Real Anita Hill The Untold Story:

The Real Anita Hill David Brock, 1993 Millions of Americans were riveted to the spectacle of a Supreme Court nominee a black conservative charged with sexual harassment by a former female employee Not since the no holds barred assault on Robert Bork has the nation been so gripped by a political melodrama Now journalist David Brock argues that Hill s testimony was a desperate and cynical hoax

Real Anita Hill David Brock, 1994-03-07 Brock s thorough investigation of the evidence in the Thomas Hill hearings concluded that there was no reason to believe Anita Hill s accusations of sexual harassment against Clarence Thomas Brock s book a national sensation which landed on the New York Times bestseller list is the definitive rebuttal of Hill s charges

Black Conservative Intellectuals in Modern America Michael L. Ondaatje, 2011-11-29 In the last three decades a brand of black conservatism espoused by a controversial group of African American intellectuals has become a fixture in the nation s political landscape its proponents having shaped policy debates over some of the most pressing matters that confront contemporary American society Their ideas though have been neglected by scholars of the African American experience and much of the responsibility for explaining black conservatism s historical and contemporary significance has fallen to highly partisan journalists Typically those pundits have addressed black conservatives as an undifferentiated mass proclaiming them good or bad right or wrong color blind visionaries or Uncle Toms In *Black Conservative Intellectuals in Modern America* Michael L. Ondaatje delves deeply into the historical archive to chronicle the origins of black conservatism in the United States from the early 1980s to the present Focusing on three significant policy issues affirmative action welfare and education Ondaatje critically engages with the ideas of nine of the most influential black conservatives He further documents how their ideas were received both by white conservatives eager to capitalize on black support for their ideas and by activists on the left who too often sought to impugn the motives of black conservatives instead of challenging the merits of their claims While Ondaatje s investigation uncovers the themes and issues that link these voices together he debunks the myth of a monolithic black conservatism Figures such as Supreme Court Justice Clarence Thomas the Hoover Institution s Thomas Sowell and Shelby Steele and cultural theorist John McWhorter emerge as individuals with their own distinct understandings of and relationships to the conservative political tradition

The Politics of Race Theodore Rueter, 2016-09-16 A study of the relationship between race and American politics organised around the institutions and processes of American government It includes readings by individuals like Bill Clinton Charles Hamilton and Carol Swain across a wide variety of ideological perspectives

Civility and Subversion Jeffrey C. Goldfarb, 1998-11-12 This 1998 book provides a sophisticated alternative to existing accounts of the role of the intellectual in modern democracy Arguing that society suffers from a systemic deliberation deficit Jeffrey Goldfarb explores the potential of the intellectual as democratic agent at once civilizing political contestation and subverting complacent consensus The sentimental Leftist view of the intellectual as guardian of democracy and the demonising Rightist view of the intellectual as

obstructor of progress are both shown to be flawed Instead intellectuals are portrayed as special kinds of strangers who pay careful attention to their critical faculties equipping them uniquely to address the most pressing issues of today Professor Goldfarb deploys classical and contemporary social theory to analyse a diverse set of intellectuals in action from Socrates in fifth century Athens to Malcolm X and Toni Morrison in twentieth century America and drawing on personal acquaintance the political dissidents in Communist and post Communist Central Europe *The Supreme Court of the United States: Carswell* United States. Congress. Senate. Committee on the Judiciary,1977 *Closed Chambers* Edward Lazarus,2005-05-03 When *Closed Chambers* was first published it was met with a firestorm of controversy as well as a shower of praise for being the first book to break the code of silence about the inner workings of this country s most powerful court In this eloquent trailblazing account with a new chapter covering Bush v Gore Guantanamo and other recent controversial court decisions Edward Lazarus who served as a clerk to Justice Harry Blackmun presents a searing indictment of a court at war with itself and often in neglect of its constitutional duties Combining memoir history and legal analysis Lazarus reveals in astonishing detail the realities of what takes place behind the closed doors of the U S Supreme Court an institution that through its rulings holds the power to affect the life of every American *Sexual Harassment* V. P. Argos,1999 The topic of sexual harassment is a real threat to society in spite of its downplaying by a large segment of society including the 42nd President of the United States This book presents analyses designed to help shed light on it and a bibliography sorted for ease of use
