Received: 3 December 2013; in revised form: 21 March 2014 / Accepted: 8 April 2014 / Published: 14 April 2014

Abstract: The primary aim of this paper is to offer an overview of current research into the relationship between religion and family life and to offer suggestions for future research. In order to do this, the paper distinguishes between research in which religion is a dependent variable, labelled as socialization research, and research in which religion is an independent variable, referred to as research into family functioning. With regard to these areas of research, the paper, first, offers an overview of the most important insights existing research has generated thus far, after which some important shortcomings are identified and suggestions for future research are proposed. Subsequently, the paper offers some reflections on methodology and points out some strengths and weaknesses of existing research and offers methodological advice for future research. The paper closes by discussing how research into the relationship between religion and family life may contribute to an overall understanding of religion as such.

Keywords: family research; religious socialization; religious transmission; family functioning

1. Introduction

Why the scientific study of religion has a lot to gain from paying attention to the family is not difficult to explain. The family is the place where the intergenerational transmission of religious beliefs and practices takes place and thus is of crucial importance for the persistence and continuation of religious traditions and communities. Three observations underscore the importance of the family in this respect. First of all, in the Netherlands and other countries in Western-Europe inter-denominational

Religion Family And The Life Course

James A Beckford, Jay Demerath

Religion Family And The Life Course:

Religion and Family Life Richard J. Petts, 2019-05-03 There has been increased interest among scholars in recent decades focused on the intersection of family and religion Yet there is still much that is not well understood in this area This aim of this special issue is to further explore the influence of religion on family life In particular this issue includes a collection of studies from leading scholars on religion and family life that focus on ways in which religion and spirituality may influence various aspects of family life including family processes family structure family formation family dissolution parenting and family relationships The studies included incorporate both qualitative and quantitative analyses incorporate a number of different religious traditions focus on religiosity among both adults and youth and explore a number of important issues such as depression intimacy sexual behavior lying divorce and faith transmission *The Oxford Handbook of Family Policy Over the Life Course* Mary Daly, Birgit Pfau-Effinger, Neil Gilbert, Douglas J. Besharov, 2023 Drawing on a multidisciplinary group of experts from many countries this Handbook is intended to be a reference work that provides students and scholars in policy related disciplines a wide ranging perspective on the diverse ways that family policies respond to modern issues and trends over the life course The Handbook is divided into two main parts The first part offers a panoramic introduction to the setting and issues which contemporary family policies have been designed to address The second part and main body of the volume is organized around four benchmark periods that encompass the main stages of the family life cycle and social policies that are called into play during these stages *Religion and Family in a Changing Society* Penny Edgell, 2013-12-03 The 1950s religious boom was organized around the male breadwinner lifestyle in the burgeoning postwar suburbs But since the 1950s family life has been fundamentally reconfigured in the United States How do religion and family fit together today This book examines how religious congregations in America have responded to changes in family structure and how families participate in local religious life Based on a study of congregations and community residents in upstate New York sociologist Penny Edgell argues that while some religious groups may be nostalgic for the Ozzie and Harriet days others are changing knowing that fewer and fewer families fit this traditional pattern In order to keep members with nontraditional family arrangements within the congregation these innovators have sought to emphasize individual freedom and personal spirituality and actively to welcome single adults and those from nontraditional families Edgell shows that mothers and fathers seek involvement in congregations for different reasons Men tend to think of congregations as social support structures and to get involved as a means of participating in the lives of their children Women by contrast are more often motivated by the quest for religious experience and can adapt more readily to pluralist ideas about family structure This Edgell concludes may explain the attraction of men to more conservative congregations and women to nontraditional religious groups **Family Cycles** Allan C. Carlson, 2017-07-05 In this paradigm shifting volume Allan C Carlson identifies and examines four distinct cycles of strength or weakness of American family systems This

distinctly American family model includes early and nearly universal marriage high fertility close attention to parental responsibilities complementary gender roles meaningful intergenerational bonds and relative stability Notably such traits distinguish the strong American family system from the weak European model evident since 1700 which involves late marriage a high proportion of the adult population never married significantly lower fertility and more divorces The author shows that these cycles of strength and weakness have occurred until recently in remarkably consistent fifty year swings in the United States since colonial times The book's chapters are organized around these 50 year time frames There have been four family cycles of strength and decline since 1630 each one lasting about one hundred years The author argues that fluctuations within this cyclical model derive from intellectual economic cultural and religious influences which he explores in detail and supports with considerable evidence

The SAGE Handbook of the Sociology of Religion James A Beckford, Jay Demerath, 2007-10-29 In their introduction to this Handbook the editors affirm Many sociologists have come to realise that it makes no sense now to omit religion from the repertoire of social scientific explanations of social life I wholeheartedly agree I also suggest that this wide ranging set of essays should become a starting point for such enquiries Each chapter is clear comprehensive and well structured making the Handbook a real asset for all those engaged in the field Grace Davie University of Exeter Serious social scientists who care about making sense of the world can no longer ignore the fact that religious beliefs and practices are an important part of this world This Handbook is a valuable resource for specialists and amateurs alike The editors have done an exceptionally fine job of incorporating topics that illuminate the range and diversity of religion and its continuing significance throughout the world Robert Wuthnow Princeton University At a time when religions are increasingly affecting and affected by life beyond the narrowly sacred sphere religion everywhere seems to be caught up in change and conflict In the midst of this contention and confusion the sociology of religion provides a rich source of understanding and explanation This Handbook presents an unprecedentedly comprehensive assessment of the field both where it has been and where it is headed Like its many distinguished contributors its topics and their coverage are truly global in their reach The Handbook's 35 chapters are organized into eight sections basic theories and debates methods of studying religion social forms and experiences of religion issues of power and control in religious organizations religion and politics individual religious behaviour in social context religion self identity and the life course and case studies of China Eastern Europe Israel Japan and Mexico Each chapter establishes benchmarks for the state of sociological thinking about religion in the 21st century and provides a rich bibliography for pursuing its subject further Overall the Handbook stretches the field conceptually methodologically comparatively and historically An indispensable source of guidance and insight for both students and scholars Choice Outstanding Academic Title 2009

Religion and Family Links Donald Swenson, 2008-01-01 For many the experience of religion and the family are organically connected first exposure to religion often comes through the family and in families that practice a religion it often has a shaping effect on their traditions roles

practices or structure The author of this text captures the important relationship between religion and the family with a review of relevant literature on the subject synthesizing it within a theoretical framework The work begins with an introduction to the neofunctionalist theoretical framework of the family This framework is connected to a multidimensional understanding of religion With a focus on systems and a holistic interpretation of religion the author uses a systems approach to construct a synthesis of the salient literature on the link between religion and the family Four systems that are embedded in the Neofunctionalist theoretical framework are presented the chronosystem including time and history the organic system that which is part of our biology the personality system with an accent on the individual in social context the social system everything to do with relationships and social organizations and the cultural system including mythology and ethos The concepts from religion that create a unity include the idea of the sacred religious experience ritual ethos and sacred organizations Another feature of the text is that it is not restricted to the modern era Much of the research is historical in nature that assists the reader in understanding links of the two social phenomena in the light of the past Further whenever appropriate literature will be drawn from folk religion Christianity Judaism and Islam

New Directions in American Religious History Harry S. Stout, D. G. Hart, 1998-01-01 The eighteen essays collected in this book had their origin in a conference of the same title held at the Wingspread Conference Center in October of 1993 Some of the most distinguished scholars in the field were invited to reflect on their specialties in American religious history in ways that summarized where the field is and where it ought to move in the decades to come Organized according to four general ways of looking at religious history places and regions universal themes transformative events and marginal groups and ethno cultural outsiders the essays address a wide range of topics including Puritanism religion and the Civil War Protestantism and economic behavior gender and sexuality in American Protestantism and the contemporary de Christianization of American culture Featuring contributions from David D Hall Donald G Matthews Allen C Guelzo Gordon S Wood Daniel Walker Howe Robert Wuthnow Jon Butler David A Hollinger and others this thought provoking and up to date collection will interest anyone involved in the study of American religion and history

Handbook of the Sociology of Religion Michele Dillon, 2003-08-18 Table of contents

Religion, Families, and Health Christopher G Ellison, Robert A Hummer, 2010-03-31 Religion is a major social institution in the United States While the scientific community has experienced a resurgence in the idea that there are important linkages between religion and family life and religion and health outcomes this area of study is still in its early stages of development scattered across multiple disciplines and of uneven quality To date no book has featured both reviews of the literature and new empirical findings that define this area for the present and set the agenda for the twenty first century Religion Families and Health fills this void by bringing together leading social scientists who provide a theoretically rich methodologically rigorous and exciting glimpse into a fascinating social institution that continues to be extremely important in the lives of Americans

Religion, Feminism, and the Family Anne E. Carr, Mary Stewart Van

Leeuwen,1996-01-01 Contemporary women s movement and the future of the American family **Social Networks and the Life Course** Duane F. Alwin,Diane H. Felmlee,Derek A. Kreager,2018-03-06 This volume engages the interface between the development of human lives and social relational networks It focuses on the integration of two subfields of sociology social science the life course and social networks Research practitioners studying social networks typically focus on social structure or social organization ignoring the complex lives of the people in those networks At the same time life course researchers tend to focus on individual lives without necessarily studying the contexts of social relationships in which lives are embedded and linked to one another through social networks These patterns are changing and this book creates an audience of researchers who will better integrate the two subfields It covers the role of social networks across the life span from childhood and adolescence to midlife through old age *Huck's Raft* Steven Mintz,2006-04-30 With a nod to the past Mintz revisits an alternative to the goal driven realities of contemporary childhood An odyssey of psychological self discovery and growth this book suggests a vision of childhood that embraces risk and freedom like the daring adventure on Huck s raft

Childhood, Youth and Religious Minorities in Early Modern Europe Tali Berner,Lucy Underwood,2019-12-11 This edited collection examines different aspects of the experience and significance of childhood youth and family relations in minority religious groups in north west Europe in the late medieval Reformation and post Reformation era It aims to take a comparative approach including chapters on Protestant Catholic and Jewish communities The chapters are organised into themed sections on Childhood religious practice and minority status Family and responses to persecution and Religious division and the family co operation and conflict Contributors to the volume consider issues such as religious conversion the impact of persecution on childhood and family life emotion and affectivity the role of childhood and memory state intervention in children s religious upbringing the impact of confessionally mixed marriages persecution and co existence Some chapters focus on one confessional group whilst others make comparisons between them **Identities in Action**

Philip S. Brenner,Jan E. Stets,Richard T. Serpe,2021-07-21 This volume presents recent developments in identity theory and research Identities are the basic building blocks of society and hold a central place in every social science discipline Identity theory provides a systematic conceptualization of identities and their relationship to behavior The research in this volume demonstrates the usefulness of this theory for understanding identities in action in a variety of areas and settings The volume is organized into three general areas ethnicity and race family religion and work and networks homophily and the physical environment This comprehensive and authoritative volume is of interest to a wide readership in the social and behavioral sciences including students and researchers of sociology social psychology psychology and other social science disciplines

Religion and Families Loren D. Marks,David C. Dollahite,2016-10-04 This is the first multidisciplinary text to address the growing scholarly connection between religion and family life The latest literature from family studies psychology sociology and religion is reviewed along with narratives drawn from interviews with 200 racially religiously and regionally diverse

families which bring the concepts to life Written in a thought provoking accessible and sometimes humorous style by two of the leading researchers in the field the book reflects the authors firsthand experience in teaching today s students about religion s impact on families Prior to writing the book the authors read the sacred texts of many faiths interviewed religious leaders and attended religious services for a wide array of faiths The result is an accurate and engaging account of why and how families are impacted by their religion The pedagogical features of the text include boldfaced key terms defined in the glossary text boxes chapter conclusions summary points and review questions Religion and Families Examines several denominations within Christianity Judaism and Islam Reviews findings from racially and ethnically diverse families from traditional and diverse family forms and examines gender and life course issues Addresses the impact of one s religious involvement on longevity divorce rates and parenting styles Considers demographic family couple and individual level data that relate to prayer and other sacred practices Presents a balanced treatment of the latest research and a new model for studying family and religion Explores the whys hows and processes at work in the religion family connection The book opens with a discussion of why religion and family connections matter Chapter 2 defines religion and presents a new conceptualization of religion Empirical research connections between religion and marriage divorce family and parent child relationships are explored in chapters 3 through 6 The interface between religion and the family in Christianity Judaism and Islam are reviewed in chapters 7 8 and 9 Chapter 10 explores the unique challenges that religion presents for diverse family forms Prayer as a coping mechanism for life s challenges such as death and disability are explored in chapter 11 Chapter 12 examines forgiveness in the context of marriages and families The book concludes with a review of the book s most important themes and findings Intended as a text for undergraduate courses in family and religion the psychology or sociology of the family the psychology or sociology of religion pastoral biblical counseling or family and youth ministry taught in human development and family studies psychology sociology religion social work pastoral counseling and sometimes philosophy This book also appeals to family therapists and counselors

The Equal-Regard Family and Its Friendly Critics John

Witte,M. Christian Green,Amy Wheeler,2007-10-17 This volume is both a celebration and an evaluation of the work on sex marriage and family life by Don S Browning the dean of modern family studies in theological ethics and practical theology Scholars probe a number of Browning s contributions particularly his call for an ethic of equal regard within the household and wider society This book is a true interdisciplinary effort with insights from psychology history law theology biology ethics feminist theology childhood studies and education theory The Equal Regard Family and Its Friendly Critics includes seven honorary forewords ten original essays and a concluding essay by Don Browning himself Contributors Herbert Anderson Carol Browning Don S Browning Lisa Sowle Cahill M Christian Green Timothy P Jackson Martin E Marty Rebekah Miles Bonnie J Miller McLemore Richard Robert Osmer Garrett E Paul Stephen J Pope David Popenoe Stephen M Tipton Mary Stewart Van Leeuwen Linda J Waite John Wall Amy Wheeler Barbara Dafoe Whitehead John Witte Jr *Theorising Religion*

John Walliss,2017-10-24 Religion is controversial and challenging Whilst religious forces are powerful in numerous societies they have little or no significance for wide swaths of public or private life in other places The task of theoretical work in the sociology of religion is therefore to make sense of this apparently paradoxical situation in which religion is simultaneously significant and insignificant The chapters of Part One consider the classical roots of ideas about religion that dominated sociological ways of thinking about it for most of the twentieth century Each chapter offers sound reasons for continuing to find theoretical inspiration and challenge in the sociological classics whilst also seeking ways of enhancing and extending their relevance to religion today Part Two contains chapters that open up fresh perspectives on aspects of modern post modern and ultra modern religion without necessarily ignoring the classical legacy The chapters of Part Three chart new directions for the sociological analysis of religion by fundamentally re thinking its theoretical basis by extending its disciplinary boundaries and by examining previously overlooked topics

Handbook of Religion and Social Institutions

Helen Rose Ebaugh,2007-10-23 Handbook for Religion and Social Institutions is written for sociologists who study a variety of sub disciplines and are interested in recent studies and theoretical approaches that relate religious variables to their particular area of interest The handbook focuses on several major themes Social Institutions such as Politics Economics Education Health and Social Welfare Family and the Life Cycle Inequality Social Control Culture Religion as a Social Institution and in a Global Perspective This handbook will be of interest to social scientists including sociologists anthropologists political scientists and other researchers whose study brings them in contact with the study of religion and its impact on social institutions

Darkness Falls on the Land of Light Douglas L. Winiarski,2017-02-09 This sweeping history of popular religion in eighteenth century New England examines the experiences of ordinary people living through extraordinary times Drawing on an unprecedented quantity of letters diaries and testimonies Douglas Winiarski recovers the pervasive and vigorous lay piety of the early eighteenth century George Whitefield s preaching tour of 1740 called into question the fundamental assumptions of this thriving religious culture Incited by Whitefield and fascinated by miraculous gifts of the Holy Spirit visions bodily fits and sudden conversions countless New Englanders broke ranks with family neighbors and ministers who dismissed their religious experiences as delusive enthusiasm These new converts the progenitors of today s evangelical movement bitterly assaulted the Congregational establishment The 1740s and 1750s were the dark night of the New England soul as men and women groped toward a restructured religious order Conflict transformed inclusive parishes into exclusive networks of combative spiritual seekers Then as now evangelicalism emboldened ordinary people to question traditional authorities Their challenge shattered whole communities

Religion

Meredith B. McGuire,2008-04-10 In this insightful examination of religions in their local and global context the author shows how analyzing religions social context helps us understand individuals lives social movements national and ethnic politics and widespread social changes Well researched and theory based the text is filled with intriguing anecdotes empirical data

thought provoking discussions of both mainstream and nonofficial religions and historical and contemporary examples that illustrate the interplay between religion and society across cultures This volume takes an integrated approach to examining religion and includes cross cultural historical and methodological viewpoints Readers will learn to identify the complex interactions between religion and societal contexts as well as the ways in which these interactions shape individuals communities national politics and the world

Religion Family And The Life Course Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Religion Family And The Life Course PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Religion Family And The Life Course PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal

boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Religion Family And The Life Course free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Religion Family And The Life Course Books

What is a Religion Family And The Life Course PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Religion Family And The Life Course PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Religion Family And The Life Course PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Religion Family And The Life Course PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Religion Family And The Life Course PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF

viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
