Real Francis Bacon:

Francis Bacon Michael Peppiatt, 2008 One of the most elusive and enigmatic creative geniuses of modern times Francis Bacon was a man of endless contradictions and facets In this invaluable book Michael Peppiatt a major art critic and close friend of Bacon's offers an entertaining and uniquely well informed portrait of this complex artist Peppiatt's collection of interviews and essays spans more than forty years from 1963 when the two men met to 2007 when Peppiatt wrote an essay explaining Bacon's passionate involvement with Van Gogh The pieces in between include discussions of Bacon's working methods and techniques his unlikely relationship with his London dealer his attitude toward Christian belief and classical myth and his defining friendship with the eminent French writer Michel Leiris Peppiatt also provides fascinating anecdotes about the artist's early life his intimate relationships and his connections with the artists who were his contemporaries and friends In addition among the interviews reproduced for the book are new transcripts of two interviews presenting previously omitted material that brings out many little known aspects of Bacon's presence and personality *Francis Bacon, a Biography* Jean Overton Fuller, 1981

Francis Bacon in Your Blood Michael Peppiatt, 2015-08-27 It is a story I have been wanting to write for a long time telling it as it really was before that whole world that I shared with Francis vanishes Michael Peppiatt met Francis Bacon in June 1963 in Soho's French House to request an interview for a student magazine that he was editing Bacon invited him to lunch and over oysters and Chablis they began a friendship and a no holds barred conversation that would continue until Bacon's death thirty years later Fascinated by the artist's brilliance and charisma Peppiatt accompanied him on his nightly round of prodigious drinking from grand hotel to louche club and casino seeing all aspects of Bacon's gilded gutter life and meeting everybody around him from Lucian Freud and Sonia Orwell to East End thugs from predatory homosexuals to Andy Warhol and the Duke of Devonshire He also frequently discussed painting with Bacon in his studio where only the artist's closest friends were ever admitted The Soho photographer John Deakin who introduced the young student to the famous artist called Peppiatt Bacon's Boswell Despite the chaos that Bacon created around him Peppiatt managed to record scores of their conversations ranging over every aspect of life and art love and death the revelatory and hilarious as well as the poignantly tragic Gradually Bacon became a kind of father figure for Peppiatt and the two men's lives grew closely intertwined In this intimate and deliberately indiscreet account Bacon is shown close up grand and petty tender and treacherous by turn and often quite unlike the myth that has grown up around him This is a speaking portrait a living likeness of the defining artist of our times
