Dancing Female Sharon E. Friedler, Susan B. Glazer, 2014-04-08 How do women set up institutions How has higher education helped or hindered women in the world of dance These are some of the questions addressed through interviews and researched by the educators and dancers Sharon E. Friedler and Susan B. Glazer in *Dancing Female* In dealing with some of the tensions, joys, frustrations, and fears women experience at various points of their creative lives, the contributors strike a balance between a theoretical sense of feminism and its practice in reality This book presents answers to basic questions about women power and action Why do women choreographers choose to create the dances they do in the manner they do How do women in dance work independently and organizationally *The Confessions of Jonathan Flite* Matthew J.

Beier, 2014-07-01 Jonathan Flite claims to have memories he can't explain Seven layers of them to be exact all belonging to a group of teenagers who disappeared from a place called Idle County in 2010 ten years before his birth Seventeen years of anxiety, violent outbursts, and refusal to admit he is lying have landed him at Crescent Rehabilitation Center, a seaside juvenile center for rich kids, and nobody has ever dared to believe his memories might be real Until now On a blustery November day just three months after a nuclear terrorist attack in Geneva, Switzerland, ex-CIA psychiatrist Thomas Lumen arrives at Crescent to interview Jonathan for a book about Idle County Fueled by his personal connection to the disappearances three decades earlier, he asks Jonathan to share what he knows, anything and everything By reigniting this thirty-year-old mystery, however, Jonathan inadvertently becomes a target of the very same religious terrorists who attacked Geneva and they'll stop at nothing to keep the secrets of Idle County under wraps Jonathan must then make a choice to continue telling his story or risk the safety of everyone he loves **Lucia Joyce** Carol Loeb Shloss, 2025-09-23 Whatever spark or gift I possess has been

transmitted to Lucia and it has kindled a fire in her brain James Joyce 1934 Most accounts of James Joyce's family portray Lucia Joyce as the mad daughter of a man of genius, a difficult burden But in this important new book, Carol Loeb Shloss reveals a different, more dramatic truth: her father loved Lucia and they shared a deep creative bond Lucia was born in a pauper's hospital and educated haphazardly across Europe as her penniless father pursued his art She wanted to strike out

on her own and in her twenties emerged to Joyce's amazement as a harbinger of expressive modern dance in Paris. He described her then as a wild beautiful fantastic being whose mind was as clear and as unsparing as the lightning. The family's only reader of Joyce, she was a child of the imaginative realms her father created and even after emotional turmoil wrought havoc with her and she was hospitalized in the 1930s, he saw in her a life lived in tandem with his own. Though most of the documents about Lucia have been destroyed, Shloss painstakingly reconstructs the poignant complexities of her life and with them a vital episode in the early history of psychiatry for in Joyce's efforts to help her, he sought the help of Europe's most advanced doctors including Jung. In Lucia's world, Shloss has also uncovered important material that deepens our understanding of *Finnegans Wake*, the book that redefined modern literature. [Getting Started in Ballet](#) Anna

Paskevskaya, 2016-01-07 From selecting a teacher in the early stages to supporting a child through his or her choice to dance professionally, *Getting Started in Ballet: A Parent's Guide to Dance Education* leads parents of prospective dancers through a full range of considerations encouraging careful thinking and informed decision making when embarking on dance training.

[The Cold Ever After](#) Jeremy Whitley, 2024-02-27 A unique and thrilling blend of Arthurian romance and detective noir, a unique fantasy in the vein of *Game of Thrones* meets *Chinatown*. For fans of epic fantasy, queer romance, and hardboiled detective noir. She lost everything when she fell in love with her Queen. Now she has a week to find a missing princess or she'll lose it all again along with her head. Ten years after her disgrace and exile, Sir Noelani Mahi, a former Royal Champion of the kingdom of Patri Lupi, and Queen's protector has been hiding under a rock at the bottom of a bottle and hasn't lifted a sword in all that time. Until one day the Queen summons Noelani to find her daughter who has mysteriously disappeared the night before her wedding. Given one week to recover the princess, Noelani is forced to confront a baffling mystery, a terrifying adversary, and her own past to save the kingdom. But not everything is as it seems in Patri Lupi, and in seven days she may not have a life to get back on track. [The Dance](#) Joan Cass, 2005-01-03 In dance, the choreographer creates, the dancer performs, and the viewer observes. This work is a handbook for the viewer. By presenting historical and artistic perspectives of dance, dance events are made more approachable and appreciation for the art form is heightened. The choreographic components of body language, content, structure, music, design, and interpretation are included. Also discussed is the development of critical reaction over time. Examples are drawn from Western theatrical dance and worldwide cultural variations. Terms are explained throughout the text, and an extensive bibliography gives sources in print and on tape for further study. Instructors considering this book for use in a course may request an examination copy here. *Thought Outdanced* Judit Nényei, 2002 Dancing is as

old as humanity. It has always been a way of expressing intense emotions and indicating the influence of transcendental powers. At the beginning of human history, the individual and the world formed an organic unity, but as a result of social development, this original state ceased to exist. Dancing can restore that unity and reabsorb the dancer into the universe. For William Butler Yeats and James Joyce, who differ from one another in so many respects, dancing and the figure of the dancer

became important symbols Apart from the detailed analysis of the works this book offers a cultural historical access to the characteristic productions of the fin de siècle period recalling the performances of Loie Fuller Isadora Duncan Vaslav Nijinski Anna Pavlova and the other famous or ill famed dancers For the two Irish artists the dancer balancing on the borderlines of everyday reality and the transcendental world of body and soul of the relationship of the masses and the a The Ancient Dancer in the Modern World Fiona Macintosh,2012-07-05 When the eighteenth century choreographer Jean Georges Noverre sought to develop what is now known as modern ballet he turned to ancient pantomime as his source of inspiration and when Isadora Duncan and her contemporaries looked for alternatives to the strictures of classical ballet they looked to ancient Greek vases for models for what they termed natural movement This is the first book to examine systematically the long history of the impact of ideas about ancient Greek and Roman dance on modern theatrical and choreographic practices With contributions from eminent classical scholars dance historians theatre specialists modern literary critics and art historians as well as from contemporary practitioners it offers a very wide conspectus on an under explored but central aspect of classical reception dance and theatre history and the history of ideas **Philadelphia's Progressive Orphanage: The Carson Valley School** ,1997 The Creators Daniel J. Boorstin,2012-04-11 By piecing the lives of selected individuals into a grand mosaic Pulitzer Prize winning historian Daniel J Boorstin explores the development of artistic innovation over 3 000 years A hugely ambitious chronicle of the arts that Boorstin delivers with the scope that made his Discoverers a national bestseller Even as he tells the stories of such individual creators as Homer Joyce Giotto Picasso Handel Wagner and Virginia Woolf Boorstin assembles them into a grand mosaic of aesthetic and intellectual invention In the process he tells us not only how great art and great architecture and philosophy is created but where it comes from and how it has shaped and mirrored societies from Vedic India to the twentieth century United States The Shadow of the Forgotten Empire 2 Aurelia Thornefield, The Shadow of the Forgotten Empire 2 A Man Returns to Fight the Dark Forces In the second chapter of his journey the protagonist awakens with newfound strength determined to unravel the mysteries of his resurrection With the dark forces growing stronger he returns to the ruins of his former empire now overrun by undead and forbidden magic Haunted by his past and the curse that binds him he must face powerful enemies and the rising darkness threatening to consume the world As he battles his inner demons and the malevolent forces around him the protagonist must find the courage to confront his fate and decide whether to embrace the power that could either save or destroy everything he once loved
