformation In twenty nine chapters Zwingli discussed all of the principal topics of Christian theology from the meaning of the word religion itself to the role and place of images in Christian worship All the disputed issues of the early Reformation the doctrine of Church and ministry baptism penance eucharist the nature of civil authority are explained lucidly and concisely The Commentary makes clear not only the grounds for Zwingli s break with the medieval Catholic tradition in which he had been raised but also the nature of his disagreements with Erasmus Luther and the Swiss Anabaptists The result is the most significant dogmatic work which Zwingli ever wrote and the most important systematic statement of Reformed theology before Calvin s Institutes **A Companion to the Eucharist in the Reformation**, 2013-10-24 By the end of the fifteenth century the Eucharist had come to encompass theology liturgy art architecture and music In the sixteenth century each of these dimensions was questioned challenged rethought as western European Christians divided over their central act of worship This volume offers an introduction to early modern thinking on the Eucharist as theology as Christology as a moment of human and divine communion as that which the faithful do as taking place and as visible and audible The scholars gathered in this volume speak from a range of disciplines liturgics history history of art history of theology philosophy musicology and literary theory The volume thus also brings different methods and approaches as well as confessional orientations to a consideration of the Eucharist in the Reformation Contributors include Gary Macy Volker Leppin Carrie Euler Nicholas Thompson Nicholas Wolterstorff John D Rempel James F Turrell Robert J Daly Isabelle Brian Thomas

For A Worldwide Eucharistic Revolution Liam O' Comáin, 2012-06-13 The only person who claimed to be God in the world wide history of our race and religion was Jesus the son of a Jewish maiden called Mary And while he was on this earth his statements and actions confirm the truth of his claim as recorded by those who witnessed Thus as predicted in the Jewish Old Testament Mary's son Jesus was the expected Messiah and the Christian New Testament confirms this truth A truth further endorsed by the history of the one and only Church which the promised Christ established prior to His crucifixion and death by our fellow humans under the influence of evil As Christians we have to acknowledge the truth of holy scripture in its totality and therefore the doctrine of the Eucharist as being God and God the Eucharist is the truth Thus the reason behind this publication is that upon observation of today's world that mankind requires a Eucharistic spiritual revolution
