Religion And Zionismfirst Encounter:

The Early Israeli Settler Movement Jeffrey Kaplan,2024-09-23 This book examines the religious intellectual and historical roots of the Israeli settlement movement through the lens of various strands of Zionism The book opens with a discussion of religious Zionism especially through the lens of the teachings of Rabbi Avraham Isaac Kook and his son Zvi Yehuda Kook The author notes the remarkable growth of a once marginal movement into a rapidly growing stream of Judaism highlighting its key role in the settlement project before and after the Six Day War in 1967 This is supplemented by an analysis of the role of political Zionism as embodied by key figures such as Theodor Herzl and David Ben Gurion who adapted it into a governing ethos after Independence in 1948 This section concludes with a consideration of the writings of Ahad Ha am and the role of cultural Zionism The book then turns to an oral history of the 1967 war and the beginning of settlement which saw the emergence of key Gush founders Finally the book concludes with an extended discussion of Hebron from both Jewish and Palestinian perspectives first in 1929 and then in 1968 Offering new interpretations of Zionism as it impacts on the Israeli Palestinian conflict the book will appeal to students and researchers interested in Jewish studies Palestinian history and Middle Eastern politics *Zionist Culture and West European Jewry Before the First World War* Michael Berkowitz,1993-02-26 An investigation into the way in which modern Zionism was received by bourgeois west European Jews from 1897 to 1914 placing particular emphasis on the movement s approach towards those who were not seen as potential immigrants to Palestine **Religion and Democratizations** Jeffrey Haynes,2013-09-13 This book examines key debates on religion and democratization from three main perspectives Religious traditions have core elements which are more or less conducive to democratization and democracy Religious traditions may be multi vocal but at any moment there may be dominant voices more or less receptive to and encouraging of democratization Religious actors rarely if ever determine democratization outcomes However they may in various ways and with a range of outcomes be of significance for democratization The contributions are divided into two sections 1 Religion democratization and democracy and 2 Secularization democratization and democracy Overall they examine the three assertions in the bullet points above The book s starting point is that in general around the world religions have left their assigned place in the private sphere This means they have in many cases become recognisably politically active in various ways and with assorted outcomes This re emergence from political marginality dates back until at least the 1980s At that time the US sociologist Jose Casanova noted that what was new and became news was the widespread and simultaneous refusal of religions to be restricted to the private sphere This involved a remodelling and re assumption of public roles by religion which theories of secularisation had long condemned to social and political marginalisation This book was published as a special issue of Democratization *Law and the Culture of Israel* Menachem Mautner,2011-01-27 For half a century a fierce struggle to shape Israeli culture has been waged in its legal system Should Israel be a secular liberal state or governed by traditional Jewish law and culture In this

book Menachem Mautner tells the fascinating story of the political struggles to control Israeli law and through it the culture of Israel itself Halakha and the Challenge of Israeli Sovereignty Asaf Yedidya, 2019-05-24 Halakha and the Challenge of Israeli Sovereignty examines the issues surrounding national political and religious sovereignty from the vantage point of halakha and its evolution The work analyzes the efforts of the interpretative communities who adhered to halakha the rabbinical authorities as well as other groups who endeavored to help or to change it the Jewish jurists in Eretz Israel who sought to integrate sections of halakha into the Jewish collective and the religious academics who wanted more meaningful recognition of halakha in non halakhic values The assessment extends from the beginning of the Jewish national movement in the last two decades of the 19th century to the first two decades of the State of Israel when weighty problems arose that required a halakhic response to the challenge of sovereignty In this the volume sheds light on the pliable nature of the concept of halakha particularly in conjunction with its application to the notion of sovereignty **Towards the Mystical Experience of Modernity** Yehudah Mirsky, 2021-08-10 Avraham Yitzhaq Ha Cohen Kook 1865 1935 stands as a colossal figure of modern Jewish history and thought Jurist mystic poet theologian communal leader founder of the modern Chief Rabbinate and still the defining thinker of Religious Zionism he is indispensable for understanding modern Jewish thought the contemporary State of Israel and the most fundamental interactions of religion nationalism ethics and spirituality Despite countless studies of him almost no full fledged intellectual biography of him exists in any language This study of the years before his momentous move to Jaffa in 1904 drawing on little known works including recently published manuscripts begins to fill that gap It traces his life and times in the remarkably intense Rabbinic intellectual milieu of late nineteenth century Eastern Europe and his path from a profound regularly rationalist traditionalism towards a dynamic theology and spiritual practice weaving together Kabbalah philosophy universal ethics and romantic mysticism *Law as Religion, Religion as Law* David C. Flatto, Benny Porat, Benjamin Porat, 2022-08-25 In contrast with the conventional approach this volume explores the dynamic interplay and intersection of law and religion **Beyond Zion** Laura Almagor, 2022-05-01 Finalist for National Jewish Book Award for Writing Based on Archival Material 2022 Jewish political and cultural behaviour during the first half of the twentieth century comes to the fore in this portrayal of a forgotten movement with contemporary relevance Commencing with the Zionist rejection of the Uganda proposal in 1905 the Jewish Territorialist Movement searched for areas outside Palestine in which to create settlements of Jews This study analyses the Territorialists ideology and activities in the Jewish context of the time but their thought and discourse also reflect geopolitical concerns that still have resonance today in debates about colonialist attitudes to peoplehood territory and space As the colonial world order rapidly changed after 1945 the Territorialists did not abandon their aspirations in overseas lands Instead in their attempts to find settlement solutions for Europe's surplus Jews they moved from negotiating predominantly with the European colonizers to negotiating also with the ever more powerful non Western leaders of decolonizing nations This book reconstructs the rich history of the activities

and changing ideologies of Jewish Territorialism represented by Israel Zangwill's Jewish Territorial Organisation the ITO and later by the Freeland League for Jewish Colonization under the leadership of Isaac Steinberg Via Uganda Angola Madagascar Australia and Suriname this story eventually leads us to questions about yidishkeit and to forgotten early twentieth century ideas of how to be Jewish *Diaspora Nationalism and Jewish Identity in Habsburg Galicia* Joshua Shanes, 2012-08-06 The triumph of Zionism has clouded recollection of competing forms of Jewish nationalism vying for power a century ago This study explores alternative ways to construct the modern Jewish nation Jewish nationalism emerges from this book as a Diaspora phenomenon much broader than the Zionist movement Like its non Jewish counterparts Jewish nationalism was first and foremost a movement to nationalize Jews to construct a modern Jewish nation while simultaneously masking its very modernity *Diaspora Nationalism and Jewish Identity in Habsburg Galicia* traces this process in what was the second largest Jewish community in Europe Galicia The history of this vital but very much understudied community of Jews fills a critical lacuna in existing scholarship while revisiting the broader question of how Jewish nationalism or indeed any modern nationalism was born Based on a wide variety of sources many newly uncovered this study challenges the still dominant Zionist narrative by demonstrating that Jewish nationalism was a part of the rising nationalist movements in Europe

Hebrew Orientalism Mostafa Hussein, 2025-12-09 How Jewish writers in late Ottoman and British Mandate Palestine used Arabo Islamic culture to advance the goals of Zionism In the decades before the establishment of a Jewish state in 1948 native and immigrant Jews in Palestine mediated between Jewish and Arab cultures while navigating their evolving identities as settler colonists Hebrew Orientalism challenges the conventional view that Hebrew thinkers were dismissive of Arabo Islamic culture revealing how they both adopted and adapted elements of it that enhanced Zionist aims Drawing on a wealth of sources ranging from Arabic medieval chronicles travel narratives and poetry to modern Hebrew geography and botany texts Mostafa Hussein provides a nuanced understanding of Hebrew orientalism by focusing on the practical activities of Hebrew writers such as recuperating the Jewish past in the East constructing Jewish indigeneity consolidating Jewish ties to Palestine's landscape enhancing understanding of the Hebrew Bible reviving Hebrew language and undertaking translation projects Through the lens of a diverse group of Jewish intellectuals ranging from Palestine born Sephardi Oriental and Ashkenazi Jews to Eastern European immigrants he unveils the complex realities of cultural exchange and knowledge production highlighting the dual role of these intellectuals in connecting with the East and promoting Zionist aspirations Hussein offers fresh insights into the role of scholarly practices in advancing new perspectives on the region and its peoples and forging a modern Zionist Hebrew identity Illuminating the intricate and often contradictory engagement of Hebrew scholars with Arabo Islamic culture Hebrew Orientalism informs contemporary discussions of postcolonialism and settler colonialism and enriches our understanding of the historical dynamics between Jews and Arabs in Palestine *The Life and Thought of Ze'ev Jawitz* Asaf Yedidya, 2021-03-05 Ze'ev Jawitz 1847 1924 was one of the foremost intellectuals of the First

Aliyah and a leader of the religious faction within the Hibbat Zion movement and the Zionist Organization During his life he experienced the transition from living in the Diaspora to settling in the homeland and he faced complex problems along with rare opportunities The Life and Thought of Ze'ev Jawitz To Cultivate a Hebrew Culture is based on rich archival material most of which has never been published It moves along two axes historically it follows Jawitz's life through the places where he lived Jerusalem Russia Germany and England and intellectually it analyzes Jawitz's literary and philosophical work against the backdrop of his time

Western Jewry and the Zionist Project, 1914-1933 Michael Berkowitz, 2003-04-10 This 1996 study of the Zionist movement in Germany Britain and the United States recognizes Western Zionism as a distinctive force From the First World War until the rise of Hitler the Zionist movement encouraged Jews to celebrate aspects of a reborn Jewish nationality and sovereignty in Palestine while at the same time acknowledging that their members would mostly stay put and strive toward acculturation in their current homelands The growth of a Zionist consciousness among Western Jews is juxtaposed with the problematic nurturing of the movement's institutions as Zionism was consumed increasingly by fundraising In the 1930s Zionist images assumed a progressively greater share of secular Jewish identity and Zionism became normalized in the social landscape of Western Jewry but the organization faltered in translating its popularity into a means of saving the Jews and building up the national home in Palestine

The Jews of Eastern Europe, 1772-1881 Israel Bartal, 2011-06-07 In the nineteenth century the largest Jewish community the modern world had known lived in hundreds of towns and shtetls in the territory between the Prussian border of Poland and the Ukrainian coast of the Black Sea The period had started with the partition of Poland and the absorption of its territories into the Russian and Austro-Hungarian empires it would end with the first large scale outbreaks of anti-Semitic violence and the imposition in Russia of strong anti-Semitic legislation In the years between a traditional society accustomed to an autonomous way of life would be transformed into one much more open to its surrounding cultures yet much more confident of its own nationalist identity In The Jews of Eastern Europe Israel Bartal traces this transformation and finds in it the roots of Jewish modernity

Hasidism Reappraised Ada Rapoport-Albert, 1996-07-01 Probably the most important analytical study of the Hasidic movement can be read by anyone seriously interested in Jewish history Jewish Historical Studies *Jewish Philanthropy and Enlightenment in Late-Tsarist Russia* Brian J. Horowitz, 2015-08-03 The Society for the Promotion of Enlightenment among the Jews of Russia OPE was a philanthropic organization the oldest Jewish organization in Russia Founded by a few wealthy Jews in St Petersburg who wanted to improve opportunities for Jewish people in Russia by increasing their access to education and modern values OPE was secular and nonprofit The group emphasized the importance of the unity of Jewish culture to help Jews integrate themselves into Russian society by opening supporting and subsidizing schools throughout the country While reaching out to Jews across Russia OPE encountered opposition on all fronts It was hobbled by the bureaucracy and sometimes outright hostility of the Russian government which imposed strict regulations on all aspects of

Jewish lives The OPE was also limited by the many disparate voices within the Jewish community itself Debates about the best type of schools secular or religious co educational or single sex traditional or modern were constant Even the choice of language for the schools was hotly debated Jewish Philanthropy and Enlightenment in Late Tsarist Russia offers a model of individuals and institutions struggling with the concern so central to contemporary Jews in America and around the world how to retain a strong Jewish identity while fully integrating into modern society

Hasidism and Politics Marcin Wodziński, 2013-03-31 This analysis of the political relations between the Kingdom of Poland and the hasidic movement shows that by creating advantageous socio political conditions the government actually accelerated the growth of the movement to the extent that unique features of Polish hasidism can be attributed to the impact of government policy The study also demonstrates the unusually modern character of hasidic political activity and charts its distinctive path of development in the Kingdom of Poland into anti modernist modernity

Hasidism David Biale, David Assaf, Benjamin Brown, Uriel Gellman, Samuel Heilman, Moshe Rosman, Gadi Sagiv, Marcin Wodziński, 2017-12-04 The first comprehensive history of the pietistic movement that shaped modern Judaism This is the first comprehensive history of the pietistic movement that shaped modern Judaism The book s unique blend of intellectual religious and social history offers perspectives on the movement s leaders as well as its followers and demonstrates that far from being a throwback to the Middle Ages Hasidism is a product of modernity that forged its identity as a radical alternative to the secular world Hasidism originated in southeastern Poland in mystical circles centered on the figure of Israel Ba al Shem Tov but it was only after his death in 1760 that a movement began to spread Challenging the notion that Hasidism ceased to be a creative movement after the eighteenth century this book argues that its first golden age was in the nineteenth century when it conquered new territory won a mass following and became a mainstay of Jewish Orthodoxy World War I the Russian Revolution and the Holocaust decimated eastern European Hasidism But following World War II the movement enjoyed a second golden age growing exponentially Today it is witnessing a remarkable renaissance in Israel the United States and other countries around the world Written by an international team of scholars Hasidism is a must read for anyone seeking to understand this vibrant and influential modern Jewish movement

Emet le-Ya'akov Zev Eleff, Shaul Seidler-Feller, 2023-11-21 *Emet le Ya akov* comprises a collection of essays celebrating the career and achievements of Rabbi Dr Jacob J Schacter who has served the American and international Jewish community with distinction in his roles as a synagogue rabbi university professor and public intellectual These articles like the honoree recognize the importance of both history and memory emphasize the necessity of accuracy in historiography and do not shy away from inconvenient truths They are divided into three categories that help frame the discussion around facing the truths of history Textual Traditions Memory and Making of Meaning and Re Creating a Usable Past The volume also includes a brief sketch of Schacter s life and work and a bibliography of his publications

What is Modern Israel? Yakov M. Rabkin, 2016-05-20 Few countries provoke as much passion and

controversy as Israel What is Modern Israel convincingly demonstrates that its founding ideology Zionism is anything but a simple reaction to antisemitism Dispelling the notion that every Jew is a Zionist and therefore a natural advocate for the state of Israel Yakov Rabkin points to the Protestant roots of Zionism in order to explain the particular support Israel musters in the United States Drawing on many overlooked pages of history including English French Hebrew Yiddish and Russian sources Yakov Rabkin shows that Zionism was conceived as a sharp break with Judaism and Jewish continuity Israel's past and present must be seen in the context of European ethnic nationalism colonial expansion and geopolitical interests rather than as an incarnation of Biblical prophecies or a culmination of Jewish history

The Invention of the Land of Israel

Shlomo Sand, 2013-09-30 What is a homeland When does it become a national territory Why have so many people been willing to die for such places throughout the twentieth century What is the essence of the Promised Land Following the acclaimed and controversial The Invention of the Jewish People Shlomo Sand examines the mysterious sacred land that has become the site of the longest running national struggle of the twentieth and twenty first centuries The Invention of the Land of Israel deconstructs the age old legends surrounding the Holy Land and the prejudices that continue to suffocate it The invention of the modern concept of the Land of Israel in the nineteenth century he argues not only facilitated the colonization of the Middle East and the establishment of the State of Israel it is also what is threatening Israel's existence today
