Real Men for the 21st Century Alan E. Sargent, 2012-10 Raising Real Men in today's world is a daunting task Every force in our culture today is arrayed against this process From the educational establishment to pop culture's music and communication arts to even the church a boy has little chance to see the modeling he needs to become the Real Men this generation must have to occupy the leadership roles that are so sadly vacant *Real Men for the 21st Century* is one father's attempt to say to other parents It can be done it's not too late What separates a man from a boy Manhood has standards A man constantly sets goals that are both practical and challenging These standards and goals motivate us to rise to the challenge of leadership that lies before us At a time when parents are overwhelmed with financial and career anxiety Alan Sargent has used his many years of mentoring to create *Real Men for the 21st Century* More than just another how to book *Real Men for the 21st Century* deals with all the sleeves rolled up basic issues of Manhood By dealing with all the parts of manhood including The Spiritual Man The Social Man The Economic Man and The Practical Man Sargent lays out the basics that every young man must encounter and master on his way to adulthood

Real Men Why Men Cheat Willie Williams Jr, **Real Men: "What's Happening to our Male?"** Greg Middleton, 2009-09-18 This book looks at the many issues men are facing in this current society It also looks back into the patterns of the past that caused us to be where we are today There are several key factors listed in the book that explains why males appear to be off track in understanding and achieving their defined roles as men of today Boys are not being properly trained in order to become healthy and productive males in this new changed society Where females seem to be improving and flourishing males appear to be spiraling downward Men were born to become the natural leaders and to be the heads of the human family but with the new changes in the laws and customs of the land men are not quite sure about their current position as it relates to the new female positions The law is on the side of equality and equal access but that is not what men were accustomed to over all the previous years Males must adjust to this new female model and find their own sense of purpose and fulfillment

Straight to the Heart of 1 Thessalonians to Titus Phil Moore, 2014-05-15 The five letters from 1 Thessalonians to Titus form a discipleship training school for anyone who wants God to transform their life Paul was forced to flee the city of Thessalonica so quickly he wrote 1 Thessalonians as the first lesson in his discipleship training school teaching us how to be true converts He was unable to return so he wrote 2 Thessalonians as a second lesson which teaches us how to be true warriors The last three letters were to individual graduates Titus lays out the syllabus which we need in order to be truly fruitful 1 Timothy explains how his young graduate can help the Ephesians to become truly mature in their faith and 2 Timothy acts as Paul's final will and testament in which he assures his converts that they are truly ready to continue the work after his death The Straight to the Heart of series of devotional commentaries allow people to get to grips with each book of the Bible one bite at a time Phil Moore focuses on key sections which together form a useful introduction There will be 25 volumes in all each containing 60 readings The short chapters are punchy and relevant yet crammed with fascinating scholarship
