Losing the Bond with God Katarzyna Peoples, 2011-04-07 Empirical research provides the basis for a comprehensive depiction of evangelical Christian men who self identify as sexual addicts Losing the Bond with God Sexual Addiction and Evangelical Men offers a humane and constructive understanding of this issue treating it from an objective perspective rather than the Christian perspective that is common to writings on the subject Based on her own qualitative study of self identified evangelical sex addicts the author shows how these men must overcome the compartmentalization of their lives and improve the integration of religion marriage and sexuality if they are to break their destructive patterns The book addresses many of the most dominant issues specific to sexuality within the evangelical movement such as sexual purity gender roles attitudes regarding homosexuality and marriage It begins with a framework for understanding the evangelical movement and its stance on sexual issues and ends with a cumulative summary about evangelical men who self identify as sexual addicts Direct quotes and personal experiences from interviews are woven throughout the study and appendices provide a detailed description of the author s research *A Very Personal Relationship. "God" and the Christian Religion and me* Calvin K. Tillson Preddie, 2011-10-22 Our Sun is 26 000 light years away from the center of the Milky Way Galaxy and when we consider the size of the Milky Way Galaxy and view the relative size of the planets it puts the Earth into true perspective However it also magnifies Who What or Which Presence or Force s was were in the Beginning which is responsible for all the celestial bodies and all life of any kind in this and or any other universe This book is really about one individual s faith that whoever whatever or whichever was in the Beginning is of a Divine Nature to which he has assigned the term God It is about a Divinity that transcends the limited God as discussed in Romans 1 which was made to resemble the corruptible man which displeased God and lead to unseemly punishment for humans It is about faith in God of our and every universe The author believed then and more so now that everything that happened was exactly as God wished it to be He contends that events were used to encourage man to be innovative curious loving caring and also the opposites of all these characteristics and others so that progress of civilization could be accomplished which would lead to an eventual better human to populate the world of the future and perhaps to live in harmony with other life forms from other stellar bodies The book is about a God that members of all religions could believe in and which could be viewed satisfactorily even by some disbelievers This is the author s second non fiction work *Summa Theologiae: Volume 39, Religion and Worship* Kevin D. **Oppressor** Patrick Oden, 2019-07-26 The liberating work of God calls the oppressed out of oppression and the oppressor out of oppressing The challenge in seeking a thorough liberation of oppressors is to help them understand their need for freedom and how to seek this freedom in their own contexts Patrick Oden provides a holistic biblical historical and theological analysis that diagnoses the underlying motivations and inclinations that lead to oppression Part one addresses the context of oppression in which most participants in oppression do not actively seek to harm others but are caught up in systems that tend toward the diminishment of others Part two examines the biblical and early Christian response to oppression discovering a thread that avoids condemning participation in society generally while also cautioning the people of God about being co opted by society Part three discusses how oppressors can withdraw from oppression through a constructive analysis of four contemporary theologians Wolfhart Pannenberg J rgen Moltmann Sarah Coakley and Jean Vanier each of whom contributes to a widening vision of liberated and liberating life in which the once oppressed and former oppressor can find peace together in community The Church Gazette for the Diocese of Rockhampton ,1922 **Judaism: Religion of**

*An Essay on Man and Christian Civilization* William Young Craig, 1906 **Phenomenology of Religion** Archana Barua, 2009-01-01 Out of the wide variety of themes covered by Husserl s phenomenology and later developed by Heidegger Merleau Ponty and others in different possible directions the present work attempts to indicate the few features of the method that derives from Edmund Husserl s basic themes of the phenomenological movement and its methodology Barua explores the manner in which this method has been applied to the study of art and religion by other phenomenologists and accordingly introduces the problem of this profound bulk namely the phenomenological approach to religion mostly in their terms *Reformational Theology* Gordon J. older method      **From Religion To Relationship** Ernest N. Roberson, 2021-04-21 I wrote this book to share my spiritual journey and the things I believe God has shared with me It has truly freed me and I pray that the things I have shared will help free you as well I must give my wife credit for helping to inspire me to write this book My wife woke me up one morning very wide eyed and excited She said Baby God just gave me the title of your book but you have to write the book This was not the first time my wife as well as a few of my friends with whom I have shared my views had encouraged me to write a book but I laughed it off saying to myself I m not writing a book my spelling is horrible and my punctuation is even worse But thank God for the technology of computers because it helped me with my shortcomings and I finally felt a release that this was my time and season and it allowed me to set my shortcomings aside and share what God has given me to a broader audience Just like nature when we are in tune with God we come into spiritual awareness and insight of our times and seasons I am just an average guy who has allowed Christ to touch my life and change my perspectives concerning how to walk with God and with all my heart I believe this is the time and season for kingdom worship I have experienced worship under religion and I am learning the freedom of kingdom fruit worship which has truly satisfied my spiritual thirst I believe it will satisfy your thirst as well It is truly a well of life with a never ending supply You just have to get onboard and you will see Christ standing at the gates of our Father s kingdom with His arms opened wide saying COME TASTE AND SEE THAT THE LORD IS GOOD Psalms 34 8

**Disorderly Women and the Order of God** Michele A. Connolly, 2018-04-19 Michele A Connolly s postcolonial analysis links the Gospel of Mark produced in the context of the Roman Empire with contemporary Australia established initially as a colony of the British Empire Feminist analysis of texts from two foundational events in Australian colonial history reveal that women in such texts tend to be marginalised silenced and denigrated Connolly posits that imperialist sexism both ancient and modern perceives women as a threat to the order that males alone can impose on the world The Gospel of Mark portrays Jesus bringing the order of the Reign of God to combat the disorder of apocalyptic evil Jesus task is a markedly male project against which eleven female characters are portrayed as disorderly distractions who are managed by being marginalised silenced and denigrated contradicting Jesus message of mutual service and non domination In his death under apocalyptic power Jesus is likewise depicted as isolated silenced and denigrated subtly associating femininity with chaos failure and disgrace      *God and Man: being outlines of religious and moral truth,*

*according to Scripture and the Church* Robert MONTGOMERY (Author of "Satan."), 1850      **Man, the Image of God** Cardinal Christoph Sch?nborn, Christoph von Schšnborn, 2011-01-01 God created man in his own image and the profound implications of this assertion are the subject of this book Drawing on philosophy theology science Scripture and art Cardinal Schnborn reflects on man as the greatest of Gods creatures and on the Christian understanding of his incomparable dignity that flows from this truth According to the Christian faith all the works of God converge toward man and find their goal in him The world was made for man and man was made for God This anthropocentrism resounds like good news at a time when

many find it hard to believe in Gods special and personal providence for man It is good news indeed that man has worth and his life has meaning because God bears an infinite love for him a love which is the very origin of creation and is the reason for the work of redemption Among the topics Cardinal Schonborn addresses are Christ the Loveliest of Men The Exaltation of Man The Basis of Mans Dignity Faith in Art God with a Human Face      **Christian Faith and Life** ,1909
