## **Real Jesus Is The Christ Of Faith:**

*The Case for the Real Jesus* Lee Strobel, 2009 Explores provocative questions about modern scholarship and conspiracy theories that debunk the traditional Christ inviting readers to evaluate the arguments and evidence presented by Muslim scholars liberal theologians and atheists and reach their own verdict     The Jesus of History and the Christ of Faith Walter B. Denny, 1914 The person of Jesus Christ is the central fact and problem of Christianity In seeking for the essence of the Christian religion we do not begin with a search for a suitable metaphysical conception of God we seek to know Jesus Christ and so far as we know him we know what God is like Nor do we begin with inquiries into the psychological nature of religious experience the rationale of Christian experience becomes manifest only after Jesus Christ is known and has produced in the life of the inquirer his characteristic impression Nor have we first laboriously to construct a critical apparatus or an epistemological theory before we can arrive at the heart of our faith But first of all and the road to all else is the task of coming to know Jesus Christ When we know him our experience and our theory alike become possible and knowable and only then For the sake of the practical interests of our faith then the supreme questions which we need to answer are Who or what is Jesus Christ And How can we discover the real Jesus Christian thought is facing this problem of Jesus today as never before In other days there have been other questions which have commanded the attention of theologians the relation between God s sovereignty and man s freedom the doctrine of future punishment the infallibility of the Scriptures and perhaps dominating all other problems of religion during the last century the adjustment of the apparent conflict between science and faith But all these problems having had their day and in some cases having been solved and in others shelved have at present given way to this one which indeed gets at the very heart of Christianity as did none of these others the problem of understanding Jesus Christ and his place in the Christian religion     The Gospel at Philippi, and Other Sermons, Preached in St. Matthia's Church, Dublin Maurice Fitzgerald Day (Bishop of Cashel, Emly, Waterford and Lismore.), 1876

**Professing the Faith** Douglas John Hall, 1996-11-22 What does it mean to profess the faith as North American Christians at the end of the second millennium What is Christian theology as consciously crafted in light of the distinctive history culture and experience of North America Hall marshalls doctrinal resources for a critical creative response that stresses God s necessary involvement in an unfinished dynamic suffering world     *Christ, Faith, and the Holocaust* Richard Terrell, 2011-01-20 How did the Holocaust take place in a nation of rich Christian history and cultural achievement What ideasspiritual and intellectual contributed to the nightmare of Adolf Hitlers Third Reich What theological forces contributed to the confused witness of the Christian churches How do Christians respond to the accusation that the Christian faith itself even its own Scriptures contributed to this modern tragedy What can Christians today learn from those who did in fact stand in the evil day In *Christ Faith and the Holocaust* Richard Terrell responds to these haunting questions in a work of cultural apologetics that takes up the challenges and accusations that Christianity itself was a major cause of Nazisms destructive

path Here the Nazi movement is exposed as a virulently anti Christian spirituality rooted in idolatrous doctrines that took every advantage of distorted theology and emotional pietism that had evolved in German thought and church life Here you will find the drama and importance of ideas and stories of personal witness that will sharpen the contemporary Christians sense of discernment in the arena of spiritual warfare

**How to Know You're Going to Heaven** John Ankerberg, John Weldon, 2014-08-01 Most Christians experience doubts at times about their salvation and that uncertainty can be alarming But either salvation is eternally secure from the moment of genuine faith or it isn't And no subject is more important than the assurance that you can know at this very moment that you possess eternal life How to Know You're Going to Heaven provides the undeniable and compelling biblical proof to resolve any uncertainty about your eternal destiny As you encounter the infinite treasure and wonder of Jesus Christ and all He has accomplished for you on the cross you will experience joy and lasting freedom once and for all forever

*The True Christian Religion* Emanuel Swedenborg, 1883 *Life of Faith and Inspiration* Dr. Samuel Mack, The spiritually we lack in our lives uplifting messages for all time and day to day

**Who is Jesus?** Carl E. Braaten, 2011-12-28 New Testament scholars have long debated the historical identity of Jesus and the development of Christology within the church's history In *Who Is Jesus* Carl Braaten reviews the various historical Jesus quests arguing that it is time for the current third quest to admit failure Against the implication that the real Jesus has been lost and needs to be found Braaten maintains that the only real Jesus is the One presented in the canonical Gospels and that any other Jesus is irrelevant to Christian faith He draws on a wealth of historical resources to address such contentious questions as these What can we actually know about Jesus of Nazareth Did Jesus really rise from the dead Is Jesus unique the one and only way of salvation Why did Jesus have to die on the cross Was Jesus the founder of the Christian church What does Jesus have to do with politics
