Religion As A Human Capacity

Walter H. Capps

Religion As A Human Capacity:

Religion as a Human Capacity Timothy Light, Brian C. Wilson, 2018-08-14 Prepared in honor of E Thomas Lawson the essays in *Religion as a Human Capacity* represent diverse points of view in the study of religion today Part I Theoretical Studies offers a broad range of cognitivist theoretical explorations while Part II Studies in Religious Behavior presents cutting edge applications of cognitive and other contemporary theories to religious data This volume celebrates Lawson's critical contributions to cognitive studies of religion and the degree to which his ultimate goal of scholarship as a search for truth is matched by those who have been his colleagues and been influenced by him *Religion as a Human Capacity* will be of interest to all those concerned with theory and method in the academic study of religion

The Oxford Handbook of the Study of Religion Michael Stausberg, Steven Engler, 2016 The Oxford Handbook of the Study of Religions provides a comprehensive overview of the academic study of religions Written by an international team of leading scholars its fifty one chapters are divided thematically into seven sections The first section addresses five major conceptual aspects of research on religion Part two surveys eleven main frameworks of analysis interpretation and explanation of religion Reflecting recent turns in the humanities and social sciences part three considers eight forms of the expression of religion Part four provides a discussion of the ways societies and religions or religious organizations are shaped by different forms of allocation of resources i e economy Other chapters in this section consider law the media nature medicine politics science sports and tourism Part five reviews important developments distinctions and arguments for each of the selected topics The study of religion addresses religion as a historical phenomenon and part six looks at seven historical processes Religion is studied in various ways by many disciplines and this Handbook shows that the study of religion is an academic discipline in its own right The disciplinary profile of this volume is reflected in part seven which considers the history of the discipline and its relevance Each chapter in the Handbook references at least two different religions to provide fresh and innovative perspectives on key issues in the field This authoritative collection will advance the state of the discipline and is an invaluable reference for students and scholars

Religion and the Human Future David E. Klemm, William Schweiker, 2009-01-30 This powerful manifesto outlines a vision called theological humanism based on the idea that the integrity of life provides a way to articulate the meaning of religion for the human future Explores a profound quest to understand the meaning and responsibility of our shared and yet divided humanity amidst the uncertainty of modern society Articulates the idea that human beings are mixed creatures striving for integrity not only trying to conform to God's will Sets forth a dynamic and robust vision of human life beyond the divisions that haunt the humanities social sciences theology and religious studies

A Historical and Theoretical Guide to Studying Religion Wesley Kort, 2024-01-16 This book a guide to studying religion has two parts The first or historical part traces the rise of the academic study of religion from the early nineteenth century to the present day Primary attention is given to the relation of studying religion to Romanticism and to its contrary

relations to principal characteristics of Western modernity especially its rational and materialist emphases The second part of the book addresses matters that present uncertainties problems and even tensions within the field such as what is or should be meant by referring to some persons or groups as religious why religion is so often a cause of tensions and even conflicts both within and between religious groups and between them and the increasingly nonreligious or secular quality of modern Western culture and the problem that arises for the field by reason of scholars who on one side are themselves religious and who on the other side are nonreligious or secular The book places this final difficulty the difference and often the tension between religious and nonreligious approaches to the study of religion in the role of a unifying theme of the book and offers a way by which this problem can be addressed and to a considerable degree reduced Hermeneutical Approaches in Psychology of Religion ,2025-02-10 Contemporary psychology is reviving with new vigor an interest in hermeneutics or the human science of interpretation After a period in which positivistic and statistical approaches have been dominant new methods are being explored Most of these focus on narrative cultural analysis embodiment and interdisciplinarity Because of its specific object of study psychology of religion has never been without an hermeneutical emphasis In this field of psychology scholarship these new directions are especially welcomed as they offer perspectives for research which attempts to interpret religion as a human phenomenon This volume presents hermeneutical psychological studies on religion which rely on both classical and contemporary approaches Dealing with topics like mysticism religious symbols life stories and mental health contributions to the volume draw on a variety of perspectives These range from psychoanalysis narrative psychology and feminism to perspectives drawn deep from the wellspring of interdisciplinary collaboration with anthropology and history **The Psychology of Religion** H. Newton Malony Mdiv PhD,2015-05-04 The Psychology of Religion is alive and well as it has been for almost three quarters of a century since religion came off the psychological taboo list in the 1950s And much has been written and researched about the field during this passage of time Among those playing an active part has been H Newton Malony As a clinical psychologist as well as an ordained clergy person he has brought the informed perspective of both Christian theology and the social behavioral science to the psychology of religion This volume is a compilation of some of his reflections as he taught graduate students supervised research and engaged in psychotherapy in the years leading up to his retirement in 1996 **Religion as Orientation and Transformation** Jan-Olav Henriksen,2017-05-12 Religions are not primarily expressed in people s heads and their thoughts but in what they do People use religious symbols in order to orientate or change themselves In this way religion is related to all realms of human life Jan Olav Henriksen shows that only against this backdrop can we understand the role of religions in human life Book jacket The Pragmatics of Defining Religion Platvoet,Arie Molendijk,2018-11-13 This volume promotes a pragmatic anti essentialist and anti hegemonic approach to the problem of the definition of religion It argues that definitions of religion are context bound strategies for pursuing a variety of purposes extra academic as well as academic Religions

being immensely varied complex and multi functional phenomena they need to be studied by several academic disciplines from many different perspectives It is therefore legitimate and useful that many definitions of religions are developed The volume has contributions from scholars in Philosophy of Religion the Comparative Study of Religions Anthropology of Religion Sociology of Religion and Psychology of Religion It has chapters on the polemics of defining religion in modern contexts the history of the concept of religion and the methodology of its definition it includes several definition proposals

How to do Comparative Religion? René Gothóni, 2012-02-14 Well known scholars in the study of religions bring up to date and elucidate the discussion on the three most debated approaches in comparative religion namely the hermeneutical approach the explanatory or cognitivist approach and the critical approach The approaches and methods of studying religion are disputed in an outspoken and challenging way critically and radically arguing pros and cons This work is unique unrivalled and full of essential insights into the dialogue of today and of the challenges of tomorrow Ricoeur's Hermeneutics of Religion Brian Gregor, 2018-11-29 Religion was a constant theme throughout Paul Ricoeur's long career and yet he never wrote a full length treatment of the topic In this important new book Brian Gregor draws on the full scope of Ricoeur's writings to lay out the essential features of his philosophical interpretation of religion from his earliest to his last work Ricoeur's central claim is that religion aims at the regeneration of human capability in his words the rebirth of the capable self This book provides a rich thematic account of Ricoeur's hermeneutics of religion showing how the theme of capability informs his changing interpretations of religion from his early work on French reflexive philosophy and the philosophy of the will to his late work on forgiveness mourning and living up to death Gregor exhibits Ricoeur's original contribution to philosophical reflection on such themes as evil suffering and violence as well as imagination embodiment and spiritual exercise He also presents a critical reconsideration of Ricoeur's separation of philosophy from theology and his philosophical interpretation of Christian theological ideas of revelation divine transcendence and personhood atonement and eschatology Additionally Gregor provides an expansive look at Ricoeur's interlocutors including Marcel Jaspers Kant Hegel Levinas and Girard Theologically inclined readers will be particularly interested in the book's treatment of Karl Barth and the Protestant theology of the Word which was a vital influence on Ricoeur The result is a study of Ricoeur that is both sympathetic and critical provocative and original inviting the reader into a deeper engagement with Ricoeur's philosophical interpretation of religion *The Emergence of Religion in Human Evolution* Margaret Boone Rappaport, Christopher J. Corbally, 2019-12-09 Religious capacity is a highly elaborate neurocognitive human trait that has a solid evolutionary foundation This book uses a multidisciplinary approach to describe millions of years of biological innovations that eventually give rise to the modern trait and its varied expression in humanity's many religions The authors present a scientific model and a central thesis that the brain organs networks and capacities that allowed humans to survive physically also gave our species the ability to create theologies find sustenance in religious practice and use religion to support the social group Yet

the trait of religious capacity remains non obligatory like reading and mathematics The individual can choose not to use it The approach relies on research findings in nine disciplines including the work of countless neuroscientists paleoneurologists archaeologists cognitive scientists and psychologists This is a cutting edge examination of the evolutionary origins of humanity s interaction with the supernatural It will be of keen interest to academics working in Religious Studies Neuroscience Cognitive Science Anthropology Evolutionary Biology and Psychology

The Pragmatics of Defining Religion Jan G. Platvoet, Arie Leendert Molendijk, 1999 The Pragmatics of Defining Religion is a multidisciplinary volume on the problem of the definition of religion with chapters on the polemics of defining religion in modern contexts the history of the concept of religion the methodology of its definition it includes several definition proposals The Philosophy of Religion George Trumbull Ladd, 1909

God Against Religion Matthew Myer Boulton, 2008-01-29 This volume outlines a Christian theology that takes worship as its basic framework as the occasion of not only an approach toward God in piety but also separation from God in sin Drawing on Luther Calvin and especially Karl Barth Matthew Myer Boulton builds a Reformed liturgical theology maintaining that the God of Jesus Christ is a God against religion one who saves human beings from religion by entering it transforming it and ultimately ending it

Law and Religion Stephen M. Feldman, 2000-09 Few issues arouse as much passionate debate as the relationship between church and state Political parties and coalitions have long jockeyed for position in the battle to either keep the two separate or to unify them in one nation indivisible from God While the battle has been raging in the political arena figures from academia the media and myriad other vantage points have commented on the context and constitutionality of laws governing religious expression In Law and Religion Stephen M Feldman brings together the many perspectives that have shaped policy on this important national issue In giving voice to the political left and right as well as to cultural philosophical sociological and historical perspectives the book serves as an even handed treatment of an issue all too often clouded by biases Contributors ranging from Stanley Fish to Richard John Neuhaus explore issues extending from religious morality and religious freedom to fundamentalism the separation of church and state religion and public schooling and liberal political theory Comprehensive in scope Law and Religion will stand as an important reference for anyone seeking to further understand this complex and highly emotional topic

The Biological Evolution of Religious Mind and Behavior Eckart Voland, Wulf Schiefenhövel, 2009-08-12 In a Darwinian world religious behavior just like other behaviors is likely to have undergone a process of natural selection in which it was rewarded in the evolutionary currency of reproductive success This book aims to provide a better understanding of the social scenarios in which selection pressure led to religious practices becoming an evolved human trait i e an adaptive answer to the conditions of living and surviving that prevailed among our prehistoric ancestors This aim is pursued by a team of expert authors from a range of disciplines Their contributions examine the relevant physiological emotional cognitive and social processes The resulting understanding of the functional interplay of these processes gives valuable insights into the biological roots and

benefits of religion *Religious Studies* Walter H. Capps, 1995 Since its inception almost 200 years ago the study of religion has informed enlightened provoked and challenged our notions of humanity's deepest beliefs and longings Now Walter Capps nationally recognized for the quality and depth of his teaching has written the first full scale introduction to the history and methods of religious studies To assess the many points of view in this mature but diffuse discipline Capps uses the idea that four basic of fundamental questions and three enduring interests have given formal structure to the study of religion the essence of religion the origin of religion descriptions of religion the function of religion the language of religion comparisons of religion and the future of religious studies In this way Capps relates the chief insights and theories of philosophy anthropology phenomenology sociology and theology of religion and spotlights theorists from Immanuel Kant to Mircea Eliade His valuable text unites in a single narrative and conceptual framework the major methodological proposals for the academic study of religion treats all the major theorists in their respective disciplines schools of thought and intellectual movements treats the whole discipline as a dynamic and evolving tradition Religious Studies constitutes not only an erudite introduction to the field exhibiting vast scholarship and careful assessment but also a bold synthetic proposal for its future

God and Globalization: Volume 3 Max L. Stackhouse, Peter J. Paris, Diane Burdette Obenchain, 2001-12-01 These volumes examine both the promise and the threat of globalization using the tools of theological ethics to understand and evaluate the social contexts of life at the deepest moral and spiritual levels **Religion at Play** Andre Droogers, 2015-03-26 Is a powerful position a guarantee that a religion will continue Does God take sides in religious power struggles Can God survive religious exclusivity and diversity Is God migrating from out there to in here Is religion sustainable in the long run In seeking answers to these questions this book explores the possibilities afforded by playful religion Religion has playful origins but this aspect is forgotten as soon as institutional power becomes self serving instead of subservient Power changes the very essence of religion Virtually all religions are distorted versions of a playful original Institutionalization is religion's curse not its blessing Apparent success hides the failure of religion to be faithful to its original intent This book helps find the way back from bordering to inclusivity and openness **The Dialogical Imperative** David Lochhead, 2012-01-30 What is dialogue What are the goals of dialogue between faiths Are they attainable Are they compatible with Christian faith This important book addresses the issue of dialogue from a different even unique perspective as the relationships in social and historical context between faiths David Lochhead first differentiates between several ideological stances often categorized as simply exclusivity or inclusivity that have defined Christian attitudes toward other faiths He considers the sociological as well as theological dimensions of these stances concluding that a theology of interfaith dialogue must ultimately be grounded in a theology of the world Lochhead brings fresh insights to a reading of Barth on the theological significance of religion He argues that while generally considered otherwise Barth's view is not inherently hostile to interfaith dialogue Rather Barth poses questions of the utmost importance to reconciling dialogue with Christian faithfulness Based on this Lochhead

proposes a stance of faithful agnosticism the refusal to make a priori valuations of other faiths as the attitude most conducive to constructive interfaith relationships Exploring the notion of dialogue as a means to truth Lochhead then discusses Plato and Buber from the dialogical perspective and addresses the question of whether a doctrine of revelation must be universalized in order to permit interfaith dialogue After examining several views of the ultimate goals of dialogue as understanding as negotiation as integration or as activity Lochhead concludes by explicating the import of the dialogical imperative for Christian theology and mission A clear concise treatment of the nature and goals of interfaith dialogue The Dialogical Imperative affirms the dialogical approach from within the Reformed Protestant tradition

Recognizing the pretension ways to acquire this book **Religion As A Human Capacity** is additionally useful. You have remained in right site to start getting this info. get the Religion As A Human Capacity member that we offer here and check out the link.

Religion As A Human Capacity Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Religion As A Human Capacity free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Religion As A Human Capacity free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Religion As A Human Capacity free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally

available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Religion As A Human Capacity. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Religion As A Human Capacity any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Religion As A Human Capacity Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Religion As A Human Capacity is one of the best book in our library for free trial. We provide copy of Religion As A Human Capacity in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Religion As A Human Capacity. Where to download Religion As A Human Capacity online for free? Are you looking for Religion As A Human Capacity PDF? This is definitely going to save you time and cash in something you should think about.
