the Mass *Looking and Listening* Petunia Rose,2023-08-09 For many years I've known that I was meant to write this book I didn't know the exact reason but I knew that I was meant to tell the story of the asbestos in the cooling towers the importance of righteous leaders and my experiences with the signs and wonders of God Then on June 19 2021 the purpose of this book evolved when God in His Triune Being confirmed to me that yes indeed I was meant to write this book God gave me many prophetic words to include in this book God's Word given to me on 6/21/2021 It is time to enact and react to the changing of the times These are the days of the LORD your God You are to follow my ways and not the ways of the enemy It should be clear for all to see what is going on in the natural world around you When leaders provide wrongdoing and no one is showing outrage that is outrageous Grievous actions have taken place all around this great country and it is time for what has transpired in the past and what is being allowed to currently happen to be revealed and dismantled and those held to justice **The Zondervan 2020 Pastor's Annual** T. Give Like God Stephen Charles Durkee,2018-06-26 To tithe or not to tithe That is the question heard in churches across the land Because churches depend on the generosity of their members there are many sermons and many books that encourage Christians to be generous and use tithing as the standard for their generosity Yet other voices in the church object to tithing claiming that the practice is ambiguous outdated or misunderstood Give Like God starts with a careful examination of what the Bible teaches about tithing before discussing what is says about giving and generosity in the teachings of Jesus and his followers We learn that God is extraordinarily generous and that he is our example and the source of supply for our generosity Author Stephen Charles Durkee considers the connection between generosity and what we do for work how we do outreach how we help people in need and even how we take on debts In the end he shows us the joy we should experience through giving When we put God s priorities first in our lives we discover that he is a good provider and that our lives can be free of financial worries Money and generosity play an important and truly pivotal role in God s purposes for his people and so to have blessings and transformation in our lives we must learn to give like God

Participation David Lowry,2022-02-25 The beauty of the world and our experience of human empathy and compassion collide with our experience of bitter discord between individuals severe societal divisions brutal oppression war and profound estrangement from our environment All manner of rational analysis and proposed solutions have not solved these elemental problems the basis of which is spiritual This book focuses on the spiritual nature of participation It is about participation in a humanity rooted in Holy Mystery in God who is in

all things It is about what is essential to being human the experience of transcendence expressed in faith hope and love It is about being in Christ In part it is a meditation on the apostle Paul s insistence that we participate in Christ in whom we find our true humanity and through whom we are transformed in our relationship to ourselves others and the world Being rooted in Christ we gain discernment and power for transformative action in the world as it is with all its wonder beauty and brokenness This book moves from the inner reality of participation in Christ to the outer reality of engagement with the world

The River of Life Lee Harmon,2014-09-10 Are liberals who call themselves Christian truly Christian Do liberal Christians care about the Bible Why Twice before Lee Harmon has written about Christian topics once on the gospel of John and once on the book of Revelation Lee finds that both conservative and liberal Christians often have a dismissive attitude toward one another and so he sets out not to propose a compromise but to seek understanding He writes as a liberal Christian explaining what Jesus means to him and why he finds the Bible fascinating and even essential This is a book that expresses a vigorous spiritual view but which does so for the purpose of inviting conversation and understanding Perhaps those of us who are in different streams of Christian thought need to consider that others also have something to contribute that their disagreements with us do not represent apostasy or heresy but rather their unique and valuable experience of God The River of Life is suitable for both individual reading and group study and discussion
