Religion At The Service Of Nationalism And Other Essays :

Religion at the Service of Nationalism and Other Essays Madhu Kishwar, 2001 This collection of essays by the prominent activist Madhu Kishwar discusses various issues relating to religion religious sectarianism and nationalism Argumentative in tone hard hitting and intensely provocative this collection of polemical essays is essential reading for all those concerned about the growing ethnic violence in India

New Approaches to the Study of Religion: Regional, critical, and historical approaches Peter Antes, Armin W. Geertz, Randi Ruth Warne, 2004 Internationally recognized scholars from many parts of the world provide a critical survey of recent developments and achievements in the global field of religious studies The work follows in the footsteps of two former publications Classical Approaches to the Study of Religion edited by Jacques Waardenburg 1973 and Contemporary Approaches to the Study of Religion edited by Frank Whaling 1984 85 New Approaches to the Study of Religion completes the survey of the comparative study of religion in the twentieth century by focussing on the past two decades Many of the chapters however are also pathbreaking and point the way to future approaches

Toward a Catholic Theology of Nationality Dorian Llywelyn, 2010-06-28 Nationality continues to be an important part of how people identify themselves and others Who am I is inseparable from the question Who and what are we Historically many nations have made use of the Bible and Christian notions to understand themselves and to justify their political ambitions Catholic theology however has never elaborated on a systematic treatment of nationality Dorian Llywelyn forges a new approach treating the nation as a form of culture He addresses some key questions How are the religious and national aspects of human identity connected What does Catholic doctrine have to say about nationality and nationalism Is there really such a thing as a Christian nation Is Catholicism compatible with patriotism Llywelyn's wide ranging book introduces the reader to contemporary approaches to nationality nationality national identity nationalism and patriotism Drawing from the insights of sociology history and anthropology he investigates the many ways in which nations and Christianity have intertwined and explores what scripture and twentieth century papal teaching have to say on the matter He provides an original Catholic theology of national belonging one which is based on the implications of the Incarnation Examining popular devotions to the Virgin Mary as national patroness and drawing from the metaphysical acumen of the medieval thinker John Duns Scotus Llywelyn argues for the theological value of nationality and proposes that global community and cultural and national diversity are mutually necessary values

Encyclopedia of Hinduism Denise Cush, Catherine A. Robinson, Michael York, 2012-08-21 The Encyclopedia of Hinduism contains over 900 entries reflecting recent advances in scholarship which have raised new theoretical and methodological issues as well as identifying new areas of study which have not been addressed previously The debate over the term Hinduism in the light of post Orientalist critiques is just one example of how once standard academic frameworks have been called into question Entries range from 150 word definitions of terms and concepts to 5 000 word in depth investigations of major topics The Encyclopedia covers all

aspects of Hinduism but departs from other works in including more ethnographic and contemporary material in contrast to an exclusively textual and historical approach. It includes a broad range of subject matter such as historical developments among them nineteenth and twentieth century reform and revival geographical distribution especially the diaspora major and minor movements philosophies and theologies scriptures deities temples and sacred sites pilgrimages festivals rites of passage worship religious arts sculpture architecture music dance etc religious sciences e.g. astrology biographies of leading figures local and regional traditions caste and untouchability feminism and women's religion nationalism and the Hindu radical right and new religious movements. The history of study and the role of important scholars past and present are also discussed. Accessibility to all levels of reader has been a priority and no previous knowledge is assumed. However the in depth larger entries and the design of the work in line with the latest scholarly advances means that the volume will be of considerable interest to specialists. The whole is cross referenced and bibliographies attach to the larger entries. There is a full index.

Routledge Handbook of Contemporary India Knut A. Jacobsen, 2015-08-11. A second revised edition of this title is available at <https://www.routledge.com/Routledge+Handbook+of+Contemporary+India/Jacobsen/p/book/9781032244068>. India is the second largest country in the world with regard to population the world's largest democracy and by far the largest country in South Asia and one of the most diverse and pluralistic nations in the world in terms of official languages cultures religions and social identities. Indians have for centuries exchanged ideas with other cultures globally and some traditions have been transformed in those transnational and transcultural encounters and become successful innovations with an extraordinary global popularity. India is an emerging global power in terms of economy but in spite of India's impressive economic growth over the last decades some of the most serious problems of Indian society such as poverty repression of women inequality both in terms of living conditions and of opportunities such as access to education employment and the economic resources of the state persist and do not seem to go away. This Handbook contains chapters by the field's foremost scholars dealing with fundamental issues in India's current cultural and social transformation and concentrates on India as it emerged after the economic reforms and the new economic policy of the 1980s and 1990s and as it develops in the twenty first century. Following an introduction by the editor the book is divided into five parts: Part I Foundation Part II India and the world Part III Society class caste and gender Part IV Religion and diversity Part V Cultural change and innovations. Exploring the cultural changes and innovations relating a number of contexts in contemporary India this Handbook is essential reading for students and scholars interested in Indian and South Asian culture politics and society. Chapter 11 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license.

Questioning Ramayanas Paula Richman, 2001. A wide ranging examination of the many different versions of India's greatest epic the Ramayana focusing on versions that subvert the dominant readings of the work.

Salman Rushdie and Indian Historiography

Nicole Weickgenannt Thiara, 2009-06-25 Paying particular attention to the representation of women and to gendered notions of the nation this book examines for the first time the marked parallels between Rushdie's critique of the Nehruvian legacy and the most significant recent trends in Indian historiography especially the feminist and subalternist movements **Islam in the Modern World** Jeffrey T. Kenney, Ebrahim Moosa, 2013-08-15 This comprehensive introduction explores the landscape of contemporary Islam Written by a distinguished team of scholars it provides broad overviews of the developments events people and movements that have defined Islam in the three majority Muslim regions traces the connections between traditional Islamic institutions and concerns and their modern manifestations and transformations How are medieval ideas policies and practices refashioned to address modern circumstances investigates new themes and trends that are shaping the modern Muslim experience such as gender fundamentalism the media and secularisation offers case studies of Muslims and Islam in dynamic interaction with different societies Islam in the Modern World includes illustrations summaries discussion points and suggestions for further reading that will aid understanding and revision Additional resources are provided via a companion website **Regional, Critical, and Historical Approaches** Peter Antes, Armin W. Geertz, Randi R. Warne, 2008-12-19 Internationally recognized scholars from many parts of the world provide a critical survey of recent developments and achievements in the global field of religious studies The work follows in the footsteps of two former publications Classical Approaches to the Study of Religion edited by Jacques Waardenburg 1973 and Contemporary Approaches to the Study of Religion edited by Frank Whaling 1984 85 New Approaches to the Study of Religion completes the survey of the comparative study of religion in the twentieth century by focussing on the past two decades Many of the chapters however are also pathbreaking and point the way to future approaches *Human Rights and Responsibilities in the World Religions* Joseph Runzo, Arvind Sharma, Nancy M. Martin, 2014-10-01 This volume outlines the approaches to human rights and responsibilities within the different world religions Featuring contributions from over 15 scholars the book covers such key issues as women's rights the role of international law and responsibility for the environment It also includes a Universal Declaration of Human Rights by the World's Religions presented at the third Parliament of the World Religions Indian Review of Books, 1998 **The Wiley Blackwell Companion to Religion and Peace** Jolyon Mitchell, Suzanna R. Millar, Francesca Po, Martyn Percy, 2022-08-02 Incisive contributions from leading and emerging scholars in the field of Peace Studies In the Wiley Blackwell Companion to Religion and Peace a team of renowned scholars delivers an authoritative and interdisciplinary sourcebook that addresses the key concepts history theories models resources and practices in the complex and ambivalent relationship between religion and peace The editors have included contributions from a wide range of perspectives and locations that reflect diverse methods and approaches The Companion provides a collection grounded in experience and context that draws on established developing and new research characterized by academic rigor The differences between the approaches taken by several religious traditions are fully explored and numerous case studies

highlight relevant theories models and resources Accessible as either a standalone collection or as a partner to the Companion to Religion and Violence this edited volume also offers A thorough introduction to religion and its search for peace including the relationships between religion and peace and theories and practices for studying the interplay between religion and peace Comprehensive explorations of religion and peace in local contexts including discussions of women s empowerment and peacebuilding in an Islamic context Practical discussions of practices and embodiments of religion and peace including treatments of museums for peace and self religion in global peace movements In depth examinations of lived Christian theologies and building peace including discussions of Martin Luther King Jr and spiritual activism in Scotland Perfect for students and scholars of peacemaking peacekeeping and peace building the Wiley Blackwell Companion to Religion and Peace will also earn a place in the libraries of anyone professionally or personally interested in the field of Peace or Religious Studies International Relations History Politics or Theology *Indian Identity Narratives and the Politics of Security* Gitika Commuri,2010-10-04 This book provides a fresh insight into the role of identity in international and national relations and policy The book presents a discourse on national identity in India the events from 1990 2003 and how these have influenced the engagement of India with others especially with Pakistan and China In this process it reveals several surprising insights along with the challenges that confront the country **The Hindu Family and the Emergence of Modern India** Eleanor Newbigin,2013-09-19 A study of how the development of representative politics in late colonial India transformed notions of family gender and religious community The Nation of India in Contemporary Indian Literature A. Guttman,2007-10-15 This book investigates representations of the nation of India as characterized by unity and diversity in the works of six contemporary novelists linking their work to important political historical and theoretical writings The Wheel of Law Gary Jeffrey Jacobsohn,2009-01-10 How can religious liberty be guaranteed in societies where religion pervades everyday life In *The Wheel of Law* Gary Jacobsohn addresses this dilemma by examining the constitutional development of secularism in India within an unprecedented cross national framework that includes Israel and the United States He argues that a country s particular constitutional theory and practice must be understood within its social and political context The experience of India where religious life is in profound tension with secular democratic commitment offers a valuable perspective not only on questions of jurisprudence and political theory arising in countries where religion permeates the fabric of society but also on the broader task of ensuring religious liberty in constitutional polities India s social structure is so entwined with religion Jacobsohn emphasizes that meaningful social reform presupposes state intervention in the spiritual domain Hence India s ameliorative model of secular constitutionalism designed to ameliorate the disabling effects of the caste system and other religiously based practices Jacobsohn contrasts this with the visionary secularism of Israel where the state identifies itself with a particular religion and with America s assimilative secularism Constitutional globalization is as much a reality as economic globalization Jacobsohn concludes and within this phenomenon

the place of religion in liberal democracy is among the most vexing challenges confronting us today A richly textured account of the Indian experience with secularism developed in a broad comparative framework this book is for all those seeking ways to respond to this challenge **The Production of Hindu-Muslim Violence in Contemporary India** Paul R.

Brass,2011-05-01 Chronic Hindu Muslim rioting in India has created a situation in which communal violence is both so normal and so varied in its manifestations that it would seem to defy effective analysis Paul R Brass one of the world s preeminent experts on South Asia has tracked more than half a century s riots in the north Indian city of Aligarh This book is the culmination of a lifetime s thinking about the dynamics of institutionalized intergroup violence in northern India covering the last three decades of British rule as well as the entire post Independence history of Aligarh Brass exposes the mechanisms by which endemic communal violence is deliberately provoked and sustained He convincingly implicates the police criminal elements members of Aligarh s business community and many of its leading political actors in the continuous effort to produce communal violence Much like a theatrical production specific roles are played with phases for rehearsal staging and interpretation In this way riots become key historical markers in the struggle for political economic and social dominance of one community over another In the course of demonstrating how riots have been produced in Aligarh Brass offers a compelling argument for abandoning or refining a number of widely held views about the supposed causes of communal violence not just in India but throughout the rest of the world An important addition to the literature on Indian and South Asian politics this book is also an invaluable contribution to our understanding of the interplay of nationalism ethnicity religion and collective violence wherever it occurs India Since Independence: Making Sense of Indian Politics

Ananth,2008 India Since Independence Making Sense of Indian Politics is a comprehensive account of India s post independence political history It discusses the emergence of Mahatma Gandhi the role of Indian capitalists in the freedom struggle the predominance of the Congress party rise of Indira Gandhi Congress split of 1969 the infamous Emergency of 1975 the decline of the party and the formation and demise of the Janata Party It covers the political scenario in various states the Bofors scandal and the Ayodhya campaign Exiting Violence Debora Tonelli, Gerard Michael J.

Mannion,2024-06-04 In the 20th and 21st centuries where violence has scarred countless lives the interplay between religion politics and conflict remains a complex web Exiting Violence looks to untangle some of these knots showing not only how faith can ignite bloodshed but also how it can inspire peace and build bridges Resulting from an international collaboration between the Fondazione Bruno Kessler RESET Dialogues Among Civilizations and the Berkley Center for Religion Peace and World Affairs this collection assesses the state of scholarship and explores the differing ways in which religion can contribute to societies and communities exiting situations of violence and hatred From Biblical hermeneutics to Buddhism from secularism to legal systems Exiting Violence offers a nuanced and thought provoking exploration of the multifaceted role religion plays in the human struggle for peace and justice **Journal of Global Religious Vision** ,1999

Essays eBooks, including some popular titles.

FAQs About Religion At The Service Of Nationalism And Other Essays Books

What is a Religion At The Service Of Nationalism And Other Essays PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Religion At The Service Of Nationalism And Other Essays PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Religion At The Service Of Nationalism And Other Essays PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Religion At The Service Of Nationalism And Other Essays PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Religion At The Service Of Nationalism And Other Essays PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
